Volunteer Standards of Conduct

VITA/TCE Programs

The mission of the VITA/TCE return preparation programs is to assist eligible taxpayers in satisfying their tax responsibilities by providing **free** tax return preparation. To establish the greatest degree of public trust, volunteers are required to maintain the highest standards of ethical conduct and provide quality service.

All VITA/TCE volunteers (whether paid or unpaid workers) must complete the *Volunteer Standards of Conduct* (VSC) certification and agree to adhere to the VSC by signing Form 13615, *Volunteer Standards of Conduct Agreement*, prior to working at a VITA/TCE site. In addition, return preparers, quality reviewers, and VITA/TCE tax law instructors must certify in tax law prior to signing this form. This form is not valid until the site coordinator, sponsoring partner, instructor, or IRS contact confirms the volunteer's identity and signs and dates the form.

As a volunteer in the VITA/TCE Programs, you must:

1. Follow the Quality Site Requirements (QSR).
2. Not accept payment, solicit donations, or accept refund payments for federal or state tax return preparation.
3. Not solicit business from taxpayers you assist or use the knowledge you gained (their information) about them for any direct or indirect personal benefit for you or any other specific individual.
4. Not knowingly prepare false returns.
5. Not engage in criminal, infamous, dishonest, notoriously disgraceful conduct, or any other conduct deemed to have a negative effect on the VITA/TCE Programs.
6. Treat all taxpayers in a professional, courteous, and respectful manner.

Failure to comply with these standards could result in, but is not limited to, the following:

- Your removal from all VITA/TCE Programs;
- Inclusion in the IRS Volunteer Registry to bar future VITA/TCE activity indefinitely;
- Deactivation of your sponsoring partner's site VITA/TCE EFIN (electronic filing ID number);
- Removal of all IRS products, supplies, loaned equipment, and taxpayer information from your site;
- Termination of your sponsoring organization's partnership with the IRS;
- Termination of grant funds from the IRS to your sponsoring partner; and
- Referral of your conduct for potential TIGTA and criminal investigations.

WAGE AND INVESTMENT DIVISION

October 3, 2016

Greetings Volunteers!

Thank you for a phenomenal 2016 Filing Season. Without your commitment and superior technical expertise, we would not have been able to serve millions of taxpayers across the country. I commend each of you for your dedication, perseverance, and continued support.

The 2016 Filing Season presented many challenges for the Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs. Once again, the implementation of the Affordable Care Act (ACA) legislation required significant resources and training. However, you still achieved record breaking results by preparing more than 3.7 million tax returns with a 94 % accuracy rate. You are our most important asset.

This year we will continue to encourage consistent site operations and accurate tax return preparation. We will provide additional ACA training, as well as training on the Earned Income Tax Credit, Online Services, and Identity Theft. The following updates are new for the upcoming filing season:

- First year of our new tax preparation software – TaxSlayer.
- Development of a new certification test for Circular 230 Tax Professionals (i.e., certified public accountants, enrolled agents, and attorneys).
- Publication 5157-A, *Affordable Care Act – Taxpayer Scenarios*, is included in the Publication 4480, *VITA/TCE Link and Learn Taxes Training Kit*.
- Legislative Extenders that were made permanent are merged into the appropriate lessons in the Publication 4491, *VITA/TCE Training Guide*.

We have made additional changes to our policies and procedures for the 2017 Filing Season that are highlighted in the Fact Sheet immediately following this letter.

I look forward to suggestions for improving your experience, as well as that of the taxpayers you serve. Please email your feedback to partner@irs.gov.

Welcome to the 2017 Filing Season, and thank you again for all you do for the VITA/TCE programs.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank Nolden". The signature is fluid and cursive, with the first name "Frank" and last name "Nolden" clearly distinguishable.

FACT SHEET for SPEC Partners & Employees

Quality & Oversight Updates for 2017 Filing Season

9/1/2016

Key Messages

- There is a new Circular 230 Federal Tax Law Updates test for attorneys, Certified Public Accountants (CPA) and Enrolled Agents (EA).
- Once volunteer data is transferred to Form 13206 or partner-created listing with the same information and received by the Territory Office, partners do not need to retain Forms 13615.
- QSR # 2 and QSR #3 are now combined into one QSR.
- New QSR #3 requires Photo ID and TIN verification at VITA/TCE sites.
- Truncated SSN's are now required on Form 14446, *Virtual VITA/TCE Site Module Taxpayer Consent*.
- Site must remain marked as "Active" in SPECTRM if open for one or more days throughout the fiscal year.
- Civil Rights posters are now available in several languages to better inform taxpayers who are Limited English Proficiency (LEP).

This fact sheet provides updates to prepare employees, partners, site coordinators and volunteers for filing season 2017. Share this document during site coordinators training.

Background: Stakeholder Partnerships, Education & Communication (SPEC) continues to encourage consistent site operations and effective communications to improve quality and oversight in the Volunteer Income Tax Assistance and Tax Counseling for the Elderly (VITA/TCE) Programs. The following updates are effective for the 2017 Filing Season.

Updates to Quality Site Requirements (QSR)

QSR #1 – Certification

New: There is a new "Circular 230 Federal Tax Law Update" test for volunteers governed by the rules and regulations under Treasury Department Circular No. 230. This new certification exam will test knowledge of new tax law provisions and updates. Only Attorneys, Certified Public Accountants (CPA) and Enrolled Agents (EA) may certify using this new test. However, they may choose to certify using the traditional certification path (i.e. Advance, Military, etc.). This IRS tax law-certification is a minimum requirement for this specific group of volunteers and some partners may have different certification expectations. Partners may require all volunteers to use the traditional certification path.

Why: *This is a National Taxpayer Advocate recommendation. After reviewing and evaluating the current certification process, SPEC agreed to provide this new annual certification option. Many of these individuals are tax professionals with annual Continuing Education (CE) requirements.*

QSR #2 – Intake/Interview & Quality Review Process:

Update: QSR #2 (Intake/Interview Process) and QSR #3 (Quality Review Process), are now combined as QSR #2, Intake/Interview & Quality Review Process.

Why: *To gain consistency in rating Quality Site Requirements by connecting the inter-relationship between Intake/Interview and Quality Review processes.*

QSR #3 – Confirming Photo Identification & Tax Identification Numbers (TIN):

Update: The new QSR#3 requires volunteers to confirm:

- Photo identification for primary and secondary taxpayers; and
- Social Security Numbers (SSN) or Individual Taxpayer Identification Numbers (ITIN) for everyone listed on the tax return.

At a minimum, volunteers will validate taxpayers' identities and identification numbers prior to preparing the tax return and before the return is electronically transmitted or before a copy of the return is given to the taxpayer. Updated exceptions for taxpayers known to the site are listed in Publications 4299, *Privacy, Confidentiality and Civil Rights – A Public Trust*.

Why: *To deter the filing of rejects and identity theft returns at our VITA/TCE sites.*

QSR #7 – Civil Rights Requirements:

Update: The English/Spanish Publication 4053 –Your Civil Rights are Protected and the AARP Tax-Aide D-143 Civil Rights Posters are required to be posted at every site. We now have this same product in Chinese, Korean, Russian, Spanish, and/or Vietnamese. Sites serving these Limited English Proficient (LEP) taxpayers should secure these posters from IRS.gov. Requirements to post these foreign products can be determined based on local demographics indicating LEP taxpayers that may be served at the site. The Site Coordinator and SPEC Partner should make this determination during the planning stages. The primary goal is to provide this critical civil rights information to all taxpayers served in our VITA/TCE sites. The number of posters are based on the type of taxpayers served at the site.

Why: *To inform all taxpayers about their civil rights in various languages.*

Other Changes and Reminders:

Change: Partners are no longer required to maintain Form 13615, *Volunteer Standards of Conduct Agreement*, once the volunteer and partner have:

- Signed the completed agreement;
- Accurately transferred all required data to the current Form 13206, *SPEC Volunteer Assistance Report*, or partner created listing (containing the same information); and
- Forwarded the Form 13206 or partner created listing, to the SPEC Territory Office.

Partners can choose to give Forms 13615 back to their volunteers. However, if volunteers are requesting CE credits, the form must be completed and forwarded to the SPEC Territory Office as described in the CE credits requirements.

Why: *No longer having to maintain this form reduces the burden for partners with large numbers of volunteers.*

Change: Form 14446, *Virtual VITA/TCE Site Module Taxpayer Consent* no longer requires the full SSN. For security reasons, Form 14446 requires only the last four digits of the taxpayer's SSN.

Why: *In an effort to protect the taxpayer against ID Theft IRS requires all agencies to remove taxpayers' full SSNs from IRS forms unless necessary. Partners and volunteers are required to protect the taxpayers' data by following this same practice.*

Reminder: During Field Site Visits and QSS Return Reviews, we will continue to allow a "Tolerance Amount Level" when determining the accuracy of a tax return as long as the tax law is applied correctly, all income is listed on the correct Form 1040 line and the error does not cause a change:

- More than \$50 to "**Total Income**" or "AGI",
- More than \$14 to "**Total Tax**", "Federal Income Tax Withheld" or "Amount You Owe"
- Any of the credits shown on the return.

Why: *This is the current IRS policy for determining if a corrected return requires a new signed Form 8879, IRS e-file Signature Authorization.*

Reminder: The Protecting Americans from Tax Hikes Act of 2015 (PATH Act) contained many tax law provisions that affect the VITA/TCE programs. Some of these were previously existing provisions known as extenders.

- Those that are *permanently extended* by the PATH Act have been added to their respective lessons in Publication 4491, *VITA/TCE Training Guide*.

Fact Sheet – Quality and Oversight Updates for 2017 Filing Season

- Those that are *temporarily extended* through 2016 continue to be included in the Legislative Extenders lesson in Publication 4491.
- All (permanently/ temporarily) extenders have been added to the appropriate tabs in Publication 4012, *VITA/TCE Volunteer Resource Guide*.
- An overview of the permanently and temporarily extended provisions and other new provisions that are part of the PATH Act legislation are included in the Important Changes for 2016 section in Publication 4491 and the “What’s New” Tab in Publication 4012.

Why: *To ensure all volunteers have access to tax law changes that affect the VITA/TCE programs.*

Reminder: The SPEC Director must approve all policy changes that alter the current QSR, software agreements, e-file requirement and security policies.

Why: *To keep quality standards, security requirements or other license agreements from being in jeopardy in an effort to increase return preparation.*

SPEC Employees Only: Sites must remain marked as “Active” in the SPEC Total Relationship Management (SPECTRM) Database if it is open one or more days during the year. Only SPEC Headquarters (HQ) will mark all sites as “Inactive” at the appropriate time.

Why: *This was a Treasury Inspector General Tax Administration (TIGTA) finding. If a territory prematurely marks a site as inactive (closed for service), this gives the appearance the site (with return production) was never marked as active (open for service). TIGTA also identified sites not added to the SOI list to be selected as a QSS site and return review. HQ will change all active VITA/TCE sites in SPECTRM from active to inactive in November/December.*

How to Use This Guide

This publication is designed to assist you in preparing an accurate paper or software-prepared return using TaxSlayer®.*

The decision trees and interview tips are from your training materials and Publication 17, Your Federal Income Tax Guide (For Individuals). Use these tools during the dialogue with the taxpayer—“ask the right questions; get the right answers.” **Note:** *Publication 17 can be linked and researched electronically via WWW.IRS.gov.*

Also available via **WWW.IRS.gov** is the Interactive Tax Assistant (ITA), which is an excellent tool to guide you through answers to tax law questions.

*TaxSlayer® is a copyrighted software program owned by Rhodes Computer Services. The screen shots in this publication should not be extracted, copied, or distributed without written approval of the IRS.

Note:

1. TaxSlayer® screen shots in this guide may not be updated for current tax law. Generally, the screens depicted mirror the last year's version. However, there are some instances where there are embedded references to earlier tax years.
2. Not all forms are authorized for all volunteer programs. Forms intended specifically for the Military VITA Program will be annotated as such. Volunteers should only provide tax assistance based on their level of certification—basic, advanced, military, international, or Health Savings Accounts.

SPEC allows volunteers to use the IRS provided software to prepare and electronically file their own tax return and the returns of family and friends. Unlike VITA/TCE returns, these returns have no income or tax law limitations.

Caution: At the time of printing the resolution for some of the graphic images lost clarity. We are aware that volunteers may have difficulty reviewing this publication. We encourage volunteers to refer to the software when possible. Every effort will be made to correct this issue in future editions. We appreciate your understanding.

Scope of Service

Volunteers are trained to assist in the filing of Form 1040 and certain schedules and forms. To be covered under the Volunteer Protection Act, volunteers must stay within the scope of the VITA/TCE programs and prepare returns for which they achieved certification. This chart covers limitations or expansion of scope of service for each certification level. The check mark indicates within scope for that level of certification. The light gray areas indicate tax law topics not covered under that certification level. Form 1040 line items omitted from this chart are out of scope. Within each line item, there are specific elements that are out of scope for the VITA/TCE programs as indicated in the training. This list is not all-inclusive.

In order to claim this credit, the taxpayer's modified adjusted gross income (MAGI) must not be more than \$30,750 for Single, Married Filing Separately, or Qualifying Widower (increase of \$250). MAGI must not be more than \$46,125 (increase of \$350) for Head of Household, and \$61,500 (increase of \$500) for Married Filing Jointly.

- 54 cents per mile for business miles driven
- 19 cents per mile driven for medical or moving purposes

American opportunity credit for 2016 is gradually reduced (phased out) if taxpayers' MAGI is between \$80,000 and \$90,000 (\$160,000 and \$180,000 if Married Filing Jointly). Taxpayers can't claim a credit if their MAGI is \$90,000 or more (\$180,000 or more if Married Filing Jointly). There is no change.

Lifetime learning credit for 2016 is gradually reduced (phased out) if taxpayers' MAGI is between \$55,000 and \$65,000 (\$111,000 and \$131,000 if Married Filing Jointly). Taxpayers can't claim a credit if their MAGI is \$65,000 or more (\$131,000 or more if Married Filing Jointly).

Health Savings Account (HSA) Deduction

The annual contribution limits on deductions for HSAs for individuals with self-only coverage is \$3,350 (no change) and \$6,750 for family coverage (increase of \$100). There is an additional contribution amount for taxpayers who are age 55 or older.

Deduction Amount and Modified AGI Limit for Traditional IRA Contributions Increased

For 2016, the maximum IRA deduction will remain at \$5,500 (\$6,500 if age 50 or older). For taxpayers who are covered by a retirement plan at work, the deduction for contributions to a traditional IRA is reduced (phased out) if the modified AGI is:

- More than \$98,000 but less than \$118,000 for a married couple filing a joint return or a qualifying widow(er) if both spouses are covered by a retirement plan,
- More than \$61,000 but less than \$71,000 for a single individual or head of household, or

For an IRA contributor who **isn't** covered by a workplace retirement plan and is married to someone who is covered, the deduction is phased out if the couple's income is between \$184,000 and \$194,000.

New IRA self-certification procedure

[Revenue Procedure 2016-47](#) explains a self-certification procedure designed to help recipients of retirement plan distributions who inadvertently miss the 60-day time limit for properly rolling these amounts into another retirement plan or individual retirement arrangement (IRA). Eligible taxpayers can qualify for a waiver of the 60-day time limit and avoid possible taxes and penalties on early distributions, if they meet certain circumstances. Taxpayers who missed the time limit will now ordinarily qualify for a waiver if one or more of 11 circumstances, listed in the revenue procedure, apply:

- An error was committed by the financial institution making the distribution or receiving the contribution.
- The distribution was in the form of a check and the check was misplaced and never cashed.
- The distribution was deposited into and remained in an account that I mistakenly thought was a retirement plan or IRA.
- My principal residence was severely damaged.
- One of my family members died.
- I or one of my family members was seriously ill.
- I was incarcerated.
- Restrictions were imposed by a foreign country.
- A postal error occurred.
- The distribution was made on account of an IRS levy and the proceeds of the levy have been returned to me.
- The party making the distribution delayed providing information that the receiving plan or IRA required to complete the rollover despite my reasonable efforts to obtain the information.

For more information, visit the "[Can You Move Retirement Plan Assets?](#)" section in [Publication 590-A](#) or the [Rollovers of Retirement Plan and IRA Distributions](#) page on IRS.gov.

Affordable Care Act

Exercises to illustrate scenarios involving the Affordable Care Act (ACA) are contained in Publication 5157-A.

The flat dollar amounts used in calculating the shared responsibility payment increased for 2016. See the ACA lesson for details.

Payments in Cash

Cash is a new in-person payment option for individuals to pay taxes owed. This service is provided through retail partners with a maximum of \$1,000 per day per transaction. To make a cash payment, taxpayers must first be registered online at www.officialpayments.com/fed. This cash option is only available at participating 7-Eleven locations in 34 states.

New Legislation

The Protecting Americans from Tax Hikes Act of 2015 (PATH Act) made the following tax provisions permanent:

- Adjustments for up to \$250 for educator classroom expenses. This provision was modified to include certain expenses related to professional development courses the taxpayer takes related to the curriculum they teach or to their students. The deduction amount will be indexed for inflation for future years.
- Qualified Charitable Distribution (QCD)
- State and local general sales tax deduction

The PATH Act extended the following provisions through 2016:

- Exclusion from gross income of qualified principal residence indebtedness
- Mortgage insurance premiums deductible as qualified residence interest
- Deduction for qualified tuition & fees
- Credit for nonbusiness energy property (residential energy credit)

Other provisions of the PATH Act include:

- American opportunity tax credit made permanent, replacing the Hope credit.
- Reduced earned income threshold for additional child tax credit made permanent at \$3,000.
- Earned income tax credit made permanent for 3 or more qualifying children.
- Refundable Credits Refund date – no credit or refund for an overpayment for a taxable year shall be made to a taxpayer before the 15th day of the second month (February 15) following the close of the taxable year if the taxpayer claimed the EITC or additional child tax credit (ACTC) on the tax return. The IRS will hold the entire refund. Under the new law, the IRS cannot release the part of the refund that is not associated with the EITC and ACTC. This provision does not meet TAS hardship criteria and no refunds with EITC/ACTC will be released prior to Feb 15.
- **Taxpayers can no longer make retroactive claims of the EITC after issuance of a social security number.** A taxpayer must have an SSN by the due date of the return (including extensions) in order to claim the EITC. Likewise, any qualifying child claimed for the EITC must have an SSN by the due date of the return (including extensions).
- Taxpayers claiming the American opportunity credit must now have an SSN or an ITIN by the due date of the tax return (including extensions). Further, the student claimed for the credit must have an SSN, an ITIN, or an Adoption Taxpayer Identification Number (ATIN) by the due date (including extensions). **Taxpayers can't make retroactive claims for the credit for a period that the taxpayer and student didn't have a required identification number.**
- Taxpayers claiming the **child tax credit** must now have an SSN or an ITIN by the due date of the tax return (including extensions). Further, the child claimed for the credit must have an SSN, an ITIN, or an ATIN by the due date (including extensions). **Taxpayers can't make retroactive claims for the credit for a period that the taxpayer didn't have a required identification number.**
- Employer Identification number required for taxpayers claiming the American opportunity tax credit.
- Under the PATH Act, any ITIN that isn't used on a federal tax return for three consecutive tax years, either as the ITIN of an individual who files the return or as the ITIN of a dependent included on a return, will expire on December 31 of the third consecutive tax year of nonuse. For example, an individual applied for and received an ITIN in 2015 that is used in 2015 on the individual's 2014 federal income tax return. If the individual doesn't file or isn't claimed as a dependent on a tax return in 2016, 2017, and 2018, the ITIN will expire on December 31, 2018. This rule applies to all ITINs regardless of when the ITIN was issued.
- ITINs issued prior to January 1, 2013 that have been used on a tax return in the last three consecutive years are set to expire based on a multi-year schedule. Under the PATH Act, this schedule is based on the date that an ITIN was issued. However, many ITIN holders may not know when their ITIN was issued and previously had no reason to keep a record of the date an ITIN was issued. To simplify the renewal process and allow for the effective administration of the program, the IRS will administer the renewal of ITINs on a schedule that is different from the schedule in the PATH Act. The IRS will renew ITINs based upon the fourth and fifth digits (middle digits) in the ITIN. ITINs that contain the middle digits of 78 or 79 will no longer be in effect beginning January 1, 2017. The expiration and renewal schedules for ITINs with middle digits other than 78 or 79 will be announced in future guidance. See Notice 2016-48 for more information.
- ITINs will be renewed using the original issuance date, and taxpayer will be allowed to claim CTC and AOTC credits for any gap years that returns were not filed.

- Adds credit disallowance period for child tax credits or American opportunity tax credits improperly claimed. Requires taxpayers to demonstrate eligibility after the CTC or AOTC is disallowed using deficiency procedures (existing requirement for EITC).
- 20% penalty on erroneous claims on refundable portion of credits.
- Higher education information reporting only include qualified tuition & related expenses actually paid. Applies to expenses paid after December 31, 2015. Following the enactment of PATH, numerous eligible educational institutions informed the IRS that implementation of the law change will require computer software reprogramming and other changes that can't be implemented in time to meet the applicable filing and furnishing due dates for Form 1098-T for calendar year 2016. In light of this, the IRS will not impose penalties with respect to 2016 Forms 1098-T solely because the eligible educational institution reports the aggregate amount billed for qualified tuition and related expenses for the 2016 calendar year. Thus, eligible educational institutions will continue to have the option of reporting either the amount of payments of qualified tuition and related expenses received or the amount of qualified tuition and related expenses billed for the 2016 calendar year without being subject to penalties.
- Expands definition of qualified higher education expenses for 529 plans to include computer equipment and technology.
- ABLE accounts to be established in any state.
- **Tax Relief available for the wrongfully incarcerated; some must amend by Dec. 2016.** Taxpayers who were wrongfully incarcerated can now take advantage of the new retroactive exclusion from civil damages, restitution, or other monetary awards received in connection with their incarceration. The retroactive exclusion is only available through **December 19, 2016** for tax years 2012 and earlier that would otherwise be barred in most cases. Eligible taxpayers must file Form 1040X for each year these payments were reported and write "Incarceration Exclusion PATH Act" at the top.
- In general, taxpayers can amend their tax returns for tax years 2013 and after by filing Form 1040X within three years after the date they file their original return. Going forward, there are no reporting requirements for receipt of an award qualifying for the wrongful-incarceration exclusion. This means for the year an award is received, recipients need not report the award on their Form 1040 tax return or submit any documentation to the IRS.
- Details on who qualifies and how to file are contained in frequently asked questions posted on irs.gov: <https://www.irs.gov/individuals/wrongful-incarceration-faqs>

Congress may enact additional legislation that will affect taxpayers after this publication goes to print. Any changes will be reflected in Publication 4491-X, VITA/TCE Training Supplement, available in mid-January on www.irs.gov.

*Medicaid programs that provide limited benefits generally don't qualify as minimum essential coverage; however, HHS will provide a hardship exemption to individuals with certain types of limited-benefit Medicaid coverage.

**Plans recognized as minimum essential coverage are listed at: www.cms.gov/CCIIO/Programs-and-Initiatives/Health-Insurance-Market-Reforms/minimum-essential-coverage.html, scroll down and click on the link for the list of approved plans.

No proof of coverage is needed. Oral statement from the taxpayer is acceptable, unless normal due diligence leads you to believe the taxpayer's statement is incorrect.

Exemptions: Overview

Exemptions: Where do I start?

STEP 1

Does anyone in the tax household already have an exemption in hand from the Marketplace?

Marketplace exemptions require an application. If a person applied for an exemption through the Marketplace (or if they were granted an exemption because they were denied Medicaid coverage in a state that did not expand Medicaid), they should have received an Exemption Certificate Number (ECN) from the Marketplace. It is a 6 or 7 digit alphanumeric code.

STEP 2

Is household or gross income under the filing threshold?

If yes, everyone on the tax return is exempt from the coverage requirement, and there is no need to consider additional exemptions. Line 7 on Form 8965 is used to claim an income-based exemption. See page ACA-8 for more information about this exemption.

STEP 3

If the tax household does not qualify for an exemption under Step 2, does any individual qualify for an exemption that can be claimed directly on the tax return?

If yes, the exemption code is entered on Form 8965, Part III.

STEP 4

For any uninsured individual that does not qualify under Step 2 or 3, does any individual in the tax household qualify for an exemption from the Marketplace?

If yes, direct the person to the Marketplace for additional help. Enter "pending" as shown on the following page if the Marketplace has not processed the application for exemption before the return is filed. A tax return with a "pending" exemption can still be e-filed. The IRS may follow up with a taxpayer directly on a pending submission if the Marketplace does not approve the exemption.

Entering Exemptions in TaxSlayer

If any individual in the household qualifies for an exemption, either through the Marketplace or claimed on the tax return, select Yes:

2016 Federal Tax Filing Requirement Thresholds

Filing Status	Age*	Must file a return if gross income** exceeds
Single	Under 65	\$10,350
	65 or older	\$11,900
Head of Household	Under 65	\$13,350
	65 or older	\$14,900
Married Filing Jointly***	Under 65 (both spouses)	\$20,700
	65 or older (one spouse)	\$21,950
	65 or older (both spouses)	\$23,200
Married Filing Separately	Any age	\$4,050
Qualifying Widow(er) with Dependent Children	Under 65	\$16,650
	65 or older	\$17,900

*If you were born on January 1, 1952, you are considered to be age 65 at the end of 2016. (If your spouse died in 2016 or if you are preparing a return for someone who died in 2016, see Pub. 501.)

** Gross income means all income you received in the form of money, goods, property, and services that isn't exempt from tax, including any income from sources outside the United States. It also includes gain from the sale of your main home, even if you can exclude part or all of it. Include only the taxable part of social security benefits (Form 1040, line 20b; Form 1040A, line 14b). Also include gains, but not losses, reported on Form 8949 or Schedule D. Gross income from a business means, for example, the amount on Schedule C, line 7, or Schedule F, line 9. But, in figuring gross income, do not reduce your income by any losses, including any loss on Schedule C, line 7, or Schedule F, line 9.

***If you did not live with your spouse at the end of 2016 (or on the date your spouse died) and your gross income was at least \$4,050, you must file a return regardless of your age.

2016 Federal Tax Filing Requirement Thresholds – Dependents

If your parent (or someone else) *can* claim you as a dependent, use this chart to see if you must file a return.

In this chart, **unearned income** includes taxable interest, ordinary dividends, and capital gain distributions. It also includes unemployment compensation, taxable social security benefits, pensions, annuities, and distributions of unearned income from a trust. **Earned income** includes salaries, wages, tips, professional fees, and taxable scholarship and fellowship grants. **Gross income** is the total of your unearned and earned income.

Single dependents. Were you **either** age 65 or older or blind?

- No.** You must file a return if **any** of the following apply.
 1. Your unearned income was over \$1,050.
 2. Your earned income was over \$6,300.
 3. Your gross income was more than the larger of —
 - a. \$1,050, or
 - b. Your earned income (up to \$5,950) plus \$350.

- Yes.** You must file a return if **any** of the following apply.
 1. Your unearned income was over \$2,600 (\$4,150 if 65 or older **and** blind).
 2. Your earned income was over \$7,850 (\$9,400 if 65 or older **and** blind).
 3. Your gross income was more than the larger of —
 - a. \$2,600 (\$4,150 if 65 or older **and** blind) or
 - b. Your earned income (up to \$5,950) plus \$1,900 (\$3,450 if 65 or older and blind).

Married dependents. Were you **either** age 65 or older **or** blind?

- No.** You must file a return if **any** of the following apply.
 1. Your unearned income was over \$1,050.
 2. Your earned income was over \$6,300.
 3. Your gross income was at least \$5 and your spouse files a separate return and itemizes deductions.
 4. Your gross income was more than the **larger** of —
 - a. \$1050, or
 - b. Your earned income (up to \$5,950) plus \$350.

- Yes.** You must file a return if **any** of the following apply.
 1. Your unearned income was over \$2,300 (\$3,550 if 65 or older **and** blind).
 2. Your earned income was over \$7,550 (\$8,800 if 65 or older **and** blind).
 3. Your gross income was at least \$5 and your spouse files a separate return and itemizes deductions.
 4. Your gross income was more than the **larger** of —
 - a. \$2,300 (\$3,550 if 65 or older **and** blind), or
 - b. Your earned income (up to \$5,950) plus \$1,600 (\$2,850 if 65 or older **and** blind).

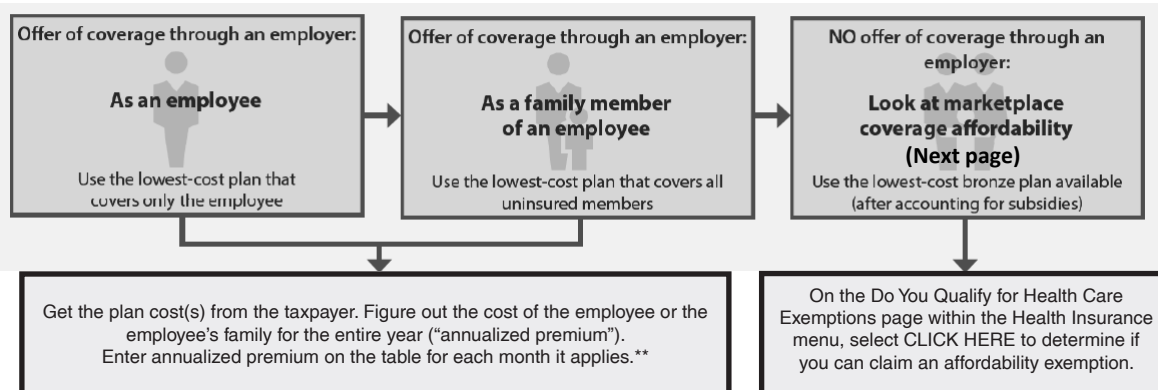

Note: For children under age 18 and certain older children, unearned income over \$2,100 is taxed at the parent's rate if the parent's rate is higher than the child's. For this purpose, "unearned income" includes all taxable income other than earned income, such as taxable interest, ordinary dividends, capital gains, rents, royalties, etc. It also includes taxable social security benefits, pension and annuity income, taxable scholarship and fellowship grants not reported on Form W-2, unemployment compensation, alimony, and income received as the beneficiary of a trust. If the child's unearned income is more than \$2,100, Form 8615 must be used to figure the child's tax. Form 8615 is out of scope.

Exemptions: Form 8965, Part III

Insurance is Unaffordable, Code A or G

Coverage is unaffordable if it costs more than 8.13% of household income. For example, Susan's household income is \$20,000. Her share of the cost of her employer's offer of self-only coverage is \$3,000. Susan is eligible for the affordability exemption.

STEP 1: Determine what type of affordability exemption each uninsured person in the household might be eligible for. There are three options offered on the ACA Affordability Worksheet. STOP at the first one that applies to each uninsured household member.

COBRA is not considered an offer of employer sponsored coverage if the individual did not enroll in the coverage. If the individual enrolled in the COBRA coverage, s/he has MEC for that month and does not need an exemption.

**If you or another member of your tax household has an offer of employer sponsored coverage for only part of the year, see Form 8965 Instructions for the Annualized Premium Worksheet.

STEP 2: Use this worksheet to determine whether coverage for each individual in your tax household is unaffordable.

(A) Affordability Threshold
Enter 8.13% of your household income (see *Household Income*). For this purpose, increase household income by the amount of any premium that is paid through a salary reduction arrangement and excluded from gross income.

(B) Required Contribution Amount
For each member of your tax household, enter in the columns provided the annual premium for the first option below that applies to that person. If the monthly premium is the same for the whole year, enter the annual premium in the space for each month. If the premiums cover only part of the year, use the *Annualized Premium Worksheet* to determine what the annualized premium would be for each month. Once you have figured the annualized premium, enter it in the space for each month.

Options (use the first that applies to each member of your tax household, including you, for each month):

- The lowest cost self-only policy offered to each member of your tax household by his or her employer.
- The lowest cost family policy* offered by your employer or your spouse's employer (if you are filing a joint return).
- The amount from the Marketplace Coverage Affordability Worksheet.

For each individual, coverage is unaffordable and the individual is exempt for any month in which (B), the Required Contribution Amount, is more than (A), the Affordability Threshold.

Members of your tax household (enter one name per column):						
Annualized premium for:						
January						
February						
March						
April						
May						
June						
July						
August						
September						
October						
November						
December						

*The policy must cover everyone in your tax household:

- For whom a personal exemption deduction is claimed on your tax return,
- Who isn't eligible for employer coverage, and
- Who doesn't qualify for another coverage exemption.

TIP:
The MAGI of any dependent that is claimed and has a tax filing requirement is included in household income.

What is an annualized premium?
Example:
Wilma's employer offered both employee and family coverage:

- The employee-only premiums cost \$150/month (Annualized premium: $150 \times 12 = \$1,800$)
- The employee + spouse premium cost \$400/month (Annualized premium $400 \times 12 = \$4,800$)

Marketplace Coverage Affordability Worksheet

This worksheet is used only if there is no offer of employee coverage

TIP
If the **lowest cost bronze plan (LCBP)** costs less than 8.13% of income (above), there is an affordable offer of coverage. No Code A exemption is available. (The Marketplace presented affordable coverage and the marketplace affordability exemption does not apply)

LCBP: Go to the taxpayer's Marketplace, such as www.healthcare.gov.
*NOTE: The look up tool asks about tobacco use. **Tobacco use** is the use of a tobacco product 4 or more times per week within no longer than the past 6 months by legal users of tobacco products (generally those 18 and older).*

The LCBP quote will be for all individuals on the return that did not have an offer of employer coverage and who did not qualify for another exemption. That means that the LCBP would include, *for example*, the taxpayer and spouse who are on Medicare or Medicaid.

 Do not complete this worksheet unless you were instructed to do so in the Affordability Worksheet.

1.	Enter the monthly premium for the lowest cost bronze plan that covers everyone in your tax household for whom a personal exemption deduction is claimed, who isn't eligible for employer coverage, and who doesn't qualify for another coverage exemption for the month. To find the lowest cost bronze plan go to www.HealthCare.gov/tax-tool or the Marketplace for your area. If you are married and file a separate return, enter the monthly premium here and on line 12. Don't complete lines 2-11.	
2.	Enter your household income (see <i>Household income</i>)	
3.	Enter the total of all nontaxable social security benefits received by you, your spouse, and each claimed dependent who must file a tax return*	
4.	Add lines 2 and 3	
5.	Enter the federal poverty line for the number of individuals in your tax household less any dependents not claimed. See the instructions for Form 8962, line 4	
6.	Divide line 4 by line 5. If the result (without rounding) is less than 1.0 or more than 4.0, skip lines 7 through 10 and enter -0- on line 11	
7.	Multiply line 6 by 100 and round to the nearest whole number. Enter the applicable figure for the result from the table in the instructions for Form 8962, line 7	
8.	Multiply line 4 by line 7	
9.	Divide line 8 by 12.0	
10.	Enter the monthly premium for the second lowest cost silver plan premium that covers everyone in your tax household for whom a personal exemption deduction is claimed, who isn't eligible for minimum essential coverage (other than coverage in the individual market), and who doesn't qualify for another coverage exemption for the month. To find the second lowest cost silver plan go to www.HealthCare.gov/tax-tool or the Marketplace for your area	
11.	Subtract line 9 from line 10. If zero or less, enter -0-.	
12.	Subtract line 11 from line 1. If zero or less, enter -0-. This is the individual's required contribution for the month	
13.	Is the individual eligible for this coverage for every month of the year?	
	<input type="checkbox"/> Yes. Multiply line 12 by 12.0. This is the annualized premium. Enter this amount in the space for every month on the <i>Affordability Worksheet</i>	
	<input type="checkbox"/> No. Multiply line 12 by 12.0. This is the annualized premium. Enter this amount in the space on the <i>Affordability Worksheet</i> for each month the individual was eligible for the coverage being tested.	

*If the individual filed Form 1040, figure the nontaxable social security benefits received by that individual by subtracting Form 1040, line 20b from Form 1040, line 20a. If the individual filed Form 1040A, figure the nontaxable social security benefits received by that individual by subtracting Form 1040A, line 14b from Form 1040A, line 14a. If the individual filed Form 1040EZ, he or she should have received a Form SSA-1099 or Form RRB-1099 showing the social security benefits received by that individual, all of which were nontaxable.

For this line on this worksheet, use tax household MAGI for Form 8962 purposes (adjusted gross income + tax exempt interest + excluded foreign earned income). Include MAGI of any claimed dependents with a filing requirement.

Enter the appropriate amount on the *Affordability Worksheet* as directed. This worksheet will compare the annualized premium to the affordability threshold.
If the annualized premium costs less than 8.13% of income, no exemption applies.
If the annualized premium costs more than 8.13% of income, Code A applies.

TIP: Note that more than one marketplace coverage affordability worksheet may be needed if circumstances changed during the year.

Second lowest cost silver plan (SLCSP): Go to the Marketplace at:
<https://www.healthcare.gov/tax-tool/>
Do not include individuals in your tax household that are eligible for other employer sponsored or government sponsored MEC, or who are otherwise exempt.
That means that the SLCSP cost would NOT INCLUDE, for example, the taxpayer and spouse who are enrolled in or eligible for Medicare or Medicaid. (This is different from line 1).

Premium Tax Credit: Form 1095-A Overview

A person who purchased insurance through the Marketplace will receive Form 1095-A. Anyone who received the benefit of advance payments of the premium tax credit (APTC) must complete Form 8962. **You cannot prepare the return for taxpayers who received the benefit of APTC without Form(s) 1095-A.**

Carefully examine Form 1095-A to make sure it reflects the taxpayer's account of coverage. Look for critical errors that will affect the PTC calculation, such as errors in enrollment premiums, SLCSPP premiums, or APTC. The taxpayer *should seek a corrected 1095-A if enrollment related information is incorrect.*

This includes:

- Policy issuer's name (Part I)
- Policy start or end date (Part I, Part II)
- Premium cost (Part III, Column A)
- APTC received (Part III, Column C)

Marketplace call center: 1-800-318-2596 (TTY: 1-855-889-4325) For states not using Healthcare.gov, look up state Marketplace at Healthcare.gov

To obtain an original or corrected Form 1095-A the taxpayer can log into his or her online account, or call the Marketplace call center.

Part III Coverage Information

Month	A. Monthly enrollment premiums	B. Monthly second lowest cost silver plan (SLCSPP) premium	C. Monthly advance payment of premium tax credit
21 January	↓ Column A	↓ Column B	↓ Column C
22 February			
23 March			
24 April			
25 May			
26 June			

Column A - Monthly Premium: These are the total monthly enrollment premiums for the policy in which the individuals are covered. **This is the full premium, including the amount paid by APTC but it includes only the premiums for essential health benefits. The amount does not include the cost of certain "extra" benefits such as adult dental coverage.**

Column B - Monthly SLCSPP premium: If this column is blank and the individuals enrolled in a plan through a Federally-facilitated Marketplace, go to www.Healthcare.gov and use the tax tool to find the SLCSPP premium to enter in Column B. If the individuals enrolled through a State-based Marketplace, go to the state's website to determine the SLCSPP premium. In some cases, the state will send a table with the information. If the State-based Marketplace does not have a look-up tool to find the SLCSPP premium, call the Marketplace to obtain a correct SLCSPP premium. The SLCSPP premium is the premium for the second lowest cost silver-level plan that covers all the members of the coverage family.

Column C - Advance payment of PTC

You may need to look up the SLCSPP premium if:

- It is incorrect, perhaps because a change in family size was not reported.
- It is missing. This happens when someone paid the full premium because he or she did not request advance payment of the premium tax credit. Marketplaces routinely leave this space blank.
- There are multiple Forms 1095-A with conflicting information or the taxpayer otherwise thinks it's incorrect.

See healthcare.gov/tax-tool or your state's tax tool.

TIP: A person may be entitled to PTC even if no APTC was paid for the coverage. Do not assume someone is ineligible for PTC just because Columns B and C of Form 1095-A are blank. If an individual meets all the eligibility rules in the Form 8962 instructions but only the enrollment premium amounts in Column A appear on Form 1095-A and Columns B and C are blank, look up the person's SLCSPP premiums and enter them on the Advanced Premium Tax Credit (1095-A) screen in the Premium Amount of SLCSPP section.

TaxSlayer will use the proper elements to calculate household income for premium tax credit purposes.

The net premium tax credit a taxpayer can claim (the excess of the taxpayer's premium tax credit over APTC) will appear on Form 1040, line 69. This amount will increase taxpayer's refund or reduce the balance due.

The amount of excess APTC (amount by which APTC exceeds the taxpayer's premium tax credit) that needs to be repaid, if any, will appear on Form 1040, line 46.

If the following situations apply, a shared policy allocation may be required and the return is out of scope:

- The 1095-A lists a covered person who is not on this tax return or,
- A person on the tax return was enrolled in another taxpayer's Marketplace coverage. (The person is listed on someone else's Form 1095-A)

If the following situation applies, an Alternative Calculation for Year of Marriage may be elected. If the taxpayer elects this option, the return is out of scope.

- Taxpayers got married during the year and are filing a joint return, and taxpayers were both unmarried as of December 31, 2015 or 2016
- A member of the taxpayers' tax family was enrolled in a qualified health plan for which APTC was paid for months prior to the first full month of marriage, and
- Taxpayers have excess APTC that must be repaid

Multiple Forms 1095-A

Some taxpayers will have multiple Forms 1095-A. This will happen if the taxpayer:

- Changed Marketplace plans during the year
- Updated their application with new information that resulted in a new enrollment
- Had family members enrolled in different Marketplace plans
- Had more than 5 family members in the same plan

Entering Multiple Forms 1095-A on One Form 8962 - Make sure everyone on the Forms 1095-A is also on the tax return. If not, this may be a Shared Policy Allocation.

Column A: Add the premiums together.

Column B: If everyone is in the same state and enrolled in the same policy, the SLCSP premium should be the same on all Forms 1095-A for a given month. Enter that amount. If the enrollees are in different states, add the SLCSP premiums. When in doubt, look it up in the Tax Tool for your Marketplace.

Column C (entered in Column F of Form 8962): Add the amounts together.

27 July			

The taxpayer stopped paying premiums

What you'll see: Numbers in Columns B and C but no premium in Column A (-0-) for a month on Form 1095-A, Part III

What to do:

- The taxpayer can only claim a PTC for a month of enrollment if the premium for the month is paid by the tax return due date (without extensions). If the APTC is high and covers most of the premium, can the taxpayer make the (late) premium payment? It may be more cost-effective to pay the premium than to repay the APTC. When the premium is paid, ask for a corrected Form 1095-A.
- If the premium payment has not and will not be made, enter the SLCSP and APTC and leave Column A blank. Note: There should never be consecutive months like this. If so, there is an error on Form 1095-A.

Sample Form 1095-A: PART III			
Month	A. Monthly enrollment premiums	B. Monthly second lowest cost silver plan (SLCSP) premium	C. Monthly advance payment of premium tax credit
21 January			
22 February		\$301	\$87

25 May		- 0 -	\$87
26 June			
27 July			
28 August

Even if the taxpayer isn't eligible for PTC, he or she is still considered to have coverage for the month, despite nonpayment of premium.

Premium Tax Credit (continued)

Handling Large APTC Repayments

Many tax preparers are seeing clients with large repayments of APTC that they must repay on Form 8962, Line 29.

Form 8962: Part III		
Part III Repayment of Excess Advance Payment of the Premium Tax Credit		
27	Excess advance payment of PTC. If line 25 is greater than line 24, subtract line 24 from line 25. Enter the difference here	27
28	Repayment limitation (see instructions)	28
29	Excess advance premium tax credit repayment. Enter the smaller of line 27 or line 28 here and on Form 1040, line 46; Form 1040A, line 29; or Form 1040NR, line 44	29

To minimize repayment, consider the following strategies:

Make sure Form 1095-A is correct and complete.

- Ask the taxpayer to contact the Marketplace if the form doesn't reflect premiums that were paid or if there are other errors.
- See tips and tricks for complex cases when a taxpayer may be eligible for PTC for a particular month

Consider income adjustments to reduce household income.

- If the taxpayer is eligible to claim an IRA deduction, remember that taxpayers can contribute to an IRA until the tax filing deadline.
- If someone on the taxpayer's return has tuition expenses, consider the Tuition and Fees deduction instead of an education credit

Consider married filing separately.

- The taxpayer may be ineligible for the PTC, but filing separately may cap repayment at a lower level based on income.

Important! If the taxpayer is currently enrolled in Marketplace coverage and has a 2016 repayment, the taxpayer should contact the Marketplace **now** to adjust their 2017 APTC to avoid similar repayments for the 2017 tax year!

Income (as % of federal poverty line)	Repayment Caps for APTC	
	Taxpayers Filing as SINGLE	Taxpayers Using Other Filing Statuses
Under 200%	\$300	\$600
200% – 299%	\$750	\$1,500
300% – 399%	\$1,275	\$2,550
400% and above	No cap (full repayment)	No cap (full repayment)

Allocation of Policy Amounts

Caution: If this situation applies, the return is out of scope.

Table 3. Allocation of Policy Amounts—Line 9

Follow Steps 1–3 below to determine which allocation rule to use in *Part IV—Allocation of Policy Amounts*, later, to allocate the policy amounts for each qualified health plan identified in the instructions to line 9. For each policy, if your answer directs you to Part IV, skip directly to the section of the Part IV instructions identified. You do not need to complete the remaining steps below.

STEP 1

If

- You divorced or legally separated from a spouse in 2016; and
- For one or more months of marriage, the policy covered at least one individual in your tax family **AND** at least one individual in your former spouse's tax family...

Then allocate using the rules in *Allocation Situation 1. Taxpayers divorced or legally separated in 2016* in *Part IV—Allocation of Policy Amounts*. Otherwise, continue to Step 2.

STEP 2

If

- You were married at the end of 2016 but are filing a separate return from your spouse; and
- The policy covered at least one individual in your tax family **AND** at least one individual in your spouse's tax family* ...

Then allocate using the rules in *Allocation Situation 2. Taxpayers married at year end but filing separate returns* in *Part IV—Allocation of Policy Amounts*. Otherwise, continue to Step 3.

Also follow these instructions if you meet the rules in Exception 1—Certain married persons living apart or Exception 2—Victim of domestic abuse or spousal abandonment under Married taxpayers, earlier, and a policy covered at least one individual in your tax family **AND at least one individual in your spouse's tax family.*

STEP 3

If

- No APTC was paid for the policy...

Then allocate using the rules in *Allocation Situation 3. No APTC* in *Part IV—Allocation of Policy Amounts*.

Otherwise, allocate using the rules in *Allocation Situation 4. Other situations where a policy is shared between two tax families* in *Part IV—Allocation of Policy Amounts*.

Alternative Calculation for Year of Marriage Eligibility

Caution: Taxpayers may choose to file MFJ or MFS without the alternative calculation, which remains in scope. If the taxpayer is eligible for and elects this alternative calculation, the return is out of scope.

Chart A – For Most People Who Must File

If you CAN be claimed as a dependent by another taxpayer, you must file as a dependent whether you are being claimed or not. See Chart B for filing requirements.

If your filing status is...	AND at the end of 2016 you were...*	THEN file a return if your gross income was at least...**
Single	under 65	\$10,350
	65 or older	\$11,900
Married filing jointly***	under 65 (both spouses)	\$20,700
	65 or older (one spouse)	\$21,950
	65 or older (both spouses)	\$23,200
Married filing separately (see the instructions for line 3)	any age	\$ 4,050
Head of household (see the instructions for line 4)	under 65	\$13,350
	65 or older	\$14,900
Qualifying widow(er) with dependent child (see the instructions for line 5)	under 65	\$16,650
	65 or older	\$17,900

* If you were born on January 1, 1952 you are considered to be age 65 at the end of 2016. (If your spouse died in 2016 or if you are preparing a return for someone who died in 2016, see Pub. 501)

** **Gross income** means all income you received in the form of money, goods, property, and services that isn't exempt from tax, including any income from sources outside the United States or from the sale of your main home (even if you can exclude part or all of it).

- Do not include any social security benefits unless
 - (a) you are married filing a separate return and you lived with your spouse at any time in 2016 or
 - (b) one-half of your social security benefits plus your other gross income and any tax-exempt interest is more than \$25,000 (\$32,000 if married filing jointly).
 If (a) or (b) applies, see the instructions for lines 20a and 20b to figure the taxable part of social security benefits you must include in gross income.
- Gross income includes gains, but not losses, reported on Form 8949 or Schedule D.
- Gross income from a business means, for example, the amount on Schedule C, line 7, or Schedule F, line 9. But, in figuring gross income, do not reduce your income by any losses, including any loss on Schedule C, line 7, or Schedule F, line 9.

*** If you did not live with your spouse at the end of 2016 (or on the date your spouse died) and your gross income was at least \$4,050, you must file a return regardless of your age.

Individuals who do not have a filing requirement based on this chart should also check Chart C, Other Situations When You Must File, and Chart D, Who Should File. Individuals with earned income but who do not have a filing requirement may be eligible for the Earned Income Credit.

Chart B – For Children and Other Dependents

If your parent (or someone else) *can* claim you as a dependent, use this chart to see if you must file a return.

In this chart, **unearned income** includes taxable interest, ordinary dividends, and capital gain distributions. It also includes unemployment compensation, taxable social security benefits, pensions, annuities, and distributions of unearned income from a trust. **Earned income** includes salaries, wages, tips, professional fees, and taxable scholarship and fellowship grants. **Gross income** is the total of your unearned and earned income.

Tax for Certain Children who have Unearned Income (Kiddie Tax)

For children under age 18 and certain older children, unearned income over \$2,100 is taxed at the parent's rate if the parent's rate is higher than the child's. For this purpose, "unearned income" includes all taxable income other than earned income, such as taxable interest, ordinary dividends, capital gains, rents, royalties, etc. It also includes taxable social security benefits, pension and annuity income, taxable scholarship and fellowship grants not reported on Form W-2, unemployment compensation, alimony, and income received as the beneficiary of a trust. If the child's unearned income is more than \$2,100, and the child is required to file a tax return, Form 8615 must be used to figure the child's tax. **Form 8615 is out of scope.**

Chart C – Other Situations When You Must File

You must file a return if any of the conditions below apply for 2016.

1. You owe any special taxes, including any of the following.
 - a. Alternative minimum tax.

 - c. Household employment taxes. But if you are filing a return only because you owe this tax, you can file **Schedule H** by itself.

Notes

Determination of Filing Status – Decision Tree

Footnotes:

1. Answer "NO" to this question if, on the last day of the year, you were legally separated from your spouse under a divorce or separate maintenance decree. Answer "NO" for individuals who have entered into a registered domestic partnership, civil union, or other similar relationship that is not called a marriage under state (or foreign) law. Answer YES if taxpayer is married regardless of where the spouse lives.
2. Include in the cost of upkeep expenses such as rent, mortgage interest, real estate taxes, insurance on the home, repairs, utilities and food eaten in the home. See "Cost of Keeping Up a Home" worksheet on page B-4.
 - Payments received under TANF or other public assistance programs used to pay the costs of keeping up the home cannot be counted as money you paid. These payments must be included in the total cost of keeping up the home to figure if you paid over 1/2 the cost.
 - Amounts paid out of funds received from SSA in the child's or qualifying person's name, or funds received as governmental assistance are considered to be paid by others, not by you.
3. See Publication 17, *Filing Status*, for rules applying to birth, death, or temporary absence during the year. There are special rules for claiming your parent as a qualifying person for head of household. See Page B-3.
4. Unless the child's other parent claims him or her under rules for children of divorced or separated parents or parents who lived apart.
5. You are considered unmarried for head of household purposes if your spouse was a nonresident alien at any time during the year and you do not choose to treat your nonresident spouse as a resident alien. However, your spouse is not a qualifying person for head of household purposes. You must have another qualifying person (use the table on page B-3) and meet the other tests to be eligible to file as a head of household.
6. Your spouse is considered to live in your home even if he or she is temporarily absent due to illness, education, business, vacation or military service.
7. If the taxpayer wants to file MFS, emphasize the advantages to Married Filing Jointly and the possibility of filing Form 8379, Injured Spouse Claim & Allocation (if appropriate). See *Pub 17, Filing Status, MFS Special Rules* for list of disadvantages. Respect a taxpayer's decision to file MFS. If domiciled in a community property state see Pub 555.
8. Generally, only one taxpayer in a home can claim Head of Household filing status. Just because each person has their own children living in a home does not mean they have a separate "household" for this filing status purpose.

Note: If one spouse dies and the other remarries in the same year, the deceased spouse files Married Filing Separately.

Filing Status

Probe/Action: Ask the taxpayer:

step 1	Were you married on December 31 of the tax year? (Answer yes if state common law rules were met; or if your spouse died during the year and you didn't remarry by the end of the year; answer no for individuals who have entered into a registered domestic partnership, civil union, or other similar relationship that isn't called a marriage under state (or foreign) law.)	If YES, go to Step 2. If NO, go to Step 4.
step 2	Do you and your spouse wish to file a joint return?	If YES, STOP. Your filing status is married filing jointly . If NO, go to Step 3. ²
step 3	Do all the following apply? <ul style="list-style-type: none"> • You file a separate return from your spouse • You paid more than half the cost of keeping up your home for the year¹ • Your spouse didn't live in your home during the last 6 months of the tax year³ • Your home was the main home of your child, stepchild, or foster child for more than half the year (a grandchild doesn't meet this test) • You claim an exemption for the child (unless the noncustodial parent claims the child under rules for divorced or separated parents or parents who live apart) 	If YES, STOP. You are considered unmarried and your filing status is head of household . If NO, STOP. Your filing status is married filing separately . ⁵
step 4	Did your spouse die in 2014 or 2015?	If YES, go to Step 5. If NO, go to Step 6.
step 5	Do all the following apply? <ul style="list-style-type: none"> • You were entitled to file a joint return with your spouse for the year your spouse died • You didn't remarry before the end of this tax year • You have a child or stepchild for whom you can claim an exemption and who lived with you all year, except for temporary absences. Don't include a grandchild or foster child. • You paid more than half the cost of keeping up the home for the year¹ 	If YES, STOP. Your filing status is qualifying widow(er) with dependent child . If NO, go to Step 6.
step 6	Do all the following apply? <ul style="list-style-type: none"> • You paid more than half the cost of keeping up the home for the year¹ • A "qualifying person," as defined on page B-3, lived with you in your home for more than 1/2 the year⁴ 	If YES, STOP. Your filing status is head of household . ⁴ If NO, STOP. Your filing status is single .

Footnotes

¹ Include in the cost of upkeep expenses such as rent, mortgage interest, real estate taxes, insurance on the home, repairs, utilities and food eaten in the home. See "Cost of Keeping Up a Home" worksheet on page B-4

• Payments received under TANF or other public assistance programs used to pay the cost of keeping up the home can't be counted as money you paid. These payments must be included in the total cost of keeping up the home to figure if you paid over 1/2 the cost.

• Amounts paid out of funds received from SSA in the child's or qualifying person's name or funds received as government assistance are considered to be paid by others, not by you.

² You are considered unmarried for head of household purposes if your spouse was a nonresident alien at any time during the year and you don't choose to treat your nonresident spouse as a resident alien. However, your spouse isn't a qualifying person for head of household purposes. You must have another qualifying person (use the table on page B-3) and meet the other tests to be eligible to file as a head of household.

³ Your spouse is considered to live in your home even if he or she is temporarily absent due to illness, education, business, vacation or military service.

⁴ You can't use head of household filing status based on any person who is your dependent only because he or she lived with you for the entire year (for example, a companion or a friend).

⁵ If filing a MFS return in a Community Property state, allocate income and expense according to state law. May be treated as out of scope.

Who Is a Qualifying Person Qualifying You To File as Head of Household?¹

DON'T use this chart alone. Use as directed by the interview tips on B-2.

IF the person is your . . .	AND . . .	THEN that person is . . .
qualifying child (such as a son, daughter, or grandchild who lived with you more than half the year and meets certain other tests) ²	he or she is single	a qualifying person, whether or not you can claim an exemption for the person.
	he or she is married <u>and</u> you can claim an exemption for him or her	a qualifying person.
	he or she is married <u>and</u> you can't claim an exemption for him or her	not a qualifying person. ³
qualifying relative ⁴ who is your father or mother	you can claim an exemption for him or her ⁵	a qualifying person. ⁶
	you can't claim an exemption for him or her	not a qualifying person.
qualifying relative ⁴ other than your father or mother.	he or she lived with you more than half the year, <u>and</u> you can claim an exemption for him or her, <u>and</u> is one of the following: son, daughter, stepchild, foster child, or a descendant of any of them; your brother, sister, half-brother, half-sister or a son or daughter of any of them; an ancestor or sibling of your father or mother; or stepbrother, stepsister, stepfather, stepmother, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law or sister-in-law ⁵	a qualifying person.
	he or she didn't live with you more than half the year	not a qualifying person.
	he or she isn't related to you in one of the ways listed above <u>and</u> is your qualifying relative only because he or she lived with you all year as a member of your household (for example, a companion or a friend)	not a qualifying person.
	you can't claim an exemption for him or her	not a qualifying person.

¹ A person can't qualify more than one taxpayer to use the head of household filing status for the year.

² The term "qualifying child" is covered in the Exemptions/Dependency tab. **Note:** If you are a noncustodial parent, the term "qualifying child" for head of household filing status doesn't include a child who is your qualifying child for exemption purposes only because of the rules described under *Children of divorced or separated parents*. If you are the custodial parent and those rules apply, the child generally is your qualifying child for head of household filing status even though the child isn't a qualifying child for whom you can claim an exemption.

³ This person is a qualifying person if the only reason you can't claim the exemption is that you can be claimed as a dependent on someone else's return.

⁴ The term "qualifying relative" is covered in the Exemptions/Dependency tab.

⁵ If you can claim an exemption for a person only because of a multiple support agreement, that person isn't a qualifying person. See *Multiple Support Agreement*, in Pub 17.

⁶ You are eligible to file as head of household even if your parent, whom you can claim as a dependent, doesn't live with you. You must pay more than half the cost of keeping up a home that was the main home for the entire year for your parent. This test is met if you pay more than half the cost of keeping your parent in a rest home or home for the elderly.

Cost of Keeping Up a Home

Keep for Your Records

If the total amount you paid is more than the amount others paid, you meet the requirement of paying more than half the cost of keeping up the home

Note:

Costs you include. Include in the cost of keeping up a home expenses such as rent, mortgage interest, real estate taxes, insurance on the home, repairs, utilities, and food eaten in the home.

If you used payments you received under Temporary Assistance for Needy Families (TANF) or other public assistance programs to pay part of the cost of keeping up your home, you can't count them as money you paid. However, you must include them in the total cost of keeping up your home to figure if you paid over half the cost.

Costs you don't include. Don't include the cost of clothing, education, medical treatment, vacations, life insurance, or transportation. Also, don't include the rental value of a home you own or the value of your services or those of a member of your household.

Exemptions

- Exemptions reduce the taxpayer's taxable income
- Exemption Amount: \$4,050
- Two types:
 1. Personal exemptions—one exemption for the taxpayer and, if married, one for his or her spouse; unless either can be claimed as a dependent by another person.
 2. Exemptions for dependents—one exemption for each qualifying child or qualifying relative.
- Apply the rules for exemptions for dependents using the worksheets in the Form 1040 instructions and the interview tips in this publication.
- Taxpayers who **can** be claimed as a dependent on someone else's return can't claim any exemptions for themselves or their own qualifying child or qualifying relative. This is true even if the other person doesn't claim the dependent's exemption.

Definitions:

Student: To qualify as a student, your child must be, during some part of each of any 5 calendar months of the year:

1. A full-time student at a school that has a regular teaching staff, course of study, and a regularly enrolled student body at the school, or
2. A student taking a full-time, on-farm training course given by a school described in (1), or by a state, county, or local government agency.

The 5 calendar months don't have to be consecutive.

An on-the-job training course, correspondence school, or school offering courses **only** through the Internet doesn't count as a school for dependency exemption purposes.

Permanently and Totally Disabled: Your child is permanently and totally disabled if both of the following apply.

1. He or she can't engage in any substantial gainful activity because of a physical or mental condition.
2. A doctor determines the condition has lasted or can be expected to last continually for at least a year or can lead to death.

Custodial and Noncustodial Parent: The custodial parent is the parent with whom the child lived the greater number of nights during the year. The other parent is the noncustodial parent. If the child lived with each parent for an equal number of nights during the year, the custodial parent is the parent with the higher adjusted gross income.

Foster Child: A foster child is an individual who is placed with you by an authorized placement agency or by judgement, decree, or other order of any court of competent jurisdiction.

Personal Exemptions

Probe/Action: Ask the taxpayer:

step 1	Were you married during any part of the tax year? (Answer YES if state common law rules were met.)	If YES , go to Step 2. If NO , go to Step 7.
step 2	Were you still married on December 31 of the tax year?	If YES , go to Step 5. If NO , go to Step 3. Note: Abandonment doesn't change marital status—answer YES if the taxpayer's responses to Steps 3 and 4 are NO.
step 3	Did you obtain a final decree of divorce or separate maintenance by December 31 of the tax year?	If YES , you can't claim a personal exemption for your former spouse. Go to Step 7 to determine if you can claim your own personal exemption. If NO , go to Step 4.
step 4	Did your spouse die during the tax year? ¹	If YES , go to Step 5. If NO , go back through Steps 1–3 and clarify answers.
step 5	Are you filing a joint tax return?	If YES , go to Step 7. If NO , go to Step 6.
step 6	Did your spouse (including a nonresident alien spouse) have any gross income or can anyone else claim your spouse as a dependent? ²	If YES to either, you can't claim a personal exemption for your spouse. Go to Step 7 to see about your own personal exemption. If NO to both, you can claim a personal exemption for your spouse. Go to Step 7 to see about your own personal exemption.
step 7	Can anyone claim you (or your spouse if filing jointly) as a dependent on his or her return? ³	If YES , you can't claim a personal exemption for yourself or your spouse. If NO , you can claim a personal exemption for yourself (and your spouse, if filing jointly).

¹ If his or her spouse died during the year, the taxpayer can claim the spouse's exemption if the taxpayer didn't remarry during the year. See Publication 17 for other considerations.

² If married filing separately, the taxpayer can take his or her own exemption if no other taxpayer is entitled to claim him or her as a dependent.
If married filing separately, the taxpayer can claim his or her spouse's exemption if the spouse had no gross income, isn't filing a return, and can't be claimed as a dependent on another person's return.

You can claim an exemption for your nonresident alien spouse on your separate return, provided your spouse has no gross income for U.S. tax purposes, has a SSN or ITIN, and isn't the dependent of another U.S. taxpayer.

³ If married filing jointly (other than to claim a refund of income tax withheld or estimated tax paid), the taxpayer can't be a dependent on another person's return.

Overview of the Rules for Claiming an Exemption for a Dependent

Caution: This table is only an overview of the rules. For details, see Publication 17.

- You can't claim any dependents if you, or your spouse if filing jointly, could be claimed as a dependent by another taxpayer.
- You can't claim a married person who files a joint return as a dependent unless that joint return is only to claim a refund of income tax withheld or estimated tax paid.
- You can't claim a person as a dependent unless that person is a U.S. citizen, U.S. resident alien, U.S. national, or a resident of Canada or Mexico.¹
- You can't claim a person as a dependent unless that person is your **qualifying child** or **qualifying relative**.

Tests To Be a Qualifying Child	Tests To Be a Qualifying Relative
1. The child must be your son, daughter, stepchild, foster child, brother, sister, half brother, half sister, stepbrother, stepsister, or a descendant of any of them.	1. The person can't be your qualifying child or the qualifying child of any other taxpayer. A child isn't the qualifying child of any other taxpayer if the child's parent (or any other person for whom the child is defined as a qualifying child) isn't required to file an income tax return or files an income tax return only to get a refund of income tax withheld.
2. The child must be: (a) under age 19 at the end of the year and younger than you (or your spouse, if filing jointly), (b) under age 24 at the end of the year, a full-time student, and younger than you (or your spouse, if filing jointly), or (c) any age if permanently and totally disabled.	2. The person either (a) must be related to you in one of the ways listed under <i>Relatives who don't have to live with you</i> (see Table 2, step 2), or (b) must live with you all year as a member of your household ² (and your relationship must not violate local law).
3. The child must have lived with you for more than half of the year. ²	3. The person's gross income for the year must be less than \$4,050. ³ Gross income means all income the person received in the form of money, goods, property and services, that isn't exempt from tax. Don't include social security benefits unless the person is married filing a separate return and lived with their spouse at any time during the tax year or if 1/2 the social security benefits plus their other gross income and tax exempt interest is more than \$25,000 (\$32,000 if MFJ).
4. The child must not have provided more than half of his or her own support for the year. ⁵	4. You must provide more than half of the person's total support for the year. ⁵
5. The child isn't filing a joint return for the year (unless that joint return is filed only to claim a refund of income tax withheld or estimated tax paid).	
6. If the child meets the rules to be a qualifying child of more than one person, you must be the person entitled to claim the child as a qualifying child. See the "Qualifying Child of More Than One Person" chart.	

¹There is an exception for certain adopted children.

²There are exceptions for temporary absences, children who were born or died during the year, children of divorced or separated parents or parents who live apart, and kidnapped children.

³There is an exception if the person is disabled and has income from a sheltered workshop.

⁴There are exceptions for multiple support agreements, children of divorced or separated parents or parents who live apart, and kidnapped children.

⁵A worksheet for determining support is provided on page C-9. If a person receives social security benefits and uses them toward his or her own support, those benefits are considered as provided by the person. Benefits provided by the state to a needy person (welfare, food stamps, housing, SSI) are generally considered support provided by the state.

Qualifying Child of More Than One Person

If the child meets the conditions to be the qualifying child of more than one person, only one person can claim the child as a qualifying child for all of the following tax benefits, unless the special rule for children of divorced or separated parents applies.

- Dependency Exemption
- Head of Household
- Credit for Child and Dependent Care Expenses
- Child Tax Credit
- Earned Income Credit
- Exclusion from income for Dependent Care Benefits

No other person can take any of the six tax benefits listed above unless he or she has a different qualifying child. If you and any person can claim the child as a qualifying child, the following tiebreaker rules apply. See the example below if no parent claims the child.

If only one of the persons is the child's parent, the child is treated as the qualifying child of the parent.

If the parents file a joint return together and can claim the child as a qualifying child, the child is treated as the qualifying child of the parents.

If the parents don't file a joint return together but both parents claim the child as a qualifying child, the IRS will treat the child as the qualifying child of the parent with whom the child lived for the longer period of time during the year. If the child lived with each parent for the same amount of time, the IRS will treat the child as the qualifying child of the parent who had the higher adjusted gross income (AGI) for the year.

If no parent can claim the child as a qualifying child, the child is treated as the qualifying child of the person who had the highest AGI for the year.

If a parent can claim the child as a qualifying child but no parent claims the child, the child is treated as the qualifying child of the person who had the highest AGI for the year, but only if that person's AGI is higher than the highest AGI of any of the child's parents who can claim the child. If the child's parents file a joint return with each other, this rule can be applied by dividing the parents' combined AGI equally between the parents.

Example: Your daughter meets the conditions to be a qualifying child for both you and your mother. Under the rules above, you are entitled to treat your daughter as a qualifying child for all of the six tax benefits listed above for which you otherwise qualify. Your mother isn't entitled to take any of the six tax benefits listed above unless she has a different qualifying child. However, if your mother's AGI is higher than yours, you can let your mother treat your daughter as her qualifying child. If you do that, your daughter isn't your qualifying child for any of the six benefits.

For more details and examples, see Pub. 17 and 501.

Table 1: Dependency Exemption

Begin with this table for both Qualifying Child and Qualifying Relative dependents.

Probe/Action: Ask the taxpayer:

step 1	Can you or your spouse (if filing jointly) be claimed as a dependent on someone else's tax return this year?	If YES : If you can be claimed as a dependent by another person, you may not claim anyone else as your dependent. If NO : Go to Step 2
step 2	Was the person married as of December 31, 2016?	If YES : Go to Step 3 If NO : Go to Step 4

If NO : This person isn't your qualifying child. Go to Table 2: Dependency Exemption for Qualifying Relative
step 8	Did the person provide more than half of his or her own support ³ for the year?	If YES : You can't claim this person as a dependent If NO : Go to Step 9
step 9	Is the person a qualifying child of any other person?	If YES : Go to the chart: Qualifying Child of More Than One Person If NO : You can claim this person as a dependent

Footnotes:

¹ A person is permanently and totally disabled if he or she can't engage in any substantial gainful activity because of a physical or mental condition, AND a doctor determines the condition has lasted or can be expected to last continuously for at least a year or can lead to death.

² A child is considered to have lived with you during periods of time when one of you, or both, are temporarily absent due to special circumstances such as illness, education, business, vacation, military service or detention in a juvenile facility. In most cases a child of divorced or separated parents is the qualifying child of the custodial parent. See Table 3: Children of Divorced or Separated Parents

or Parents Who Live Apart to see if an exception applies. There is an exception for kidnapped children. See Publication 17, Personal Exemptions and Dependents

³ A worksheet for determining support is included later in this section. If a child receives social security benefits and uses them toward his or her own support, those benefits are considered as provided by the child. Benefits provided by the state to a needy person (welfare, food stamps, housing, SSI) are generally considered support provided by the state.

interview tips

You must start with Table 1. (To claim a qualifying relative dependent, you must first meet the Dependent Taxpayer, Joint Return and Citizen or Resident Tests in steps 1-4 of Table 1)
Probe/Action: Ask the taxpayer:

<p>step 1</p>	<p>Is the person your qualifying child or the qualifying child of any other taxpayer? A child isn't the qualifying child of any other taxpayer if the child's parent (or any other person for whom the child is defined as a qualifying child) isn't required to file a U.S. income tax return or files an income tax return only to get a refund of income tax withheld.</p>	<p>If YES, the person isn't a qualifying relative. (See Qualifying Child Interview Tips.) If NO, go to Step 2.</p>
<p>step 2</p>	<p>Was the person your son, daughter, stepchild, foster child, or a descendant of any of them (i.e., your grandchild)? OR Was the person your brother, sister, half-brother, half-sister, or a son or daughter of any of them? OR Was the person your father, mother, or an ancestor or sibling of either of them? OR Was the person your stepbrother, stepsister, stepfather, stepmother, son-in-law, daughter-in-law, father-in-law, mother-in-law, brother-in-law, or sister-in-law?¹</p>	<p>If NO, go to Step 3. If YES, go to Step 4. Note: The relatives listed in Step 2 are considered "Relatives who don't have to live with you"</p>
<p>step 3</p>	<p>Was the person any other person (other than your spouse) who lived with you all year as a member of your household?²</p>	<p>If NO, you can't claim this person as a dependent. Footnotes:

¹ Any of these relationships that were established by marriage aren't ended by death or divorce.

² A person doesn't meet this test if at any time during the year the relationship between you and that person violates local law.

³ For purposes of this test, the gross income of an individual who is permanently and totally disabled at any time during the year doesn't include income for services the individual performs at a sheltered workshop.

Gross income means all income the person received in the form of money, goods, property and services, that isn't exempt from tax. Don't include social security benefits unless the person is married filing a separate return and lived with their spouse at any time

during the tax year or if 1/2 the social security benefits plus their other gross income and tax exempt interest is more than \$25,000 (\$32,000 if MFJ).

⁴ A worksheet for determining support is included at the end of this section.

See Table 3 for the exception to the support test for children of divorced or separated parents or parents who live apart.

If a child receives social security benefits and uses them toward his or her own support, those benefits are considered as provided by the child. Benefits provided by the state to a needy person (welfare, food stamps, housing, SSI), or for a foster child are generally considered support provided by the state.

interview tips

Table 3: Children of Divorced or Separated Parents or Parents Who Live Apart

(Use this table when directed from Table 1 or Table 2 to determine if the exception applies to the qualifying child residency test or the qualifying relative support test)
Probe/Action: Ask the taxpayer:

<p>step 1</p>	<p>Did the child receive over half of his or her support from the parents who are: Divorced OR Legally separated under a decree of divorce or separate maintenance OR Separated under a written separation agreement OR Lived apart at all times during the last 6 months of the year?</p>	<p>If YES, go to Step 2. If NO, Table 3 doesn't apply.</p>
<p>step 2</p>	<p>Was the child in the custody of one or both parents for more than half the year?¹</p>	<p>If YES, go to Step 3. If NO, Table 3 doesn't apply.</p>
<p>step 3</p>	<p>Did the custodial parent (parent with whom the child lived for the greater number of nights during the year) provide the taxpayer a signed written declaration (Form 8332, a copy of Form 8332, or similar document) releasing his or her claim to the exemption for the child?</p>	<p>If YES, the Table 3 exception applies.² Return to the appropriate step in Table 1 or Table 2. If NO, go to Step 4.</p>
<p>step 4</p>	<p>Are either of the following statements true? The taxpayer has a Post-1984 and Pre-2009 decree³ or agreement that is applicable for the current tax year and states all three of the following? 1. The noncustodial parent can claim the child as a dependent without regard to any condition, such as payment of support. 2. The other parent won't claim the child as a dependent for the year. 3. The years for which the noncustodial parent can claim the child as a dependent. OR The taxpayer has a Pre-1985 decree of divorce or separation maintenance or written separation agreement between the parents that provide that the noncustodial parent can claim the child as a dependent, and the noncustodial parent provides at least \$600 for support of the child during the current tax year?</p>	<p>If YES, the Table 3 exception applies. Return to the appropriate step in Table 1 or Table 2. If NO, Table 3 doesn't apply.</p>

Footnotes:

¹ If the child is emancipated under state law, either by reaching age of majority or other means, child is treated as not living with either parent (see Pub 17).

² **Post-2008 decree or agreement.** If the divorce decree or separation agreement went into effect after 2008, the noncustodial parent can't attach pages from the decree or agreement instead of Form 8332. The custodial parent must sign, and the noncustodial parent must attach to his or her return, either Form 8332, or a copy of Form 8332 or a substantially similar statement the only purpose of which is to release the custodial parent's claim to a child.

³ Post-1984 and Pre-2009 divorce decrees or agreements:

The noncustodial parent must attach all of the following pages from the decree or agreement.

- Cover page (include the other parent's SSN on that page)
- The pages that include all the information identified in (1) through (3) above
- Signature page with the other parent's signature and date of agreement.

Release of exemption revoked

A custodial parent who has revoked his or her previous release of a claim to exemption for a child must attach a copy of the revocation to his or her return. For the revocation to be effective for current tax year, the custodial parent must have given (or made reasonable efforts to give) written notice of the revocation to the noncustodial parent in the prior tax year or earlier. (See Form 8332 for more details)

Other decrees or agreements that don't meet step 4: Non-custodial parents must attach the Form 8332, or a copy of Form 8332 or similar statement to their return.

Worksheet for Determining Support

Funds Belonging to the Person You Supported

If a Form W-2 can't be obtained from the employer, check the box to indicate this is a substitute W-2. TaxSlayer® will generate a Form 4852, Substitute for W-2

Indicate if W-2 is for Taxpayer or Spouse

If the taxpayer has an ITIN, you will be prompted to enter the ITIN or SSN as shown on the original W-2.

ITIN SSN:
 - -

Compare this address to Form W-2 address. If the address on the W-2 is different, correct the W-2 address here to match the original Form W-2. This won't change the tax return address.

Review box 2 and box 17 to ensure tax withheld was entered and is correct

The entries in boxes 3, 4, 5, 6 and 16 will auto-populate based on the Box 1 entry. If the figures don't match taxpayer's Form W-2, correct the data so that it matches the information on Form W-2.

If there is an entry in Box 10, Form 2441 must be completed.

Be sure to complete Box 11 if there is an entry on the original Form W-2. An entry here may indicate that the taxpayer is receiving deferred compensation earned in a prior year.

Form W-2 ALERT!

IRS requires that information on electronically filed Form(s) W-2 match the printed Form(s) W-2 exactly.

A taxpayer with multiple Forms W-2 could possibly have a different address on several, if not all, of the Forms W-2.

Check them carefully; the change must be made on every Form W-2 that is different from the current address

Be sure to enter every item from the taxpayer's original W-2 – **key what you see**

CAUTION: If the taxpayer earned tips that weren't reported to the employer, enter in the Unreported Tips box. This will add Form 4137 to the return.

If the taxpayer received tips that weren't reported to the employer because they were less than \$20 a month, go to other taxes, select Form 4137 and also enter the amount there.

Form W-2 Instructions (continued)

Be sure to check box 13 as indicated on Forms W-2. This is important in calculating the deductibility of IRA contributions.

The screenshot shows the software interface for entering Form W-2 data. At the top, there are two columns for Box 12 (Code and Amount) and Box 14 (Code and Amount). Below these are checkboxes for Box 13: Statutory Employee, Retirement Plan, and Third Party Pay. A 'State Information' section includes a 'Clear' button and fields for State Name (a dropdown menu), State EIN, St Wages, St Tax Paid, Local Wages, Local Tax Paid, and Local Name. An 'Add State' button is located at the bottom left of the State Information section. 'Cancel' and 'Continue' buttons are at the bottom right.

For Box 12 and 14, choose the code from the drop-down menu and enter the dollar amount. If there are more than 4 items in box 12, enter those items that don't impact the return in box 14 such as code DD.

If choosing "Other" for Box 14, be sure to use the information in other sections of the return, if appropriate (i.e., pension contribution impacting Saver's Credit.)

 The payer may calculate the tax-free amount and show the correct taxable amount in Box 2a. In that case, simply enter the amounts shown on the 1099-R. Don't use the worksheet.
 If the payer doesn't calculate the taxable amount, Box 2b will be marked, and Box 2a may be blank, zero or the same as Box 1. In that case, use the Simplified Method.

If Simplified Method is required, click here for Worksheet.

Box 2b offers "Taxable amount not determined" and "Total distribution". Mark exactly as shown on document.

If Box 4 has an entry, ensure that the tax withheld is entered and is correct.

Box 5 on the document may be current year's amount of employee contributions or insurance premiums.
 If Box 5 is the same as Box 1, none of the distribution is taxable. If the payer has calculated the taxable amount of the pension in Box 2, generally the difference between Boxes 1 and 2 will appear in Box 5. If Box 5 is the amount of health insurance premiums, (typically only on a CSA 1099-R) you must MANUALLY carry the amount to the Schedule A, Itemized Deductions.

Box 7 is a required entry – enter exactly as shown on document. If IRA/SEP/Simple is marked, check to enter exactly as on document.

Box 9b shows the total employee contributions and may be needed if Box 2 has no entry – usually requires Worksheet (see Box 2a)

Form CSA 1099-R—Civil Service Retirement Benefits—The Office of Personnel Management issues Form CSA 1099-R for annuities paid or Form CSF 1099-R for survivor annuities paid. - The Simplified Method must be used.
- Enter box 9b on line 1 of the Simplified Method section, if applicable.
- Complete the other required entries of the Simplified Method section.
- Amounts in box 5 are for health insurance premiums paid by the annuitant (and need to be manually entered on the Schedule A worksheet).

Form 1099-R Simplified Method

If the taxpayer made after-tax contributions toward a pension, a portion of the annuity payment has already been taxed and isn't taxable now. Generally, if the starting date of the payments was prior to July 2, 1986, the Simplified Method wouldn't apply. If the taxpayer used the 3-year rule, the annuity is fully taxable. If he used the general rule, refer the taxpayer to a professional tax preparer.

Since 1986, the employee's total after tax contribution is distributed over a number of months that represents the average life expectancy of someone who is this age (when they began receiving payments).

Gross distribution amount (from 1099-R): \$5,000.00

Plan cost at annuity start date: \$

Starting date of annuity: MM DD YYYY

Check here if this a Joint or Survivor Annuity.

Death benefit exclusion: \$

Age of recipient at start date:

*If joint or survivor annuity, add ages of recipients

Number of months paid in 2015:

Amounts previously recovered: \$

Enter the Plan cost (shown in Box 9b of 1099-R)

Enter the age of the taxpayer on the date the pension started – this may be different than the taxpayer's age at the end of that year.

For a joint or survivor annuity, add the ages of both spouses on the start date. For the beneficiary of an employee who died, see Publication 575, Pensions and Annuities.

The taxable amount is calculated and shown on the original 1099-R.

If retired public safety officer (PSO) has both health insurance deduction and simplified method, complete the simplified method first, then delete the simplified method worksheet and manually subtract insurance premiums (up to \$3,000) from calculated taxable income in Box 2. Deduct excess premiums on Itemized Deductions screen.

Enter the amount that could have been recovered tax free in prior years even if not claimed. Look at last year's tax return to find this amount, or calculate the amount using the monthly tax free amount computed by TaxSlayer for the 2016 tax year times the number of months prior to 2016.*

To save time for next year's preparer, enter a Note with the taxpayer's annuity start date, age at the start date, and amounts previously recovered.

Check if Code 3 is in box 7—and the taxpayer is disabled and under the minimum retirement age of the employer's plan. This will put this disability income on Line 7 of Form 1040, instead of Line 16. It will also be used in calculation of some credits.

Rollovers

* A taxpayer should not receive a Form 1099-R for a trustee-to-trustee transfer from one IRA to another, but should receive a Form 1099-R for a trustee-to-trustee direct rollover from an employer qualified plan to an IRA with code G.

* A rollover that involves a distribution of funds to the participant isn't taxable if the funds are deposited into an IRA (or the same IRA) or an employer plan within 60 days. Form 1099-R will have either a code 1 or code 7.

* A participant is allowed only one rollover from an IRA to another (or the same) IRA in any 12-month period, regardless of the number of IRAs owned. However, you can continue to make unlimited trustee-to-trustee transfers between IRAs because it is not considered a rollover.

* Sometimes a distribution includes both a regular distribution (generally taxable) and a rollover (generally non-taxable). The Form 1099-R Rollover or Disability section is used to input the amount that won't be taxed.

* If taxpayer inadvertently missed the 60-day rollover deadline for one of several reasons, he can submit a certification to the trustee, and the amount can be considered a rollover on his tax return. See Revenue Procedure 2016-47 for details.

Note: The above applies to pre-tax accounts (e.g. traditional IRAs) and to post-tax accounts (e.g. Roth IRAs) within each group. If rolling or converting from pre-tax to post-tax, the amount will generally be taxable.

Form 1099-R Roth IRA

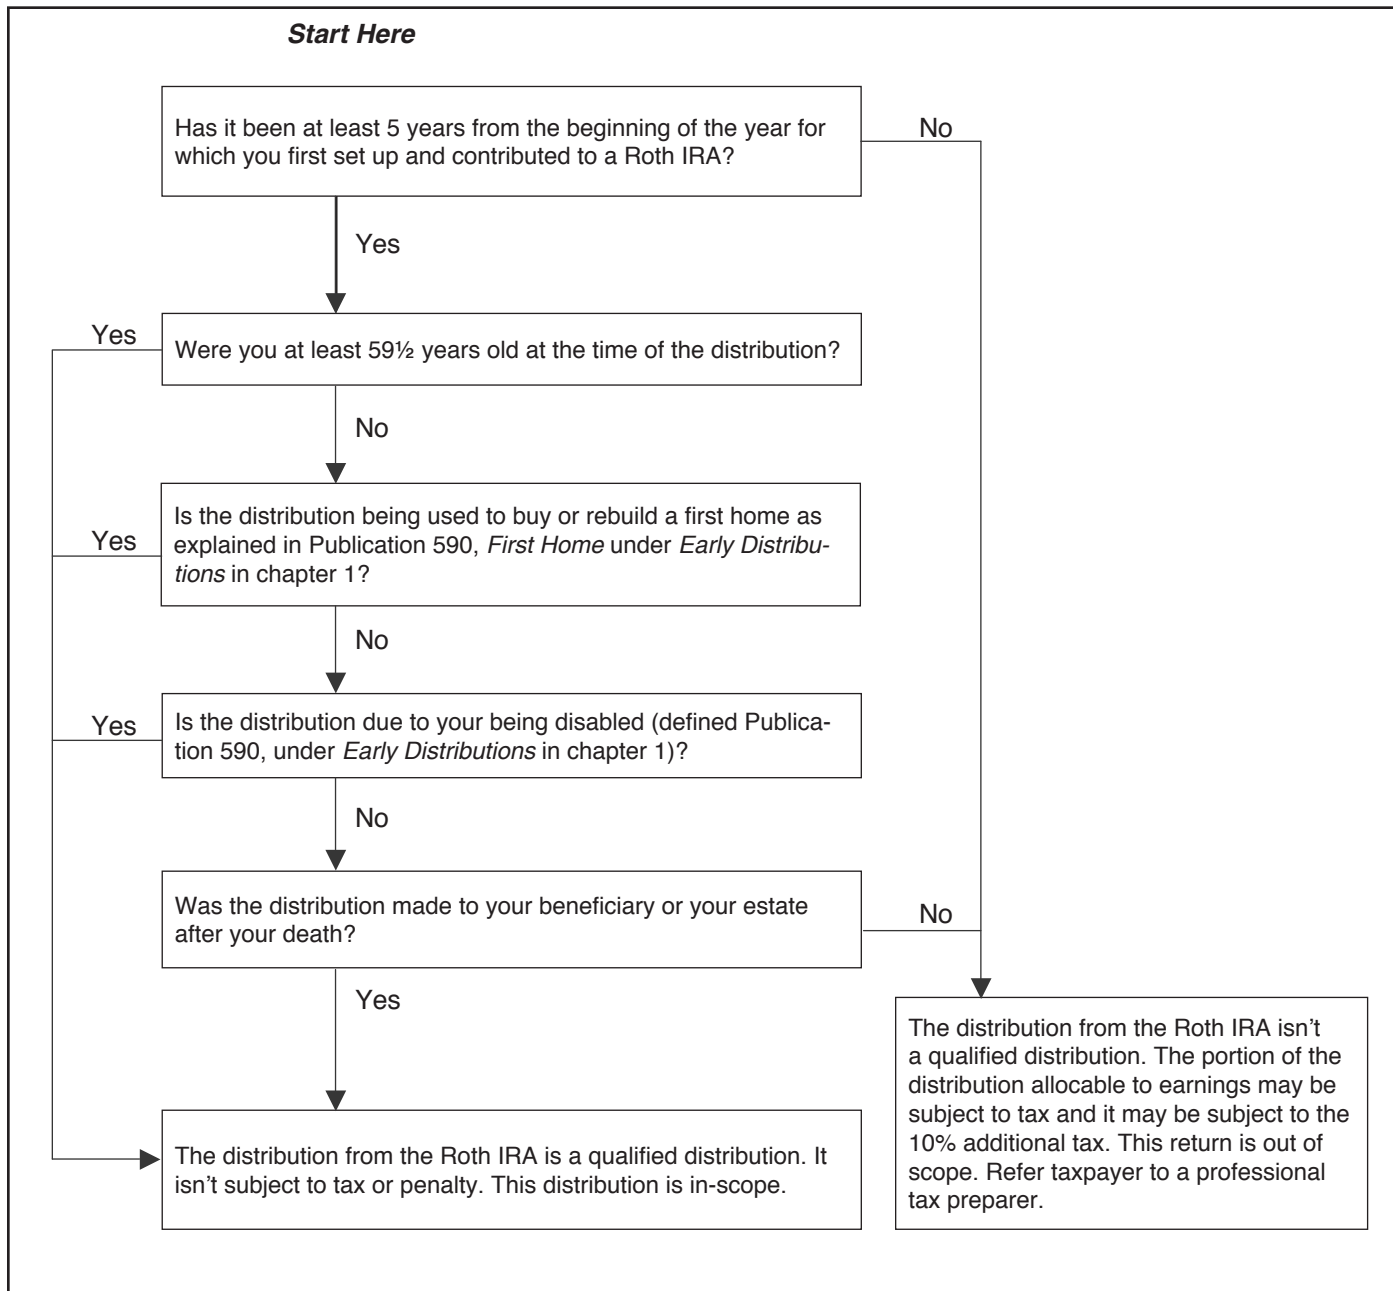

Basis of distributed property. The basis of property distributed from a Roth IRA is its fair market value (FMV) on the date of distribution, whether or not the distribution is a qualified distribution.

You don't include in your gross income qualified distributions or distributions that are a return of your regular contributions from your Roth IRA(s).

Distributions from a Roth IRA are tax free and may be excluded from income if the following requirements are met:

- The distribution is made after the 5-year period beginning with the first day of the first taxable year for which a contribution was made to a Roth IRA set up for the taxpayer's benefit, *and*
- The distribution is:
 - Made on or after age 59½, or
 - Made because the taxpayer was disabled, or
 - Made to a beneficiary or to an estate, or
 - To pay certain qualified first-time homebuyer amounts (up to a \$10,000 lifetime limit)

Form 1099-R Box 7 Distribution Codes

Box 7 Distribution Codes	Explanations
1 — Early distribution, no known exception.	<ul style="list-style-type: none"> • If this amount was rolled over within 60 days of the withdrawal and—if the distribution was from an IRA--no prior rollover was made in the same 12-month period, enter the amount rolled over in Line 1 of the Exclusion Worksheet below the 1099-R screen. Trustee to trustee transfer isn't considered a prior rollover. If more than one rollover from an IRA in the 12-month period, return is out of scope. • If this wasn't rolled over, a 10% additional tax will be applied unless the taxpayer qualifies for an exception. See page Tab H for a list of exceptions. If the taxpayer qualifies for an exception, check the box on the 1099-R just below Box 7 that says, "Click here to force Form 5329." Go to Form 5329, enter the amount that qualifies for an exception and select the reason for the exception from the dropdown list.
2 — Early distribution, exception applies.	Code 2 applies if the taxpayer is under 59 ½ but the payer knows that an exception to the additional tax applies. If the IRA/SEP/SIMPLE box ISN'T checked, no further action needed. If the IRA/SEP/SIMPLE box IS checked, additional reporting may be required on Form 8606, and the return is out of scope.
3 — Disability.	Code 3 is for a disability pension. <ul style="list-style-type: none"> • If the taxpayer is under the minimum retirement age for the company he retired from, then check the box on the 1099-R just below Box 9b that says, "Check here to report... on Line 7." This will put this disability income on Line 7 of Form 1040 instead of Line 16. It will also include the amount in earned income for calculation of the earned income credit, the dependent care credit and the additional child tax credit. • If the taxpayer has reached the minimum retirement age, no further action is needed.
4 — Death.	Code 4 is for a survivor's benefit or an inherited IRA. If it's a pension, the original retiree has died, and the survivor is receiving his or her share of the pension. If the original pensioner was using the Simplified Method, continue to use it for the survivor. If it's an inherited IRA and the original owner had a basis, the survivor takes over that basis.
5 — Prohibited transaction.	This code is out of scope.
6 — Tax-free Section 1035 exchange.	This code is out of scope.
7 — Normal distribution.	Code 7 is for normal distributions. It may occur in several different situations: <ul style="list-style-type: none"> • If the amounts in Box 1 and 2 are the same, and Box 2b isn't checked, the pension is fully taxable. • If the taxpayer makes a rollover from one IRA to another and holds the money less than 60 days, enter the amount rolled over on the Exclusion Worksheet, line 1. This will check the "rollover" box at Line 15 of Form 1040. Link out from there and enter a description of the rollover. • If the Box 2b is checked and there is an amount in Box 9b, complete the Simplified Method at the bottom of the 1099-R screen. Be sure to use the taxpayer's age at the time of retirement—not current age. • If there is an amount in Box 2 that is different than Box 1, no further action is needed. • If there is no amount (or zero) in Box 2, check to see if there is an amount in Box 5. If this is the same amount as Box 1, the distribution is the taxpayer's own money coming back. Enter the Box 5 amount on line 5 of the Exclusion Worksheet. None of the distribution will be taxed. • If any portion of this distribution was sent directly from the trustee to a charity, enter the amount on Line 2 of the Exclusion Worksheet. It won't be included in gross income. No charitable deduction may be taken for the donation.
8 — Excess contributions	This code is out of scope.
9 — Cost of current life insurance	This code is out of scope
A — May be eligible for 10-year tax option.	This code is out of scope.

Form 1099-R Box 7 Distribution Codes (continued)

Box 7 Distribution Codes	Explanations
B — Designated Roth account distribution	Code B is for a distribution from a designated Roth account. This code is in scope only if taxable amount has been determined.
D — Annuity payments from nonqualified annuities	Code D is used for a distribution from a private annuity in conjunction with the regular code. The distribution is subject to the net investment income tax. If the taxpayer has AGI over a threshold amount (\$200,000 for a single taxpayer or HoH, \$250,000 MFJ or QW, \$125,000 MFS), then this code means the return is out of scope. If the AGI is less than the threshold amount the return is in scope and no further action is needed.
E — Distributions under Employee Plans Compliance Resolution System (EPCRS).	This code is out of scope.
F — Charitable gift annuity.	Code F is used for the annuity payments from a charitable gift annuity. The difference between the distribution in Box 1 and the capital gain shown in Box 3 will appear on Line 15 of the 1040. Schedule D must be completed to report the capital gain. Describe it as "From 1099-R". The gain should be the amount in Box 3, and the gain is long term.
G — Direct rollover of distribution and direct payment.	Code G is for a direct rollover from a qualified plan to an eligible retirement plan. Change Box 2a to match the amount in 2a on the document. If there is an amount in box 2, the direct rollover is fully or partially taxable.
H — Direct rollover of a designated Roth account distribution to a Roth IRA.	Code H is for a direct rollover of a distribution from a designated Roth account to a Roth IRA. It won't be taxed. No further action is needed.
J — Early distribution from a Roth IRA.	This code is out of scope.
K — Distribution of IRA assets not having a readily available FMV	This code is out of scope.
L — Loans treated as deemed distributions	Code L is for loans treated as deemed distributions. This code could possibly be combined with codes 1, 4, or B. For more information on how it is treated see the codes on this chart.
N — Recharacterized IRA contribution.	This code is out of scope.
P — Excess contributions plus earnings/excess deferrals	This code is out of scope.
Q — Qualified distribution from a Roth IRA.	This distribution is not taxable. Be sure Box 2a matches the amount on the document.
R — Recharacterized IRA contribution.	This code is out of scope.
S — Early distribution from a SIMPLE IRA in the first 2 years, no known exception.	A 25% additional tax will be applied unless the taxpayer qualifies for an exception. See Tab H for a list of exceptions. If the taxpayer qualifies for an exception, go to Form 5329. Enter the code for the exception and the amount that qualifies for it.
T — Roth IRA distribution, exception applies.	This code is out of scope.
U — Dividends distributed from an ESOP	This code is out of scope.
W — Charges or payments for LTC contracts	This code is out of scope

Form 1099-R Nontaxable Income

Qualified Charitable Distribution (QCD) may be used if the person was at least 70½. This makes that portion of the distribution non-taxable. The taxpayer doesn't get a charitable deduction of that amount, if itemizing.

1099-R Nontaxable Income

Nontaxable Distribution

If part or all of your 1099-R distribution(s) was for any of the following reasons, please check the appropriate box.

Important: The amount that you enter as the Taxable Amount in Box 2a for each 1099-R will be carried to your return as taxable income. If any of the exclusions apply, do not include the excludable amount in Box 2a for the appropriate 1099-R. Only include in Box 2a the amount that you want reported on your return as taxable income.

Exceptions:

- Check here to mark this as a Qualified Charitable Distribution (QCD) on your return.
- Check here to mark this as a qualified health savings account (HSA) funding distribution (HFD) on your return.
- Check here if you are an eligible retired public safety officer, and part of your distribution was used to pay the premiums for accident or health insurance, or to pay long-term care insurance.

Retired Public Safety Officer (PSO) may have up to \$3,000 for health and/or long-term care (LTC) insurance, if paid directly from the retirement plan. The remainder, if any, is entered on Sch A, Itemized Deductions as insurance cost. The insurance can be for the taxpayer, spouse and family. When Box 7 is Code 4, the PSO deduction may no longer be used.

Qualified Health Savings Account funding distribution from an IRA (related to a Form 1099-R) if rolled over, is out of scope.

If any of the self-employment income is reported on Form 1099-MISC, Miscellaneous Income, select **Form 1099-Misc**. In most cases, self-employment income reported on a Form 1099-MISC will be in Box 7, Nonemployee compensation.

Select **Profit or Loss From A Business (Schedule C)** to enter self-employment **income** that isn't reported on a Form 1099-MISC. This would include income reported on Form 1099-K, Payment Card and Third Party Network Transactions, as well as all other cash and any other income received related to the business activity. Also, enter **expenses** related to the self-employment income.

Note: A taxpayer that received less than \$600 in income from one payer may not receive a Form 1099-MISC. This income **must** still be reported.

Schedule C or C-EZ Form 1099-MISC

Note: There is usually no income tax withholding on a Form 1099-MISC. But always double check to make sure!

On a joint return, indicate if the Form 1099-MISC recipient is the Taxpayer or the Spouse.

The Payer Information relates to the entity that paid the taxpayer and issued the Form 1099-MISC. In most cases, the Federal ID will be an employer identification number, not an SSN.

Self-employment income generally appears in box 7, **Nonemployee compensation**. If there is income reported in other boxes and it was earned by the business, it should also be reported as other business income on the Schedule C or C-EZ.

Schedule C or C-EZ - Questions about your Business

To be in scope, the accounting method must be **Cash** and there can be no inventory, no cost of goods sold, no employees, no business use of the home, and no depreciation (completing Form 4562).

In most cases, the taxpayers do materially participate in the business. This means that the taxpayer ran the business and did the work.

If the taxpayer has a business loss carried over from another tax year or is required to file a Form 1099, the tax return is out of scope.

Contract Labor	\$	Rent or lease of equipment	\$
Commission and fees	\$	Rent or lease of property	\$

To be deductible, a business expense must be both ordinary and necessary. An ordinary expense is one that is common and accepted in your industry. A necessary expense is one that is helpful and appropriate for your trade or business. An expense does not have to be indispensable to be considered necessary.

Note: Car and truck expenses aren't entered on this page. Those expenses are entered on a separate page.

Note: Rentals or leases of equipment for more than 30 days are out of scope.

Caution: Expenses that aren't deductible include Bribes and Kickback; charitable contributions; demolition expenses or losses; and dues to business, social, athletic, luncheon, sporting, airline, and hotel clubs.

Enter a brief description of the vehicle; for example, 2008 Ford.

Business miles: Miles related to the business activity that aren't commuting miles.

Commuting miles: Miles driven each day from home to the first business location and driven from the last business location back home.

Other: Miles driven for personal purposes.

Note: The total of **Business**, **Commuting** and **Other** miles should add up to the total miles on the vehicle for the year.

Caution: Refer to Tab F, Deductible Transportation Expenses, for help determining deductible business mileage and non-deductible commuting mileage. For additional information and examples, see Publication 463, *Travel, Entertainment, Gift, and Car Expenses*.

Note: The car and truck expense deduction will automatically be calculated using the standard mileage rate, based on the number of business miles entered. The rate is 54 cents per mile for tax year 2016. In addition, the taxpayer can deduct the cost of parking and tolls.

Note: If you are self-employed and use your car in your business, you can deduct the business part of state and local personal property taxes on motor vehicles on Schedule C or C-EZ. Enter this on the Taxes line on the Schedule C Expenses screen.

Note: If you are an employee, you cannot deduct any interest paid on a car loan. This applies even if you use the car 100% for business as an employee. However, if you are self-employed and use your car in your business, you can deduct that part of the interest expense that represents your business use of the car. You cannot deduct the part of the interest expense that represents your personal use of the car. Enter the deductible amount on the Other Interest line on the Schedule C Expenses screen.

Exception to Entering Each Transaction on a Separate Row

When a taxpayer's Form 1099-B includes so many transactions that it isn't practical to enter each one into TaxSlayer®, use the following procedure.

1. Divide the transactions into four categories:
 - Short term transactions with basis reported to the IRS - categorized as "Box A."
 - Short term transactions with basis not reported to the IRS - categorized as "Box B."
 - Long term transactions with basis reported to the IRS - categorized as "Box D."
 - Long term transactions with basis not reported to the IRS - categorized as "Box E."
2. Enter the total of each category on the capital gain entry screen.
3. If any of the transactions requires an adjustment to the reported basis, select the reason from the drop down box that includes that transaction.
4. If there are transactions with basis not reported to the IRS, the broker's list of transactions must be submitted as an attachment to the tax return. Submit the document using either of the following two methods.
 - Hardcopy: Make a photocopy and attach it to Form 8453 to be mailed to Austin.
 - Electronic: Scan the pages and save as a pdf. Attach the pdf to the electronic return prior to creating the e-file.

Brokers' Statements

Look for all the following items. (You may or may not find them all.)

1. 1099-INT. (Summary-NOT detail)
2. 1099-DIV. (Summary-NOT detail)
3. 1099-B (Summary and Detail) and "Cost basis" or "Transaction detail" for sale of stock: Input as a capital gain and losses.
4. "Management" or "Investment fees": Input on Schedule A Line 23.
5. If there are dividends from mutual funds, look for an insert or chart that says what percentage came from federal government interest: Enter on the dividend input screen and select your state (check your state rules).
6. The chart should also show what percent came from municipal bonds from each state: Input exempt interest from states other than yours by selecting tax exempt interest income and making the state adjustment (check your state rules).
7. Foreign taxes paid: Enter Foreign taxes paid on the dividend input screen only if all foreign taxes relate to passive income and the total on all tax statements (1099 etc) is less than \$300 (\$600 MFJ); otherwise, in scope only if certified in International.
8. If the taxpayer has margin interest and is itemizing deductions, the return is out of scope.

Capital Gains or Losses Sale of Main Home

Report the sale or exchange of your main home as a Capital Gain or Loss if:

- You can't exclude all of your gain from income, or
- You received a Form 1099-S for the sale or exchange.

Generally, if you meet the following two tests, you can exclude up to \$250,000 of gain. If both you and your spouse meet these tests and you file a joint return, you can exclude up to \$500,000 of gain (but only one spouse needs to meet the ownership requirement in Test 1).

- Test 1. During the 5-year period ending on the date you sold or exchanged your home, you owned it for 2 years or more (the ownership requirement) and lived in it as your main home for 2 years or more (the use requirement). *Military members may be able to suspend the 5-year period while serving on qualified official extended duty.
- Test 2. You haven't excluded gain on the sale or exchange of another main home during the 2-year period ending on the date of the sale or exchange of your home.

If you have a gain that can't be excluded, it is taxable.

Death of spouse. If you sell your home after your spouse dies (within 2 years after your spouse dies), and you have not remarried as of the sale date, you can count any time when your spouse owned the home as time you owned it, and any time when the home was your spouse's residence as time when it was your residence.

If you are required to report the sale AND IT RESULTS IN A GAIN:

- Enter the purchase date, sale date, purchase price, and sales price in the Sale of Home Worksheet (you will enter improvement and other adjustments to basis on the next screen)
- Enter the number of days the dwelling was used as the main home (separate entry for spouse)
- Enter the number of days the taxpayer owned the home (separate entry for spouse)
- If the taxpayer received the 2008 First Time Homebuyers Credit, check the box – Form 5405 will be required to determine how much of the credit must be repaid
- If the Use test and Ownership tests were met and the taxpayer is eligible for the Maximum Exclusion, check the box (reduced maximum exclusion is out of scope –refer to a professional)

Scholarships and grants used to pay for tuition, fees and course-related expenses are NOT taxable. Use this link to report only amounts that were used for non-qualifying expenses. "SCH" will appear on the dotted line next to line 7 on Form 1040. Taxable scholarship is considered "unearned" income.

**Screening Sheet for Nonbusiness Credit Card Debt Cancellation**

If the taxpayer is in bankruptcy, the tax return is out of scope for the VITA/TCE Programs.

Instructions: Use this Screening Sheet for taxpayers with Form 1099-C resulting from cancellation of nonbusiness credit card debt and to assist in identifying taxpayers with cancellation of credit card debt issues.

Credit Card Debt

step 1 Did the taxpayer receive Form 1099-C, Cancellation of Debt, or other documentation (if less than \$600) from a creditor and is the information shown on the form or document correct? **YES** – Go to Step 2
NO – Go to Step 6

Note: The creditor is not required to issue a Form 1099-C if the canceled debt is under \$600. However, the taxpayer may be required to report the canceled debt as income regardless of the amount.

step 2 Was the credit card debt related to a business? **YES** – Go to Step 6
NO – Go to Step 3

step 3 Does box 3 of Form 1099-C show any interest or was box 6 checked to indicate bankruptcy? **YES** – Go to Step 6
NO – Go to Step 4
Note: If the bankruptcy box is not checked but the taxpayer has subsequently filed bankruptcy, answer “yes.”

step 4 Was the taxpayer insolvent immediately before the cancellation of debt? **YES** – Go to Step 6
Use the Insolvency Determination Worksheet in Publication 4012 and interview the taxpayer to determine if the taxpayer was insolvent immediately before the cancellation of debt. **NO** – Go to Step 5

step 5 The cancellation of nonbusiness indebtedness or cancellation of debt (the amount in box 2 of Form 1099-C or an amount less than \$600 provided in other documentation) must be reported as ordinary income on Form 1040, line 21 (Other Income). No additional supporting forms or schedules are required for reporting income from canceled credit card debt.

step 6 This tax issue is outside the scope of the volunteer programs. The taxpayer may qualify to exclude all or some of the discharged debt. However, the rules involved are complex.

Refer the taxpayer to:

Entering Cancellation of Credit Card Debt in TaxSlayer®

Generally, if a debt for which a taxpayer is personally liable is canceled or forgiven, the taxpayer must include the canceled amount in income.

Caution: Be sure to ask if the taxpayer was insolvent or in bankruptcy – these situations makes the return out of scope.

Cancellation of Credit Card Debt and Forgiveness of Qualified Principal Residence Indebtedness is within the scope of the volunteer program.

If the taxpayer has another type of debt forgiven, or may have been insolvent at the time of the debt forgiveness, the taxpayer should be referred to a professional.

If the Form 1099-C was for mortgage forgiven on the taxpayer's main home, see the next section on Discharge of Qualified Principal Residence Indebtedness, on the next page.

Discharge of Qualified Principal Residence Indebtedness

Use the job aid on the following page to determine if the debt forgiveness on the main home is within scope.

Taxpayers may exclude from income certain debt forgiven or canceled on their principal residence. This exclusion is applicable to the discharge of “qualified principal residence indebtedness.” If the canceled debt qualifies for exclusion from gross income, the debtor may be required to reduce tax attributes (certain credits, losses, and basis of assets) by the amount excluded.

If a property was taken by the lender (foreclosure) or given up by the borrower (abandonment), the lender usually sends the taxpayer Form 1099-A, Acquisition or Abandonment of Secured Property. Form 1099-A will have information needed to determine the gain or loss due to the foreclosure or abandonment.

If the debt is canceled, the taxpayer will receive Form 1099-C, Cancellation of Debt. If foreclosure/abandonment and debt cancellation occur in the same calendar year, the lender may issue only Form 1099-C, including the information that would be reported on Form 1099-A.

Volunteers may assist taxpayers who meet the following requirements:

- The home was never used in a business or as rental property
- The debt was **not** canceled because the taxpayer filed bankruptcy
- The taxpayer isn't in bankruptcy when he/she comes to the site for assistance
- Form 1099-C doesn't include an amount for interest
- The debt must be a mortgage used only to buy, build, or substantially improve the taxpayer's primary residence, i.e., this money was not used to pay off credit cards, medical/dental expenses, vacations, etc.
- The mortgage was secured by the taxpayer's primary residence
- The mortgage was not more than \$2 million (\$1 million if Married Filing Separately)

TaxSlayer® Hint: To exclude debt forgiven on principal residence, go to Other Income, Cancellation of Debt then Exclusions (Form 982).

Note 1: Form 1099-C, Box 3 (Interest if included in Box 2, Amount of Debt Canceled) and Box 16 out-of-scope.

Note 2: If a bankruptcy, out-of-scope.

Note 3: If personally liable for the debt, sales price is the lesser of balance of principal outstanding (Form 1099-A, box 2) or fair market (Form 1099-A, box 4); if not personally liable on the debt, sales price is the balance or principal outstanding.

U.S. citizens and U.S. resident aliens are required to report worldwide income on a U.S. tax return.

However, certain taxpayers can exclude income earned while living in foreign countries.

To claim the foreign earned income exclusion, taxpayers must:

- Demonstrate that their tax home is in a foreign country
- Meet either the bona fide residence test or the physical presence test
- Have income that qualifies as foreign earned income (reported on Form 1040, line 7 as taxable wages or on line 12 as self-employment income.)

The foreign earned income exclusion doesn't apply to wages and salaries of U.S. military members and civilian employees of the U.S. government.

If the taxpayer qualifies to exclude foreign earned income, the excludable amount will be reported as a negative amount on Form 1040, line 21.

For 2016, the maximum exclusion is \$100,800.

You can't exclude or deduct more than the taxpayer's foreign earned income for the year.

Educator Expenses

Don't rely on this table alone. Refer to Publication 17 for more details.

Question	Answer
What is the maximum benefit?	\$250 (If the taxpayer and spouse are both eligible educators, they can deduct up to \$500, but neither can deduct more than their own expenses up to \$250). Taxpayers may be able to deduct expenses that are more than the limit as a miscellaneous deduction on Schedule A.
Who can claim the expense?	Eligible Educators — an eligible educator is a kindergarten through grade 12 teacher, instructor, counselor, principal, or aide who worked in a school for at least 900 hours during a school year.
What are qualifying expenses?	Qualifying expenses include ordinary and necessary expenses paid in connection with books, supplies, equipment (including computer equipment, software, and services), and other materials used in the classroom. Additionally, professional development expenses.
What are non qualifying expenses?	Expenses for home schooling or non athletic supplies for courses in health or physical education.
What other issues apply?	Taxpayer must reduce qualified expenses by <ul style="list-style-type: none"> • Excludable U.S series EE and I savings bond interest from Form 8815 • Non taxable qualified tuition program earnings or distributions • Non taxable distribution of earnings from a Coverdell education savings account • Any reimbursements received for expenses that weren't reported on the Form W-2

Note: Professional development expenses include courses related to the curriculum in which the educator provides instruction.

- The taxpayer (or spouse) has a Form 1099-SA with an X in box 5 showing distributions from an HSA.
- The taxpayer (or spouse) may receive Form 5498-SA for their HSA contributions. If taxpayers don't have this form they can provide the information regarding HSA contributions based on their records

Travel Expenses

This chart summarizes expenses you can deduct when you travel away from your home for business purposes. (See publication 17 for definition of tax home)

IF you have expenses for...	THEN you can deduct the cost of...
transportation	travel by airplane, train, bus, or car between your home and your business destination. If you were provided with a ticket or you are riding free as a result of a frequent traveler or similar program, your cost is zero. If you travel by ship, see <i>Luxury Water Travel</i> and <i>Cruise Ships</i> (under <i>Conventions</i>) for additional rules and limits.
taxi, commuter bus, and airport limousine	fares for these and other types of transportation that take you between: <ul style="list-style-type: none"> • The airport or station and your hotel, and • The hotel and the work location of your customers or clients, your business meeting place, or your temporary work location.
baggage and shipping	sending baggage and sample or display material between your regular and temporary work locations.
car	operating and maintaining your car when traveling away from home on business. You can deduct actual expenses or the standard mileage rate, as well as business-related tolls and parking. If you rent a car while away from home on business, you can deduct only the business-use portion of the expenses. Important note: The actual expense method is out of scope for the VITA/TCE program. If the taxpayer is using actual expenses for car expenses, refer the taxpayer to a professional tax preparer.
lodging and meals	your lodging and meals if your business trip is overnight or long enough that you need to stop for sleep or rest to properly perform your duties. Meals include the actual cost or standard deduction for meals and incidental expenses (M&IE). cleaning	dry cleaning and laundry.
telephone	business calls while on your business trip. This includes business communication by fax machine or other communication devices.
tips	tips you pay for any expenses in this chart.
other	other similar ordinary and necessary expenses related to your business travel. These expenses might include transportation to or from a business meal, public stenographer's fees, computer rental fees, and operating and maintaining a house trailer.

Deductible Entertainment Expenses

When Are Entertainment Expenses Deducted?

General rule	You can deduct ordinary and necessary expenses to entertain a client, customer, or employee if the expenses meet the directly-related test or the associated test. If you deduct travel, entertainment, gift, or transportation expenses, you must be able to prove (substantiate) certain elements of the expense.
Definitions	<ul style="list-style-type: none"> • Entertainment includes any activity generally considered to provide entertainment, amusement, or recreation, and includes meals provided to a customer or client. • An ordinary expense is one that is common and accepted in your trade or business. • A necessary expense is one that is helpful and appropriate.
Tests to be met	Directly-related test <ul style="list-style-type: none"> • Entertainment took place in a clear business setting, or • Main purpose of entertainment was the active conduct of business, and You did engage in business with the person during the entertainment period, and You had more than a general expectation of getting income or some other specific business benefit.
	Associated test <ul style="list-style-type: none"> • Entertainment is associated with your trade or business, and • Entertainment directly before or after a substantial business discussion.
Other rules	<ul style="list-style-type: none"> • You can't deduct the cost of your meal as an entertainment expense if you are claiming the meal as a travel expense. • You can't deduct expenses that are lavish or extravagant under the circumstances. • You generally can deduct only 50% of your unreimbursed entertainment expenses (see <i>50% Limit</i>).

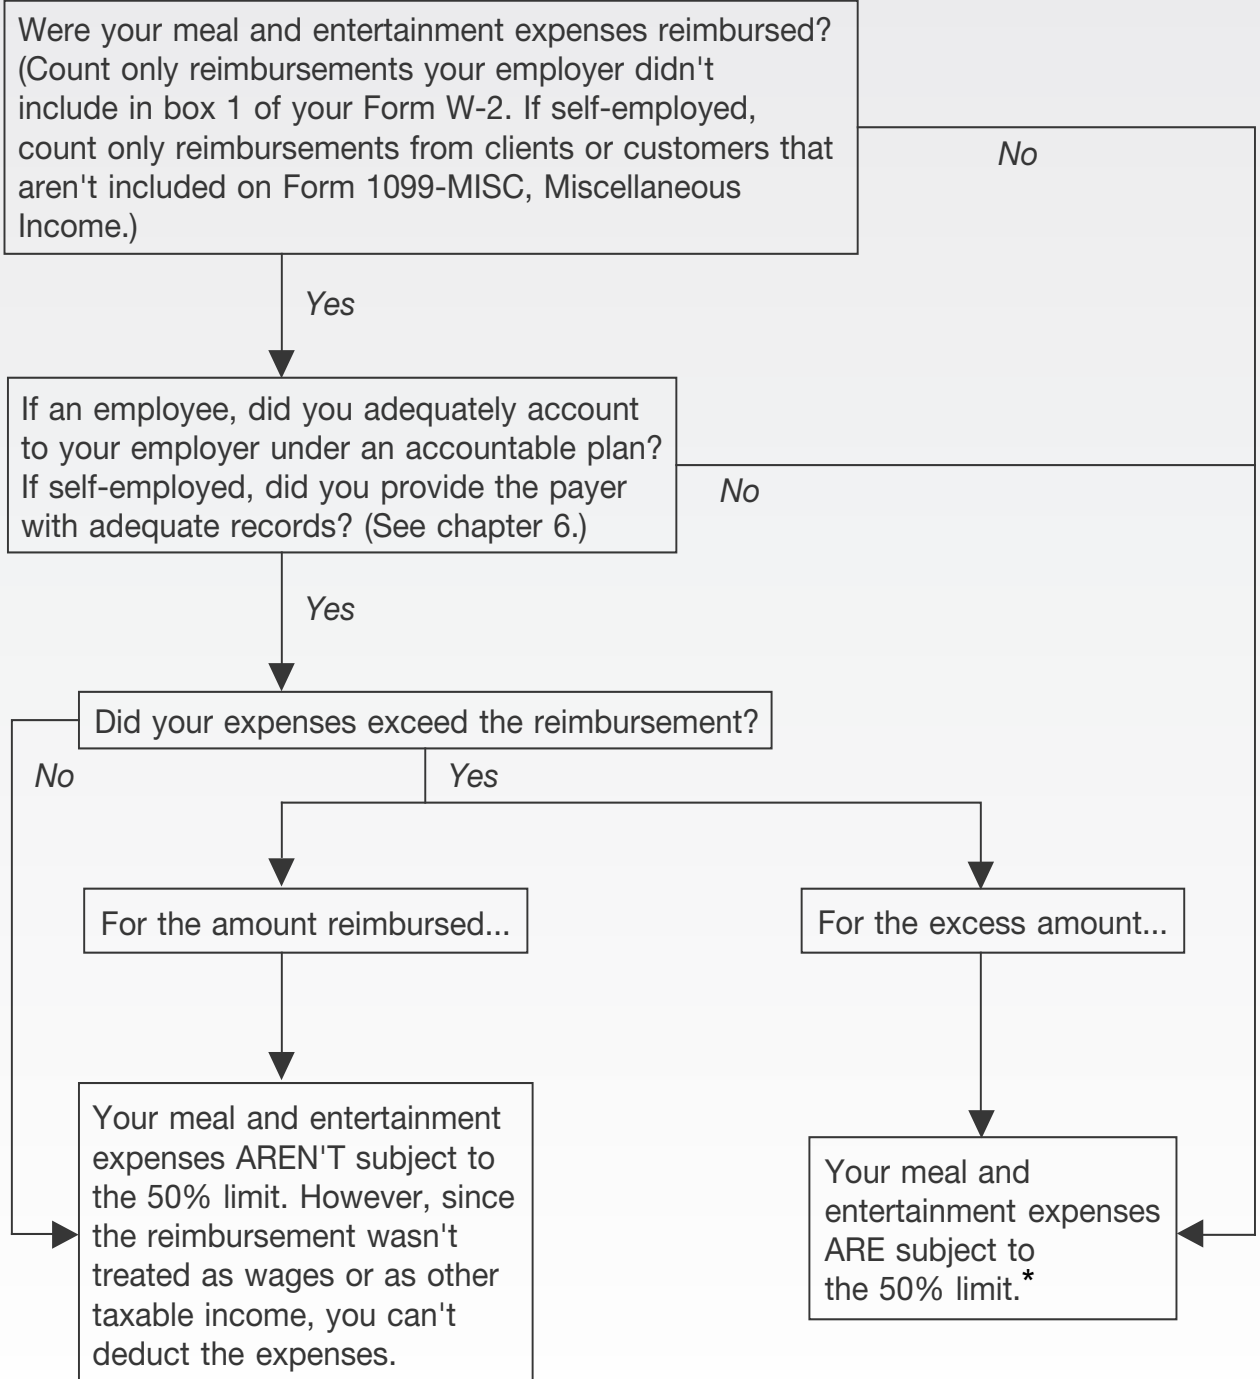

50% Limit

Table 3. Does the 50% Limit Apply to Your Expenses?

There are exceptions to these rules. See Publication 463 for additional guidance.

All employees and self-employed persons can use this chart.

*50% limit for most taxpayers; 80% for those subject to Department of Transportation hours of service. See Publication 463 for more information.

Deductible Transportation Expenses

Most employees and self-employed persons can use this chart.
(Don't use this chart if your home is your principal place of business.)

Home: The place where you reside. Transportation expenses between your home and your main or regular place of work are personal commuting expenses.

Regular or main job: Your principal place of business. If you have more than one job, you must determine which one is your regular or main job. Consider the time you spend at each, the activity you have at each, and the income you earn at each.

Temporary work location: A place where your work assignment is realistically expected to last (and does in fact last) one year or less. Unless you have a regular place of business, you can only deduct your transportation expenses to a temporary work location outside your metropolitan area.

Second job: If you regularly work at two or more places in one day, whether or not for the same employer, you can deduct your transportation expenses of getting from one workplace to another. If you don't go directly from your first job to your second job, you can only deduct the transportation expenses of going directly from your first job to your second job. You can't deduct your transportation expenses between your home and a second job on a day off from your main job.

Child and Dependent Care Credit Expenses

Probe/Action: To determine if a taxpayer qualifies for the Credit for Child and Dependent Care Expenses, ask the taxpayer for information from the decision tree on the next page.

Who is a qualifying person?

- A qualifying child who was under the age of 13 when the expenses were incurred and for whom a dependency exemption can be claimed, see caution 1 below.
- Any person who was incapable of self-care whom the taxpayer can claim as a dependent or could've claimed as a dependent except that the person had gross income of more than \$4,050 or filed a joint return or that the taxpayer or spouse, if married filing jointly, could be claimed as a dependent on someone else's 2016 return.
- A spouse who was physically or mentally incapable of self-care.
- The qualifying person must live with the taxpayer more than 1/2 the year.
- Incapable of self-care - Can't dress, clean, or feed themselves because of physical or mental problems. Also persons who must have constant attention to prevent them from injuring themselves or others.

See Publication 17, **Child and Dependent Care Credit** for special rules regarding divorced or separated parents or parents who live apart.

Qualified work-related expenses

- Expenses must be paid for the care of the qualifying person to allow the taxpayer and spouse, if married, to work or look for work.
- The care includes the costs of services for the qualifying person's well-being and protection.
- Expenses to attend kindergarten or a higher grade aren't an expense for care.
- Expenses for summer day-camp are qualifying, but those for overnight camp aren't.

*Refer to the tables on page C-3 for the rules governing who may be claimed as a dependent.

Caution: Only the **custodial** parent may claim the child and dependent care credit even if the child's exemption is being claimed by the non-custodial parent under the rules for divorced & separated parents.

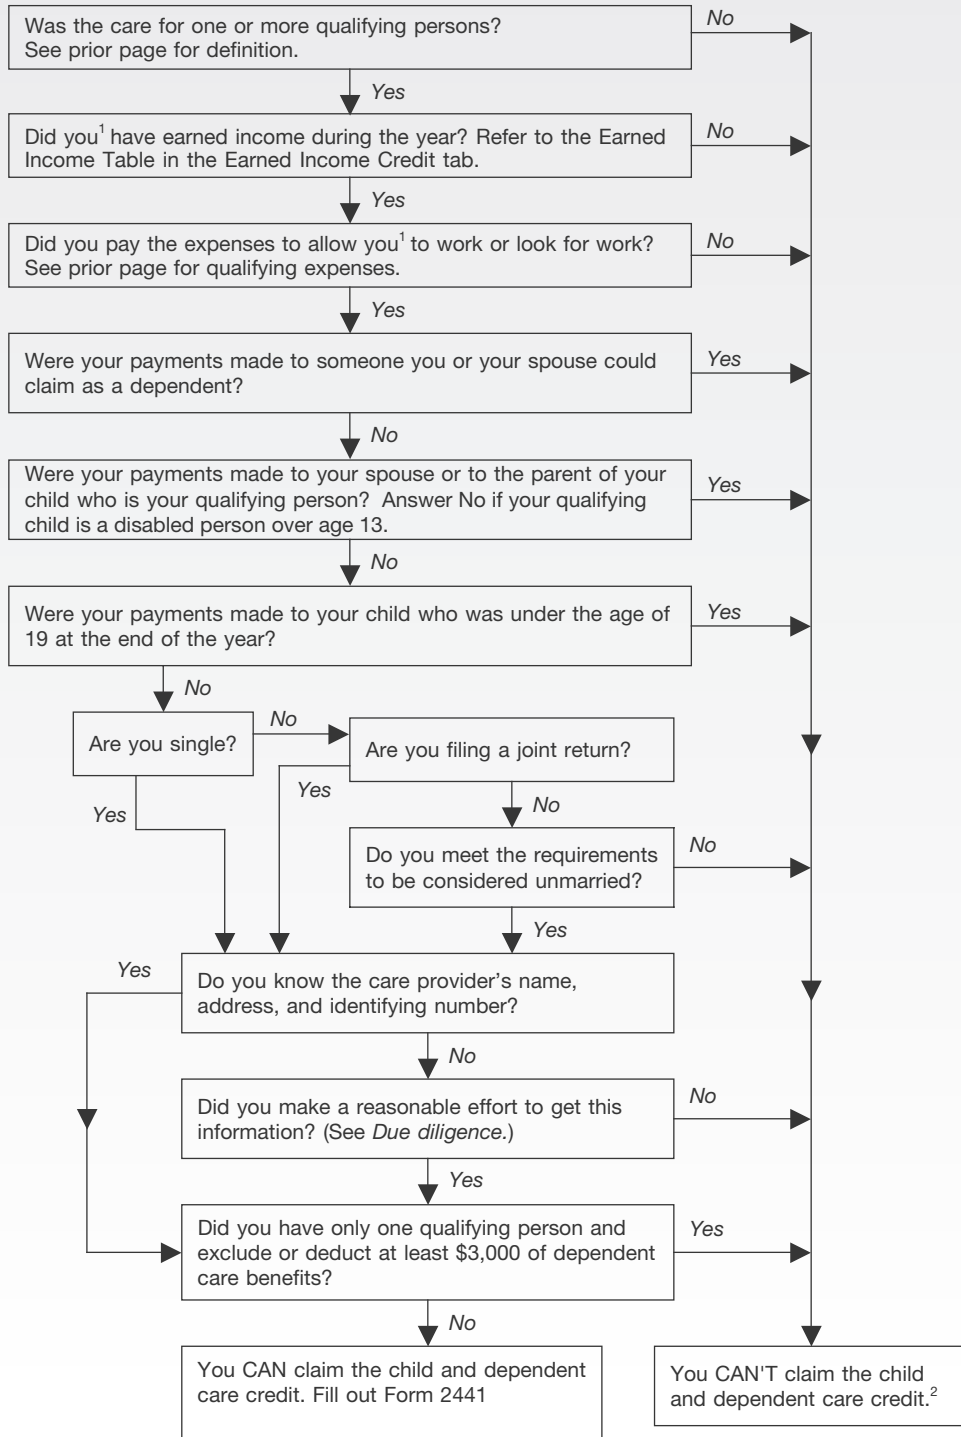

Caution: If Dependent Care Benefits are listed in Box 10 of a W2, then the taxpayer **MUST** complete Form 2441. If Form 2441 isn't completed, the Box 10 amount is entered on Line 7 of the 1040 as taxable income.

Note: If the qualifying child turned 13 during the tax year, the qualifying expenses include amounts incurred for the child while under age 13 when the care was provided.

² If you had expenses that met the requirements for 2015, except that you didn't pay them until 2016, you may be able to claim those expenses in 2016.

Retirement Savings Contributions Credit – Decision Tree

To determine if a taxpayer qualifies for the Credit for Qualified Retirement Savings Contributions, review the return information and ask the taxpayer the following:

¹ Plans that qualify are listed in the Other Credits chapter of Publication 17. Answer yes if the taxpayer will make a qualifying IRA contribution for tax year 2016 by April 18, 2017.

² See Publication 17 for definition of full-time student.

Important Reminders for Retirement Savings Contributions Credit

- Be sure to look at the taxpayer's Form(s) W-2. An entry in box 12 or an "X" in the Retirement box is an indicator that the taxpayer may be eligible for this credit. A full description of all codes used in box 12 can be found in Instructions for Forms W-2 and W-3.
- An entry in box 14 on the W-2 may also indicate a contribution to a state retirement system. Caution: If these are treated as employer contributions they aren't eligible for the credit. See Form W-2 Instructions.
- When using tax software, remember to key in all entries as they appear on the Form W-2.
- A contribution to a traditional or Roth IRA (including a myRA) qualifies for this credit, but may not appear on any taxpayer document. Remember to review the expenses section on page 2 of the Intake and Interview Sheet and ask taxpayers if they made any IRA contributions.
- Some distributions reduce the eligible contributions for this credit. In addition to distributions for the current year as shown on Forms 1099-R, be sure to ask about distributions in the prior two years and up to the due date of the return.
- See the next page for a list of distributions that don't reduce the eligible contributions for this credit.
- Complete Form 8880 to claim this credit.

Retirement Savings Contributions Credit (continued)

Open the Retirement Savings Contributions Credits screen if the taxpayer meets eligibility criteria and any of the following are true:

1. The taxpayer(s) make a traditional IRA or a ROTH IRA contribution before the filing deadline.
2. The taxpayer or spouse's Form W-2 includes box 12 entries of D, E, F, G, H, S, AA, BB, or box 14 amounts are marked as "Qualifies for Form 8880."

Verify total contribution amounts with the taxpayer.

Child Tax Credit

This is a credit intended to reduce the tax. This part of the credit isn't refundable. The credit is up to \$1,000 per qualifying child.

Qualifying child:

1. Under age 17 at the end of the tax year.
2. A U.S. citizen or U.S. national* or resident alien of the United States. See the ITIN Returns tab.
3. Claimed as your dependent.**
4. Your:
 - a. son or daughter, adopted child, stepchild, eligible foster child, or a descendant of any of them
 - b. brother, sister, half brother, half sister, stepbrother, stepsister, or a descendant of any of them (for example, your niece or nephew)
5. Didn't provide over half of his or her own support.
6. Lived with the taxpayer for more than half of the tax year. (See **Interview Tips for Child Tax Credit for Exception to Time Lived with You** section if the child didn't live with the taxpayer for more than half the year.)

* National is an individual who, although not a U.S. citizen, owes his or her allegiance to the United States. U.S. nationals include American Samoans and Northern Mariana Islanders who chose to become U.S. nationals instead of U.S. citizens.

**Refer to the tables on page C-3 for the rules governing who may be claimed as a dependent.

Caution: If the taxpayer is able to claim the dependent under the rules for divorced and separated parents, he or she is the only parent entitled to claim the child tax credit or additional child tax credit.

Additional Child Tax Credit – General Eligibility

The child tax credit is generally a nonrefundable credit; however, certain taxpayers may be entitled to a refundable additional child tax credit.

- Taxpayers with more than \$3,000 of taxable earned income may be eligible for the additional child tax credit if they have at least one qualifying child.
- Taxpayers with three or more children may also be eligible for additional child tax credit regardless of their income.

Schedule 8812 is used to calculate the allowable additional child tax credit.

See Tab C, Exemptions/Dependency, and the worksheet in the instruction booklet for additional information (including definitions and special rules relating to an adopted child, foster child, or qualifying child of more than one person).

Note: No credit or refund for an overpayment for a taxable year shall be made to a taxpayer before the 15th day of the second month following the close of the taxable year (generally February 15th) if the taxpayer claimed the EITC or additional child tax credit on the tax return.

Note: Taxpayers claiming the Child Tax Credit must now have a valid identification number by the due date of the tax return (including extensions). Taxpayers may not file an amended return to retroactively claim the additional child tax credit for a qualifying child if a valid TIN for the child is issued after the due date of the tax return.

Note: You must claim the child as a dependent on your return to qualify for the Child Tax Credit

Note: If you claim the foreign earned income exclusion, the housing exclusion, or the housing deduction on Form 2555 or Form 2555-EZ, you can't claim the additional child tax credit.

Exception to Time Lived with You

A child is considered to have lived with you for all of the current tax year if the child was born or died in 2016 and your home was this child's home for the entire time he or she was alive. Temporary absences for special circumstances, such as for school, vacation, medical care, military service, or detention in a juvenile facility, count as time lived at home.

Kidnapped Child

A kidnapped child is considered to have lived with you for all of the current tax year if:

- In the year the kidnapping occurred, the kidnapped child is presumed by law enforcement to have been taken by someone who isn't a family member, and
- The kidnapped child lived with the taxpayer for more than half of the portion of the year prior to the kidnapping.

Modified Adjusted Gross Income Limits

- Married filing jointly - \$110,000
- Single, head of household, or qualifying widow(er) - \$75,000
- Married filing separately - \$55,000

Children of Divorced or Separated Parents

A child will be treated as being the qualifying child of his or her noncustodial parent if all of the following apply:

- The parents were divorced or legally separated or lived apart at all times during the last 6 months of the current tax year.
- The child received over half of his or her support for the current tax year from the parents.
- The child was in the custody of one or both of the parents for more than half of the current tax year.
- A decree of divorce or separate maintenance or written separation agreement that applies to the current tax year provides that (a) the noncustodial parent can claim the child as a dependent, or (b) the custodial parent will sign a written declaration that he or she won't claim the child as a dependent for the current tax year.
- The custodial parent signs Form 8332 or similar statement that he or she won't claim the child as a dependent in the current tax year. If the divorce decree or separation agreement went into effect before 2009, the non custodial parent may be able to attach certain pages of the decree or agreement instead of Form 8332.

Note: current tax year reference applies to tax year 2016.

Residential Energy Credits

Part I of Form 5695- Residential Energy Efficient Property Credit, is available for taxpayers who purchased qualified residential alternative energy equipment, such as solar hot water heaters, geothermal heat pumps and wind turbines. This part of the form is out of scope. Taxpayers that have these expenses should be referred to a professional tax preparer.

Part II, Form 5695 - Key points about the Nonbusiness Energy Property Credit:

- A total combined credit limit of \$500 (\$200 limit for windows) for all tax years after 2005.
- The maximum credit for residential energy property costs is \$50 for any advanced main air circulating fan; \$150 for any qualified natural gas, propane, or oil furnace, or hot water boiler; and \$300 for any item of energy-efficient building property.
- The credit applies to:
 - Qualified energy efficiency improvements such as adding insulation, energy-efficient exterior windows and doors, and qualifying metal or asphalt roofs (***doesn't include labor costs for onsite preparation, assembly or installation***)
 - Qualified residential energy property improvements such as energy-efficient heating and air conditioning systems. For a complete list of items see Form 5695. (***includes labor costs for onsite preparation, assembly, or original installation***)
- The improvements must be made to the taxpayer's main home located in the United States (must be existing home).
- Qualifying improvements must be placed into service by the taxpayer during the tax year.
- Expenditures which are made from subsidized energy financing can't be used to figure the credit.
- The credit is taken on Part II, Form 5695. See Form 5695 and Instructions for more information.

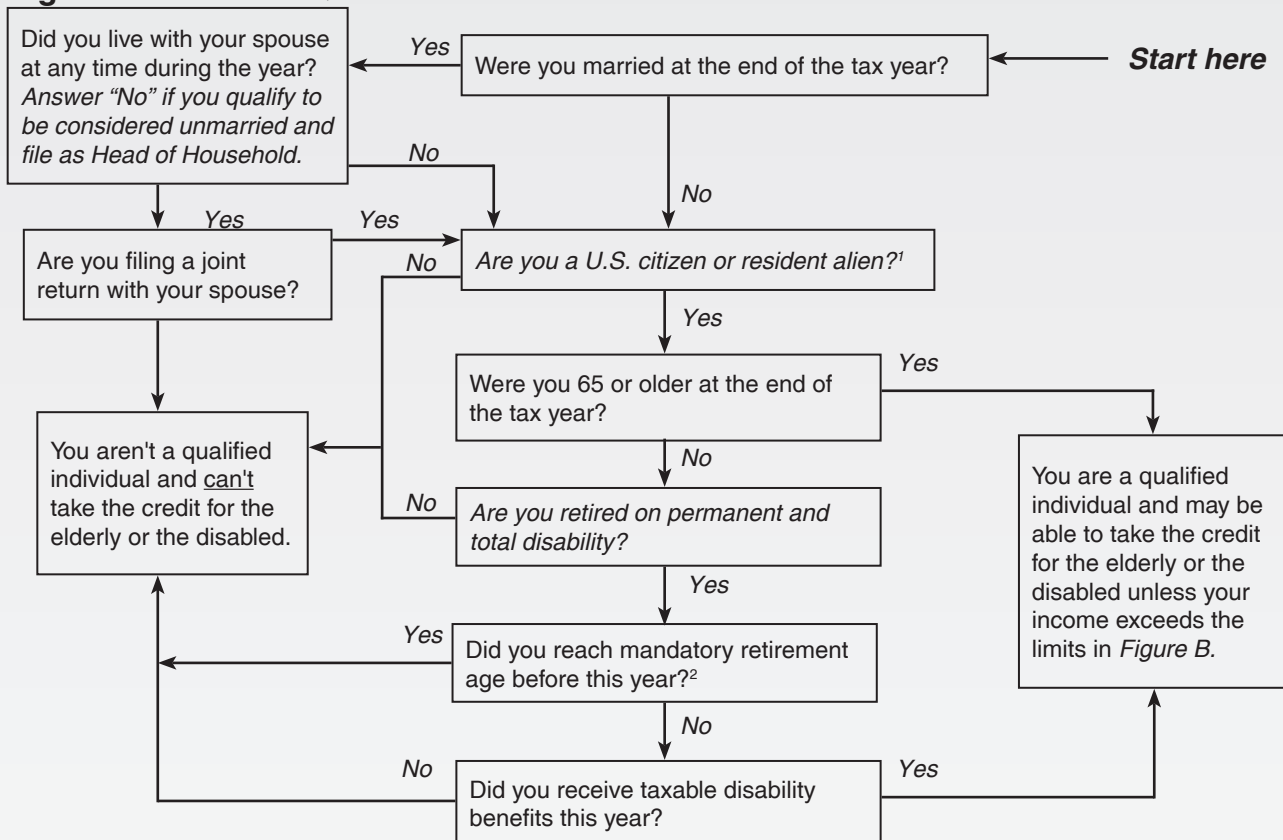

Note: Not all ENERGY STAR products qualify for a tax credit. Beginning in 2016, exterior doors, exterior windows, and skylights will only be eligible for the nonbusiness energy property credit if they meet or exceed the specific requirements of the version 6.0 Energy Star program. For detailed information about qualifying improvements, visit the U.S. Department of Energy's EnergyStar Web site <https://www.energystar.gov/>

Manufacturers must certify that their products meet new standards and they must provide a written statement to the taxpayer such as with the product packaging or in a printable format on the manufacturer's Web site. Taxpayers should keep a copy of the manufacturer's certification statement and receipts with their other important tax records.

Credit for the Elderly or the Disabled – Decision Tree

Use the following chart to determine if the taxpayer is eligible for the Credit for the Elderly or the Disabled:

Figure A. Are You a Qualified Individual?

¹ If you were a nonresident alien at any time during the tax year and were married to a U.S. citizen or resident alien at the end of the tax year, see *U.S. Citizen or Resident Alien* under Qualified Individual. If you and your spouse choose to treat you as a U.S. resident alien, answer "yes" to this question.

² Mandatory retirement age is the age set by your employer at which you would have been required to retire, had you not become disabled.

Figure B. Income Limits

IF you are . . .	THEN you generally can't take the credit if..	
	Your adjusted gross income (AGI)* is . . .	OR the total of your nontaxable social security and other nontaxable pension annuities or disability income is equal to or more than . . .
single, head of household, or qualifying widow(er) with dependent child	\$17,500	\$5,000
married filing a joint return and both spouses qualify in <i>Figure A</i>	\$25,000	\$7,500
married filing a joint return and only one spouse qualifies in <i>Figure A</i>	\$20,000	\$5,000
married filing a separate return and you lived apart from your spouse for all of 2016	\$12,500	\$3,750

* AGI is the amount on Form 1040A, line 22, or Form 1040, line 38.

Tax Software Hint: Be sure to include the taxpayer's total social security benefits, regardless of the taxability, to ensure the correct calculation of the credit. If the taxpayer appears to qualify for the credit, click on line 54 from 1040 View>Credit for the Elderly or Disabled or click on Deductions from Federal Section>Credits Menu>Credit for the Elderly or Disabled and answer the questions.

Disallowance of the Earned Income Credit

Form 8862, *Information to Claim Earned Income Credit After Disallowance*, must be completed for any taxpayer whose EIC claim was denied or reduced for any reason other than a math or clerical error. If the taxpayer's EIC was denied or reduced as a result of a math or other clerical error, Form 8862 isn't required.

If the IRS determined a taxpayer claimed the EIC due to reckless or intentional disregard of the EIC rules the taxpayer can't claim the EIC for 2 tax years. If the error was due to fraud, then the taxpayer can't claim the EIC for 10 tax years. See Publication 596, *Earned Income Credit*, for specific guidance.

*Taxpayers turning 25 on January 1st are considered to be 25 as of December 31st. Taxpayers reaching the age of 65 on January 1st are still considered 64 as of December 31st.

Note: Taxpayers meeting the above age criteria should file a paper return to avoid a potential rejected electronic filed return.

Caution: New law passed requiring taxpayers to have a valid SSN by the due date of the return (including extension) in order to claim EITC. Taxpayers can't file amended returns to claim the credit for a year that the taxpayer didn't originally have a valid social security number.

<p>step 2</p>	<p>Do you (and your spouse, if filing jointly) have a social security number (SSN) that allows you to work?*</p> <p>Note: Answer "no" if the taxpayer's social security card has a "NOT VALID FOR EMPLOYMENT" imprint, and if the cardholder obtained the SSN to get a federally funded benefit, such as Medicaid.</p>	<p>If YES, go to Step 3. EIC with a Qualifying Child

interview tips

Probe/Action: Ask the taxpayer:

<p>step 1</p>	<p>Does your qualifying child have an SSN that allows him or her to work? Note: Answer NO if the child's social security card says "NOT VALID FOR EMPLOYMENT" and his or her SSN was only obtained to get a federally funded benefit.</p>	<p>If YES, go to Step 2. If NO, STOP. You can't claim the EIC on the basis of this qualifying child.</p>
<p>step 2</p>	<p>Is the child your son, daughter, stepchild, adopted child, or eligible foster child, brother, sister, half brother, half sister, stepbrother, stepsister, or a descendant of any of them?</p>	<p>If YES, go to Step 3. If NO, STOP. This child isn't your qualifying child. Go to interview tips for EIC without a Qualifying Child.</p>
<p>step 3</p>	<p>Was the child any of the following at the end of the tax year:</p> <ul style="list-style-type: none"> • Under age 19 and younger than the taxpayer (or spouse, if filing jointly) • Under age 24 and a full-time student and younger than the taxpayer (or spouse, if filing jointly), or • Any age and permanently and totally disabled? 	<p>If YES, go to Step 4. If NO, STOP. This child isn't your qualifying child. Go to interview tips for EIC without a Qualifying Child.</p>
<p>step 4</p>	<p>Did the child file a joint return for the year?¹ Note: Answer NO if the child and his or her spouse filed a joint return only as a claim for a refund.</p>	<p>If NO, go to Step 5. If YES, STOP. This child isn't your qualifying child (failed the joint return test). Go to interview tips for EIC without a Qualifying Child.</p>
<p>step 5</p>	<p>Did the child live with you in the United States for more than half (183 days for 2016) of the tax year? Note: Active duty military personnel stationed outside the United States are considered to live in the United States for this purpose.</p>	<p>If YES, go to Step 6. If NO, STOP. This child isn't your qualifying child. Go to interview tips for EIC without a Qualifying Child.</p>
<p>step 6</p>	<p>Is the child a qualifying child of another person? Note: There may be a case when a qualifying child can't be claimed by anyone. Example: The only parent that the child lives with doesn't work nor files a tax return and another adult can't meet the general eligibility rules. In this example no one qualifies to claim this child as a qualifying child for EIC.</p>	<p>If YES, explain to the taxpayer what happens when more than one person claims the EIC using the same child (Qualifying Child of More than One Person rule). If the taxpayer chooses to claim the credit with this child, compute the EIC using the appropriate EIC worksheets. If no, compute the EIC using the appropriate EIC worksheet.</p>

¹ If your child was married at the end of the year, he or she doesn't meet the joint return test unless you can claim the child's exemption or you can't claim the child's exemption because you gave that right to the child's other parent.

EIC Without a Qualifying Child

interview
tips

Probe/Action: Ask the taxpayer:

step
1

Can you (or your spouse, if filing jointly) be claimed as a dependent by another person?

If NO, go to Step 2.
If YES, STOP. You can't claim the EIC.

step
2

Were you (or your spouse, if filing jointly) at least 25 but under age 65 on December 31 of the tax year? Taxpayers born on January 1st are considered to be of age as of December 31st. Taxpayers reaching the age of 65 on January 1st are still considered 64 as of December 31st.

If NO, STOP. You can't claim the EIC.
If YES, go to Step 3.

step
3

Did you (and your spouse, if filing jointly) live in the United States for more than half (at least 183¹ days) of the tax year?

If NO, STOP. You can't claim the EIC.
If YES, compute EIC using the appropriate EIC worksheet.

¹ More than 183 days in a leap year.

Note: If you can't claim the EIC because your qualifying child is treated under the tiebreaker rules as the qualifying child of another person for 2016, you may be able to take the EIC using a different qualifying child, but you can't take the EIC using the rules for people who don't have a qualifying child.

Qualifying Child of More than One Person

If the child meets the conditions to be the qualifying child of more than one person, only one person can claim the child. The following rules apply if multiple taxpayers claim the same qualifying child.

- If only one of the persons is the child's parent, the child is treated as the qualifying child of the parent.
- If the parents don't file a joint return together but both parents claim the child as a qualifying child, the IRS will treat the child as the qualifying child of the parent with whom the child lived for the longer period of time in 2016. If the child lived with each parent for the same amount of time, the IRS will treat the child as the qualifying child of the parent who had the higher adjusted gross income (AGI) for 2016.
- If no parent can claim the child as a qualifying child, the child is treated as the qualifying child of the person who had the highest AGI for 2016.
- If a parent can claim the child as a qualifying child but no parent does so claim the child, the child is treated as the qualifying child of the person who had the highest AGI for 2016, but only if that person's AGI is higher than the highest AGI of any of the child's parents who can claim the child.

Note: Taxpayers have the option to choose which taxpayer will claim the child. The tiebreaker rules apply when the child is claimed by multiple taxpayers.

Answer "Does Not Apply"

Answer "Yes." Generally, as an IRS tax law-certified volunteer, you can rely in good faith on information from a taxpayer without requiring documentation as verification. However, part of due diligence requires asking a taxpayer to clarify information that may appear to be inconsistent or incomplete. When reviewing information for its accuracy, you need to ask yourself if the information is unusual or questionable.

Select "No." Selecting No will not prohibit the return from being electronically filed. The Form 8867 is not included in the forms that have to be E-filed.

Select "Did not rely on any documents"

NOTE: Quality Site Requirement 2 – Intake/Interview & Quality Review Process, states:

All IRS tax law-certified volunteers are required to exercise due diligence. This means, as a volunteer, you are required to do your part when preparing or quality reviewing a tax return to ensure the information on the tax return is correct and complete. Doing your part includes: confirming a taxpayer's (and spouse, if applicable) identity and providing top-quality service by helping them understand and meet their tax responsibilities.

Tax Treatment of Scholarship and Fellowship Payments

A scholarship or fellowship is tax free (excludable from gross income) **only if**:

- You are a **candidate for a degree** at an eligible educational institution. You are a candidate for a degree if you attend a primary or secondary school or are pursuing a degree at a college or university, or attend an educational institution that offers a program of training to prepare students for gainful employment in a recognized occupation and is authorized under federal or state law to provide such a program and is accredited by a nationally recognized accreditation agency.

A scholarship or fellowship is tax free **only to the extent**:

- It doesn't exceed your qualified education expenses;
- It isn't designated or earmarked for other purposes (such as room and board), and doesn't require (by its terms) that it can't be used for qualified education expenses; and
- It doesn't represent payment for teaching, research, or other services required as a condition for receiving the scholarship. (But for exceptions, see *Payment for services* in Publication 970).

Use *Worksheet 1-1* to figure the amount of a scholarship or fellowship you can exclude from gross income.

Education Expenses

The following are **qualified education expenses** for the purposes of tax-free scholarships and fellowships:

- **Tuition and fees** required to enroll at or attend an eligible educational institution
- Course-related expenses, such as **fees, books, supplies, and equipment** that are required for the courses at the eligible educational institution. These items must be required of all students in your course of instruction.

Qualified education expenses **don't include** the cost of:

- Room and board
- Research
- Equipment and other expenses not required for enrollment in or attendance at an eligible educational institution
- Travel
- Clerical help

Worksheet 1-1. Taxable Scholarship and Fellowship Income

<p>1. Enter the total amount of any scholarship or fellowship for the tax year.</p> <ul style="list-style-type: none"> • If you are a degree candidate at an eligible educational institution, go to line 2. • If you aren't a degree candidate at an eligible educational institution, stop here. The entire amount is taxable. 	<p>1. _____</p>
<p>2. Enter the amount from line 1 that was for teaching, research, or any other services required as a condition for receiving the scholarship. (Don't include amounts received for these items under the National Health Service Corps Scholarship Program or the Armed Forces Health Professions Scholarship and Financial Assistance Program.)</p>	<p>2. _____</p>
<p>3. Subtract line 2 from line 1</p>	<p>3. _____</p>
<p>4. Enter the amount from line 3 that your scholarship or fellowship required you to use for other than qualified education expenses</p>	<p>4. _____</p>
<p>5. Subtract line 4 from line 3.</p>	<p>5. _____</p>
<p>6. Enter the amount of your qualified education expenses (see Education Expenses above)</p>	<p>6. _____</p>
<p>7. Enter the smaller of line 5 or line 6. This amount is the most you can exclude from your gross income¹ (the tax-free part of the scholarship or fellowship)</p>	<p>7. _____</p>
<p>8. Subtract line 7 from line 5</p>	<p>8. _____</p>
<p>9. Taxable part. Add lines 2, 4, and 8. This amount is taxable to the person in whose name the scholarship was received.</p>	<p>9. _____</p>

¹ However, a scholarship or fellowship grant isn't treated as tax free to the extent the student includes it in gross income (the **student** may or may not be required to file a tax return) for the year the scholarship or fellowship grant is received and either:

- The scholarship or fellowship grant (or any part of it) **must** be applied (by its terms) to expenses (such as room and board) other than qualified education expenses.
- The scholarship or fellowship grant (or any part of it) **may** be applied (by its terms) to expenses (such as room and board) other than qualified education expenses.

You may be able to increase the combined value of an education credit and certain educational assistance if the student includes some or all of the educational assistance in income in the year it is received.

Education Credits

Who Can Claim the Credit?

- Taxpayers who paid qualified educational expenses of higher education for an eligible student.
- Taxpayers who paid the education expenses for a student enrolled at or attending an eligible educational institution. (to determine if eligible, see <http://ope.ed.gov/accreditation>)
- The eligible student is either the taxpayer, taxpayer's spouse or a dependent for whom the taxpayer claims an exemption on the tax return.

Note: Qualified education expenses paid by a dependent for which an exemption is claimed, or by a third party for that dependent, are considered paid by the taxpayer. If a student isn't claimed as a dependent (even if eligible to be claimed), only the student can claim an education credit no matter who paid the expenses. **This doesn't entitle the student to claim a personal exemption on his/her tax return.** Anyone paying the expenses (even directly to the institution) are considered to have given a gift to the student who in turn is treated as having paid the expenses.

¹ None of the credit is refundable if (1) the taxpayer claiming the credit is (a) under age 18 or (b) age 18 at the end of the year, and their earned income was less than one-half of their own support or (c) a full time student over 18 and under 24 and their earned income was less than one-half of their own support; and (2) the taxpayer has at least one living parent, and; (3) the taxpayer doesn't file a joint return

Note: There are two 4-year tests for American Opportunity Credit. First, the credit can be taken only four tax years. Second, the student must not have completed four years of academic credit before the beginning of this tax year. Follow the examples in the **Who is Eligible Student for the American Opportunity Credit** section in Publication 970 for additional information.

Education Credits (Continued)

Probe/Action: To determine if a taxpayer qualifies for the Education Credit.

Who Can Claim a Dependent's Expenses?

If the taxpayer...	Then only...
Claims an exemption on the return for a dependent who is an eligible student	The taxpayer can claim the credit based on that dependent's expenses. The dependent can't claim the credit.
Doesn't claim the exemption on the tax return	The dependent can claim the credit. The taxpayer can't claim the credit based on the dependent's expenses.

Who Can't Claim the Credit?

- Married filing separate filing status
- Anyone listed as a dependent on another person's tax return
- Taxpayers whose modified AGI is more than the allowable income limits
- Taxpayer (or the spouse) was a nonresident alien for any part of the tax year unless one of the exceptions listed in Pub. 519 applies

What Expenses Qualify?

- Expenses paid for an academic period starting in 2016 or the first 3 months of 2017
- Expenses not refunded when the student withdraws from class
- Expenses paid with the proceeds from a loan

What are Qualifying Expenses?

- The term "qualified tuition and related expenses" is expanded for the American Opportunity credit (AOC) to include expenditures for course materials. For this purpose, course materials are books, supplies, and equipment needed for a course of study whether or not the materials are purchased from the educational institution as a condition of enrollment or attendance.

What is Tax-Free Educational Assistance?

- Tax-free parts of scholarships and fellowships
- Pell grants (see chapter 1 of Publication 970)
- Employer-provided educational assistance (see Publication 970)
- Veterans' educational assistance
- Any other nontaxable payment (other than gifts or inheritances) received as educational assistance

Note: Don't reduce the qualified education expenses by any scholarship or fellowship reported as income on the student's tax return if the use of the scholarship isn't restricted **and** used to pay education expenses that aren't qualified (such as room and board).

Note: New law enacted in 2015 requires a taxpayer claiming the American Opportunity Credit to report the EIN of the educational institution of the student claimed on the return.

Note: Taxpayers claiming the AOC must have a valid identification number (SSN, ATIN, ITIN) by the due date of the return (including extensions). Further, any student claimed must also have a valid identification number by the due date of the return. Taxpayers can't file amended returns to claim the credit for any year that the taxpayer and/or student didn't originally have a valid number.

Determining Qualified Education Expenses

Box 1 may include non-taxable scholarship and grant amounts. Be sure to subtract these before using an amount from this box as qualifying expenses. Some students may choose to pay non-qualifying expenses with scholarship/Pell Grant funds, making the scholarship/Pell Grant taxable. This is true even if the scholarship/grant was paid directly to the school. This may increase the amount of qualifying expenses that can be used in calculating an education credit.

Box 2 Shows the total amount billed in 2016 for qualified tuition and related expenses less any reduction in charges made in 2016 that relate to those billed in 2016.

FILER'S name, street address, city or town, state or province, country, ZIP or foreign postal code, and telephone number		1 Payments received for qualified tuition and related expenses \$	OMB No. 1545-1574	2016 Form 1098-T	Tuition Statement

Determine the amount paid by verifying the payment received from the student account statement with the amount shown in Box 1 or 2 of Form 1098-T. Remember to include books, supplies, materials and equipment if claiming the American Opportunity Credit. Also remember to include out of pocket payments made by the student or on the student's behalf. This includes student loans, payments, credit cards and **taxable portions of scholarships/grants.**

Adjusted Qualified Education Expenses Worksheet (Form 8863 instructions)	
1. Total qualified education expenses paid for on behalf of the student in 2016 for the academic period	5,500
2. Less adjustments:	
a. Tax-free educational assistance received in 2016 allocable to the academic period.	3,000
b. Tax-free educational assistance received in 2017 (and before you file your 2016 tax return) allocable to the academic period	0
c. Refunds of qualified education expenses paid in 2016 if the refund is received in 2016 or in 2017 before you file your 2016 tax return	0
3. Total adjustments (add lines 2a, 2b, and 2c)	3,000
4. Adjusted qualified education expenses. Subtract line 3 from line 1. If zero or less, enter -0-	2,500

Example - Bill and Sue are eligible to claim the American Opportunity Credit for their daughter Sarah, who is in her first year of college. They have a Form 1098-T with \$10,000 in box 2 and a \$3,000 Pell grant in box 5. During your interview with Bill and Sue, you determine that \$5,000 was paid in September 2016 for the fall semester; \$3,000 was paid by Pell Grant and \$2,000 was paid by loan proceeds. Also, \$5,000 was billed in December for the Spring 2017 semester, which was paid in January 2017. They paid \$500 for books in 2016. To calculate the eligible expenses for their credit, take the \$5,000 (\$3,000 grant + \$2,000 loan) paid in 2016 plus the \$500 for books and enter on line 1 of the worksheet above. The \$3,000 will be entered on line 2a. The line 3 amount would be \$3,000. Subtracting line 3 from line 1, you get qualified education expenses of \$2,500. In this same example, if the taxpayers opted to include all the income as wages, they wouldn't have any adjustments to subtract to determine their expenses.

Note: If the student doesn't have a copy of their student account statement, ask them to go online thru their College or University to get this information.

Determining the Last Name of Taxpayer

A name control is a sequence of letters derived from a taxpayer's last name that is used by IRS in processing the tax return filed by the taxpayer. It is important that the combination of name control and taxpayer identification number (TIN) provided on an electronically filed return match IRS's record of name controls and TINs.

In e-file, a taxpayer's TIN and name control must match the data in the IRS database. If they don't match, the e-filed return will reject and generate an Error Reject Code.

Individuals may create a mySocialSecurity account at <https://secure.ssa.gov/RIL/SiView.do> to see how their information shows up on Social Security Administration records.

Name Controls for Individual Tax Returns

1. Primary Name Control (SEQ 0050) of Form 1040/1040A/1040EZ must equal the first significant characters of the primary taxpayer's last name. No leading or embedded spaces are allowed. The first left-most position must contain an alpha character. Omit punctuation marks, titles and suffixes within last name field.

Examples:

Individual Name Primary/Secondary Name Control

Individual Name on SSN/ITIN Card(s)	Enter in TaxSlayer®		IRS Database Primary/Secondary Name Control
	First Name Field	Last Name Field	
John Brown	John	Brown	BROW
Walter Di Angelo	Walter	Di Angelo	DIAN
Ronald En, Sr.	Ronald	En	EN
Thomas LeaSmith	Thomas	Lea-Smith	LEA-
Joseph Corn & Mary Smith	Joseph	Corn	CORN
	Mary	Smith	SMIT
Roger O'Neil	Roger	O'Neil	ONEI
Kenneth McCarty	Kenneth	McCarty	MCCA
FNU Smith (First Name Unknown)	FNU	Smith	SMIT
Smith (No First Name)		Smith	SMIT

2. Consider certain suffixes as part of the last name (i.e., Armah-Bey, Paz-Ayala, Allar-Sid). Particular attention must be given to those names that incorporate a mother's maiden name as a suffix to the last name. For example, traditional Hispanic last names include the taxpayer's father's name followed by a space and the taxpayer's mother's maiden name. A married taxpayer's last name remains the same and either simply adds on the spouse's father's name (resulting in 3 names forming the last name) or deletes the mother's maiden name and adds on the spouse's father's name (sometimes the spouse's father's name is preceded by "de").

Examples:

Individual Name Primary Name Control

Mary Her Many Horses	Mary	Her Many Horses	HERM
Ted Smith Gonzalez	Ted	Gonzalez	GONZ
Maria Acevedo Smith	Maria	Smith	SMIT
Robert Garcia Garza Hernandez	Robert	Garza Hernandez	GARZ

3. Below are examples of Indo-Chinese last names and the derivative Name Control. Some Indo-Chinese names have only two characters. Indo-Chinese names often have a middle name of "Van" (male) or "Thi" (female).

Dependent/Qualifying Child Information: Dependents or Qualifying Person(s) are entered next. If the taxpayer is claiming dependents or other qualifying persons on their tax return, select the **YES** button to begin filling in applicable information pertaining to each dependent. To bypass the dependent entry menu, select the **NO** button.

Note 1: Once the ZIP code is entered TaxSlayer® will then auto-fill the city. Correct City name if needed.

Note 2: Resident State Return - This option will allow you to select the taxpayer state of residency. Once the state has been selected, clicking on **Continue** will prompt the state questions. The program will create the state return based on the state selected. If there isn't a state return to complete, choose **None** from the list. The program will automatically transfer all the necessary information into the state return for you.

Note 3: This option will allow you to select the taxpayer state of residency. Once the state has been selected, clicking on **Continue** will prompt the state questions. The program will create the initial state return based on this selection. If there is not a state return, chose "**None**" from the list. Any additional states to be attached will be selected within the State Return section of the return.

Preparing the Return (continued)

To add multiple dependents, click the **Add** button on the following **Dependent or Qualifying Child** screen:

 **Add** Add a Dependent or Qualifying Child

Note: In order for the IRS to accept the tax return electronically, ensure that:

- The correct year of birth is entered
- The dependent's name is spelled correctly
- The correct social security number is entered

If any of these three items are entered incorrectly, the IRS will **reject** the tax return for electronic filing purposes.

Preparing the Return (continued)

Dependent or Qualifying Child

Child Without an SSN or ITIN

Click the box under the Child's name if they do not have a SSN, ITIN or ATIN. A statement will appear asking, "This dependent will be completing a Form W-7, Application for ITIN and yes or no buttons. The Form W-7 is located within the "Federal Section" under the "Miscellaneous Forms" tab. If not applying for an ITIN, select "No" and enter the reason (such as the death of the child) that the child does not have a TIN.

If you are the noncustodial parent, enter "divorce/separation" for the number of months.

If the dependent is not eligible for EIC, Check this box. This will eliminate forms and questionnaire geared to determine EIC eligibility.

* EIC is considered for every return until the program determines that it is not viable. If you know that the dependent is not eligible for consideration, click the box beside "Check if you wish NOT to claim the dependent for Earned Income Credit purposes". Verify names, SSN, and dates of birth with social security card to prevent rejected returns. Children should be listed from youngest to oldest.

Qualifying Child(ren) for Earned Income Credit (EIC):

TaxSlayer® calculates the amount of earned income credit if the client qualifies based on income and other requirements. Reminder: Although age, relationship and residency requirements are the same for EIC as for dependency, support is NOT an issue for EIC (it does not matter whether or not the child, parent, or another provides over half of the child's support).

Enter number of months each individual lived in the taxpayer's home or use "Lived in Mexico" if the dependent lived in Mexico or "Lived in Canada" if the dependent lived in Canada – use the drop-down list. Enter 12 months if dependent was born or died during the year or was temporarily absent (school, vacation, etc.).

Carefully read the selections under the "Please answer the following" list. Check all that apply.

Pointers for Direct Deposit of Refunds

- Using a check or documentation from the financial institution as proof of account, verify:
 - Routing Transit Number (RTN). The RTN must contain 9 digits and begin with 01 through 12 or 21 through 32.
 - Depositor Account Number (DAN). The DAN can be up to 17 characters. Include hyphens but omit spaces and special symbols. Don't include the check number or the dollar amount on canceled checks. On the sample check below, the account number is 20202086.
- Don't use a deposit slip for proof of RTN as this may not be the same RTN used for direct deposit. For direct deposit into a savings account, the taxpayer should obtain a statement from the financial institution to verify the routing and account number for direct deposit. For direct deposit into a checking account, if the taxpayer doesn't have a cancelled check, the taxpayer should also contact their financial institution.
- Entering the incorrect RTN and/or DAN will result in a 4–6 week delay of the refund, or it may go into some else's account. If the direct deposit is voided, a paper check will automatically be mailed to the address on the electronic tax form.
- Double-check the RTN of the financial institution if:
 - You are unfamiliar with the financial institution. (Some types of accounts that exist through brokerage firms can't accept direct deposits.)
 - The RTN is for a credit union, which is payable through another financial institution. The taxpayer should contact his or her credit union for the correct RTN.
- Savings Bonds - Taxpayers can buy U.S. savings bonds with their federal tax refund. Even if the taxpayer doesn't have a bank account or a Treasury account they can elect this option. Taxpayers can make bond purchases for themselves, add beneficiaries or co-owners, and make bond purchases for someone other than themselves. Refer to Form 8888 or www.IRS.gov for more details.
- Remember the split refund option: If a taxpayer chooses to direct deposit his or her refund into two or three accounts, you will need to complete Form 8888, *Allocation of Refund (Including Savings Bond Purchases)*.

Caution: Financial institutions generally don't allow a joint refund to be deposited into an individual account. The IRS isn't responsible if a financial institution refuses a direct deposit.

Caution: Direct deposit of a taxpayer's refund is to be made to an account (or accounts) only in the taxpayer's name. Advise taxpayers their refund may only be deposited directly into his/her own account(s).

Taxpayer's federal and state refunds can't be deposited into VITA/TCE Volunteer or any associated partners' personal or business bank/debit card accounts.

Note: Don't use deposit slip as proof of account because the routing number may be different than on a check.

For more information or to enroll visit [IRS.gov/E-pay](https://www.irs.gov/E-pay) or call EFTPS Customer Service at 1-800-316-6541 (for individual payments). TTY/TDD help is available by calling 1-800-733-4829.

Note: You must have a valid Social Security Number (SSN) to use this application. This application can't accommodate Individual Taxpayer Identification Numbers (ITINs).

6. PayNearMe

Through a partnership with OfficialPayments.com and the PayNearMe Company, taxpayers can now make a cash payment without the need of a bank account or credit card at more than 7,000 7-Eleven stores nationwide. To find a location near you, visit the [PayNearMe](#) locations Web page.

Visit the Payments Options Web page on [IRS.gov](https://www.irs.gov) for the most current information about tax payments.

What if the taxpayer can't pay?

- **Can you pay in full within 120 days?** If taxpayers can pay the full amount they owe within 120 days, go to [irs.gov](https://www.irs.gov) to establish your request to pay in full. By doing this, taxpayers can avoid paying the fee to set up an installment agreement.
- **Applying online for a payment agreement.** If the taxpayer's balance due isn't more than \$50,000, the taxpayer can apply online for a payment agreement instead of filing Form 9465. To do that, go to [IRS.gov](https://www.irs.gov) and enter "Online Payment Agreement" or "OPA" in the "Search" box.
- The taxpayer can request an extension of time to pay if paying the tax by the due date will be an undue hardship. For details see Form 1127 (out of scope).

Offer in Compromise

If the taxpayer can't pay through an installment agreement and/or by liquidating assets, they may be eligible for an Offer in Compromise (offer). An offer is an agreement between the taxpayer and the IRS that settles a tax debt for less than the full amount owed. The IRS may accept an offer if:

- The IRS agrees that the tax debt may not be accurate,
- The taxpayer has insufficient assets and income to pay the amount due in full, or
- The taxpayer has exceptional circumstances and paying the amount due would cause an economic hardship or would be unjust.

The taxpayer can use the Offer in Compromise Pre-Qualifier tool located at [irs.gov](https://www.irs.gov) (key word "offer") to determine if an offer is a realistic option to resolve their balance due. The questionnaire format assists in gathering the information needed and provides instant feedback as to eligibility. To apply for an offer, the taxpayer must read and complete the forms located in the Offer in Compromise booklet, Form 656-B. The Form 656-B, Offer in Compromise, may be found at www.irs.gov (key word "offer").

How can a taxpayer avoid a balance due in the future?

TIP: The more withholding allowances claimed, the less taxes withheld.

- If the taxpayer didn't have enough withheld from his/her paycheck or pension income and there is an amount owed on the current return:
 - Advise the taxpayer to access the Withholding Calculator at [IRS.gov](https://www.irs.gov).
 - On the **Form W-4/Form W-4P**, the taxpayer can reduce the number of allowances or request an additional amount to be withheld.
 - Advise the taxpayer to submit a revised **Form W-4** to the employer. For pension income taxpayers should submit a revised **Form W-4P** to the pension payer. **Form W-4V** is used to request withholding from Social Security or certain other federal government payments.
- If the taxpayer had income that wasn't subject to withholding (such as self-employment, interest income, dividend income, or capital gain income):
 - Explain estimated taxes to the taxpayer. In TaxSlayer®, add Form 1040-ES, Estimated Tax for Individuals, and complete it. Discuss with taxpayer(s) whether to use the minimum required amount or the total amount expected to be due.
- Advise the taxpayer to review Publication 505, Tax Withholding and Estimated Tax.

Forms or Publications can be obtained from [irs.gov](https://www.irs.gov).

- If the taxpayer is receiving advanced premium tax credits, they should notify the Marketplace when they have any significant change to income, family size or a life event.

Note: This information only applies to federal balance due returns. For state information, consult the applicable state.

Estimated Tax Payments:

When *e-filing* a Form 1040 series return, up to four estimated payments can be scheduled for withdrawal on the following dates:

- April 15
- June 15
- September 15
- January 15, of the following year*

* You don't have to make the payment due January 15, if you file your current tax return by February 16, and pay the entire balance due with your return.

PIN Guidelines

The Practitioner PIN method is the preferred only electronic signature method for taxpayers using TaxSlayer software. The ERO may enter the taxpayer's PINs in the electronic return record before the taxpayers sign Form 8879, but the taxpayers must sign and date the appropriate form before the ERO originates the electronic submission of the return. The taxpayer must sign and date the Form 8879 after reviewing the return and ensuring the tax return information on the form matches the information on the return.

Practitioner PIN Guidelines

What? The PIN can be any five numbers except all zeros. If filing a joint return, a PIN is needed for the taxpayer and their spouse. The Practitioner PIN option requires the completion of Form 8879, IRS e-file Signature Authorization, or Form 8878 if filing Form 4868 with electronic funds withdrawal. The taxpayers may authorize the volunteer to enter their PIN on their behalf using Form 8879.

How to use the Practitioner PIN in TaxSlayer®

- 98765 is defaulted in Office Setup
- The information is pulled from Office Setup to Part III of Form 8879

Form 8453, Transmittal for an IRS E-file Return

Form 8453 will be used to transmit specific supporting documents that can't be *e-filed*. Those paper forms, schedules and supporting documents include:

- Form 2848, Power of Attorney and Declaration of Representative (or POA that states the agent is granted authority to sign the return)
- Form 8332, Release / Revocation of Release of Claim to Exemption for Child by Custodial Parent (or certain pages from a divorce decree or separation agreement, that went into effect after 1984 and before 2009) (see instructions)
- Form 8949, Sales and Other Dispositions of Capital Assets (or a statement with the same information), if you elect not to report

your transactions electronically on Form 8949. Form 8453 is to be mailed to the Austin Submission Processing Center within three business days.

Mail Form 8453 to:
Internal Revenue Service
Attn: Shipping and Receiving, 0254
Receipt and Control Branch
Austin, TX 73344-0254

TIP - Alternatively, a PDF of the attachments can be attached to the electronic return. In that case, no Form 8453 is required. To do this, scan the document to create the PDF.

Return Signature

A return isn't considered valid unless it is signed. Both spouses must sign if the return is filed jointly. The return should be dated and the occupation lines should be completed.

Child's Return

If a child can't sign his or her name, the parent, guardian, or another legally responsible person must sign the child's name in the space provided followed by the words "By (parent or guardian signature), parent or guardian for minor child."

Deceased Taxpayer

If a taxpayer died before filing the return, the taxpayer's spouse or personal representative may have to file and sign a return for the person who died. A personal representative can be an executor, administrator, or anyone who is in charge of the decedent's property.

If the taxpayer didn't have to file a return but had tax withheld, a return must be filed to get a refund.

Filing Returns of Deceased Taxpayers

If filing a paper return, write "Deceased," the decedent's name, and the date of death across the top of the tax return.

TaxSlayer® will automatically note on the top of Form 1040 the decedent's name and date of death.

If the spouse died during the year and the surviving spouse didn't remarry, a joint return can be filed. If the spouse died before signing the return, the executor or administrator must

sign the return for the deceased spouse. If the surviving spouse or anyone else hasn't yet been appointed as executor or administrator, the surviving spouse can sign the return for the deceased spouse and enter "Filing as surviving spouse" in the area where the return is signed.

Form 2848, Power of Attorney and Declaration of Representative is no longer valid because the taxpayer is deceased and therefore, Form 56 or new Form 2848 signed by estate executor or representative must be completed.

Filing Returns for Deceased Taxpayers—Using TaxSlayer®

See Tab N for TaxSlayer detailed instructions.

Claiming a Refund for a Deceased Person

If a surviving spouse is filing a joint return with the decedent, file the tax return to claim the refund. Court-appointed representatives should file the return and attach a copy of the certificate that shows their appointment. All other filers requesting the decedent's refund should file the return and attach Form 1310.

Incapacitated Spouse

If one spouse is incapable of signing the joint return and hasn't given someone a POA to sign on their behalf, the other (capable) spouse may be able to sign on behalf of their incapacitated spouse. A statement attached to the return may be required. See Pub 501.

Power of Attorney

1. Read Pub 17 on Power of Attorney & Signatures. For additional details, see Pub 947 and Form 2848 Instructions.
2. See Tab N for TaxSlayer® detailed instructions.
3. Attach a copy of the taxpayer's original paper POA to a copy of Form 8453 for the site to send to the IRS once the return is accepted. Alternatively, you may scan the POA to a PDF and attach the PDF to the return prior to creating the e-file.

Even when the TP's agent is using a POA different than Form 2848, follow the same process.

Distributing Copies of Returns

Taxpayer

- Form 1040 with all forms/schedules including signed Form 8879 and Form 8453, if applicable
- Organize the taxpayer's copy of the return according to the attachment sequence at the top right corner of each form. Any supplemental schedules are put at the end.
- Form 8332, if applicable
- Original Power of Attorney, if applicable
- State forms/schedules, as applicable
- All other taxpayer documents including Form(s) W-2 and Form(s) 1099

Where to File Paper Returns

When a paper return must be filed, advise the taxpayer to sign and mail the **federal** return to the applicable **IRS** address for the state where the taxpayer lives. The taxpayer must be given an exact copy of the paper return to be filed. Additional copies of the schedules and worksheets should also be provided, as appropriate.

If applicable, State income tax returns should be signed and mailed to the appropriate address for that state.

Mailing addresses can be located in the Partner Resource Tab and on www.irs.gov. In the search box, type "Where to file addresses". The addresses are also located in Form1040 instructions.

The Quality Review Process

Every tax return must be Quality Reviewed prior to the taxpayer leaving the site.

Volunteer Preparer

1. Advise the taxpayer of the importance of this Quality Review Process and their role in the process.
2. Compile the taxpayer's supporting documents and their intake and interview sheet.
3. Introduce the taxpayer to the quality reviewer and provide all items used to complete the return.

Quality Reviewer

1. Ask the taxpayer if all of their questions have been answered by the preparer.
2. Verify you have a copy of the tax return and all documents used to prepare the tax return. (Form 13614-C, W-2's, Form 1099's, Social Security documents, identification, etc.)
3. Conduct the Quality Review by addressing all items listed in Section VIII (Page 3) of Form 13614-C.
 - Taxpayer (and Spouse's) identity was verified with a photo ID.
 - The volunteer return preparer/quality reviewer are certified to prepare/review this return and return is within scope of the program.
 - All questions in Parts I through VI have been answered.
 - All unsure boxes were discussed with the taxpayer and correctly marked yes or no.
 - The information on pages one through three was correctly addressed and transferred to the return.
 - Names, SSNs, ITINs, and EINs, were verified and correctly transferred to the return.
 - Filing status was verified and correct.
 - Personal and Dependency Exemptions are entered correctly on the return.
 - All Income (including income with or without source documents) checked "yes" in part III was correctly transferred to the tax return.
 - Adjustments are correct.
 - Standard, Additional or Itemized Deductions are correct.
 - All credits are correctly reported.
 - All Affordable Care Act information is reported correctly.
 - Withholding shown on Forms W-2, 1099 and Estimated Tax Payments are correctly reported.
 - Direct Deposit/Debit and checking/saving account numbers are correct.
 - SIDN is correct on the return.

If there are errors:

- Discuss the error with the preparer and make sure you are both in agreement on the correction(s).
- Make correction(s) on Form 13614-C.
- Explain the error and correction with the taxpayer.

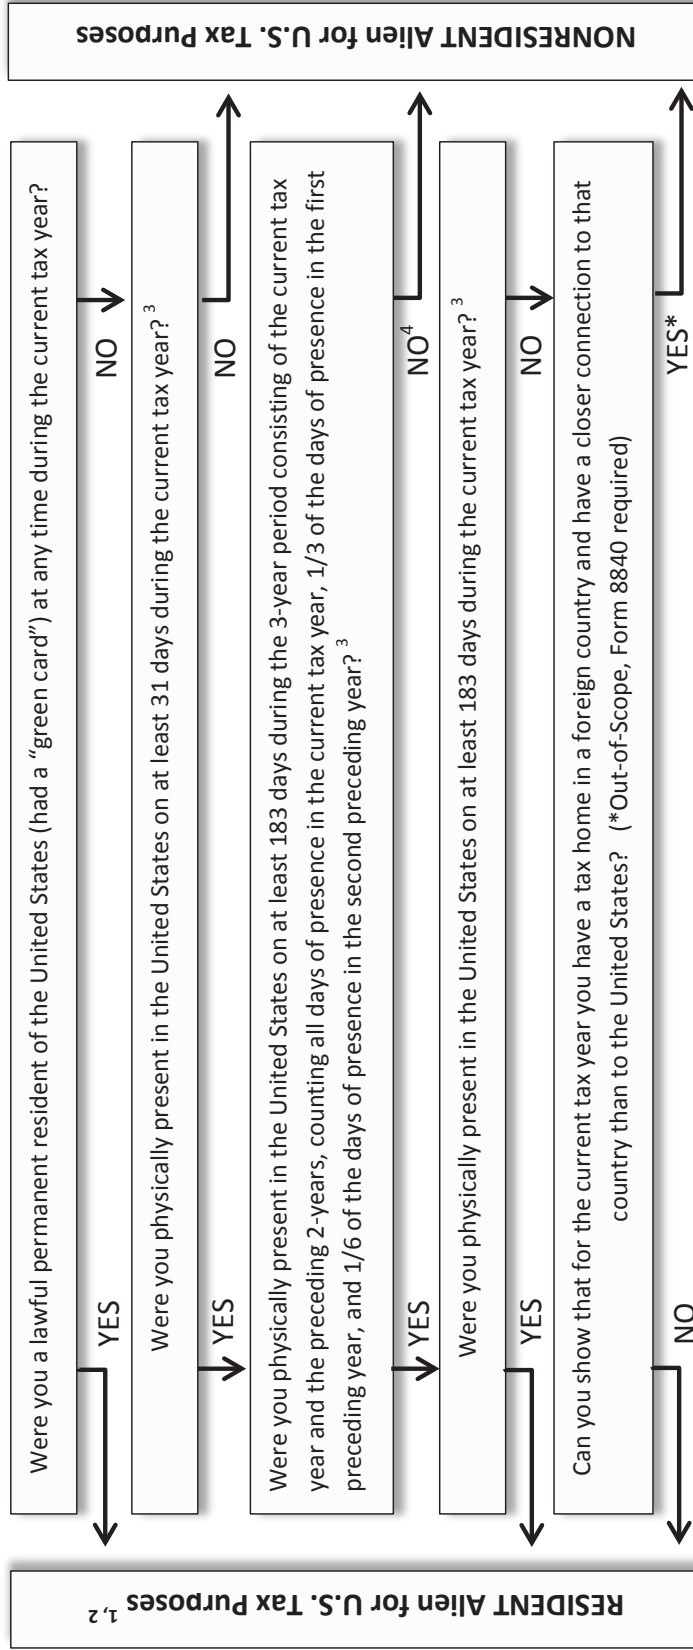

If there are no errors or after correcting errors:

- Ask taxpayer(s) if they have any questions.
- Advise taxpayer(s) that they are responsible for the information on the return. (This can be done by having taxpayer(s) review the statement in Part II of Form 8879, *IRS e-file Signature Authorization*)
- Obtain the appropriate taxpayer signatures and submit for e-filing.
- Place the copy of the taxpayer's return and supporting documents in Publication 730, *Important Tax Records Envelope (VITA/TCE)* or a Tax-Aide envelope, if available.
- Advise the taxpayer to bring completed tax return with worksheets (or the envelope and all its contents) back next year.

Resident or Nonresident Alien Decision Tree

Nonresident Alien or Resident Alien? - Decision Tree

Start here to determine your residency status for federal income tax purposes

- 1 If this is your first year of residency, you may have a dual status for the year. See Dual-Status Aliens in Pub 519. (Out-of-Scope)
- 2 In some circumstances you may still be considered a nonresident alien and eligible for benefits under an income tax treaty between the U.S. and your country. Check the provision of the treaty carefully. (Out-of-Scope)
- 3 See Days of Presence in the United States in Pub 519 for days that do not count as days of presence in the U.S. (Exempt individuals such as students, scholars, and others temporarily in the U.S. under an F, J, M, or Q visa's immigration status do not count their days of presence in the U.S. for specified periods of time.)
- 4 If you meet the substantial presence test for the following year, you may be able to choose treatment as a U.S. resident alien for part of the current tax year. See Substantial Presence Test under Resident Aliens and First-Year Choice under Dual Status Aliens in Pub. 519. (Out-of-Scope)

Electronic Filing of Returns with Valid ITIN

Returns can be electronically filed when the taxpayer has an Individual Taxpayer Identification Number (ITIN) but has a Form W-2 with a Social Security Number (SSN) not belonging to that taxpayer.

1. The taxpayer's ITIN must be entered on the personal information screen in the space provided for the taxpayer's, or if applicable, spouse's social security number.
2. When completing the Form W-2 in TaxSlayer®, enter the SSN shown on the paper Form W-2. The Internal Revenue Service requires the manual key entry of the Taxpayer Identification Number (TIN) as it appears on Form W-2 received from the employer for all taxpayers with ITINS who are reporting wages. The ITIN that was entered when the return was started won't auto-populate the TIN on Form W-2 for these ITIN filers.

Note: ITIN taxpayers requesting to file Forms 1099-R with an incorrect Social Security Number must file a paper return. These returns can't be e-filed. There are no procedures in place to efile these types of returns.

Creating a Temporary TIN when the Spouse and/or Dependent(s) are Applying for an ITIN

TaxSlayer® will not generate temporary ITINs for the taxpayer, spouse and/or dependents on a return if Form W-7 is needed. The ITIN application requires a federal tax return be associated with all Form W-7 applications (with some exceptions as noted in the instructions for Form (W-7). Federal tax returns can't be filed using electronic return preparation software without a TIN (taxpayer identification number). If the taxpayer is working under an erroneous social security number, that social security number should be used only on the W-2.

1. In the TIN field for all individuals needing to complete Form W-7, enter all digits as zeros "0". A return requiring three temporary TINs will be entered as follows:

The spouse's	000-00-0000	Start a return using all digits as zeros "0".
The first dependent's	000-00-0000	Go to Miscellaneous Forms to find the W-7.
The second dependent's	000-00-0000	
2. Select each individual in TaxSlayer®. See Preparing the Return tab, determining the Last Name of Taxpayer. Fill in name of each family member applying for an ITIN on a separate Form W-7 application. Make sure that names match required documentation that clients will be submitting with their W-7 application(s).
3. Print the return package, and provide the return package to the taxpayer to mail with Forms W-7 to the address shown on the Form W-7 instructions.
4. If the taxpayer has a family pack that includes multiple Forms W-7 with one return, or multiple returns with one Form W-7, these forms should be staggered and stapled together to show the entire package as a family pack. This will prevent separation of the forms/returns that could delay the processing time.
5. Have taxpayers mail Form W-7 application(s), all necessary documentation, and tax return or take to local IRS office. **Note: Not all local IRS offices are authorized to process Form W-7 applications. See the list of supporting documentation in the Form W-7 Instructions.**
6. If applicable, prepare a copy of the state with a copy of the Federal attached. If taxpayers will not owe state, suggest they hold the state until they receive their official ITIN cards - may take 6-8 weeks - and record the ITINs on the tax returns before mailing.

Note: ITINs will expire if not used within three years.

The following communication products provide information on changes being made to the Individual Taxpayer Identification Number (ITIN) program this year. They are intended for use in raising awareness among taxpayers with a need to file a federal tax return in 2017 but whose ITIN will expire at the end of 2016. The products, available in multiple languages, are offered in electronic format for electronic distribution or for printing.

Publication 5259 (EN-SP), *ITIN Fact Sheet*

This publication is a guide to changes IRS is implementing resulting from the December 2015 PATH Act legislation requiring expiration of certain ITINs. It also covers changes to the use of a passport as a stand-alone document for dependent ITIN applications.

Publication 5256 (EN-SP), *You May Need to Renew Your Expired ITIN*

This publication provides taxpayers quick facts about which ITINs are expiring and how to get more information. It provides three flyers per page and can be printed and cut/separated for use.

Publication 5257 (EN-SP), *Renewing Your ITIN*

This publication is a full page document detailing the facts about expiring ITINs and basic information about how to renew them. There's an electronic version with resource links and a printable version with instructions on how and where to find more information.

Amended Returns

Important: If the original return isn't already in TaxSlayer®, you will need to create the return in TaxSlayer® by using a copy of their original return. Amended returns can't be electronically filed and must be mailed to the IRS. Direct deposit/debit isn't available for amended returns.

Caution: Protecting Americans from Tax Hikes (PATH) Act 2015 prevents taxpayers using newly issued ID numbers to retroactively claim refundable tax credits in prior years. For example, someone who filed a tax return under an ITIN and later got an SSN can't file amended return(s) to claim EITC.

A. Pull original tax return amounts to Form 1040X Original column

Prior Year Returns

Who can prepare prior year returns?

Sites are encouraged to prepare prior year returns if they have the required technical resources described below. Prior year returns may only be prepared and reviewed when the tax topics are within scope for VITA/TCE and within the volunteers' current level of training and certification. They don't need to be certified in the actual prior year. Determining the certification level of the return is described below in Getting Started.

Getting started:

- TaxSlayer® only provides software for the 3 years prior to the current tax year.
- A **current** year Form 13614-C must be completed for **each** prior year and will be used to determine the scope and certification level of each return
- Taxpayers with out-of-scope returns should be advised to seek assistance from a paid tax preparer.
- Assign prior year returns to experienced volunteers if at all possible.
- Direct deposit or debit isn't available for prior year returns. IRS will mail refund checks to the address on the prior year return.

Beware: Taxpayers can't retroactively claim some tax credits with newly issued ID numbers.

As of December 2015, taxpayers can no longer:

- File a prior year return claiming EITC on the basis of newly issued social security numbers (SSNs) for themselves and/or qualifying dependent(s).
- File a prior year return claiming American Opportunity Tax Credit on the basis of newly issued SSNs, Individual Taxpayer Identification Numbers (ITINs) or Adoption Taxpayer Identification Numbers (ATINs) for themselves and/or qualifying student(s).
- File a prior year return claiming Additional Child Tax Credit on the basis of newly issued SSNs, ITINs, or ATINs for themselves and/or qualifying child.

Technical resources:

The following tools are useful resources:

- Prior year return tax preparation software.
 - TaxSlayer Pro® Online users can access the prior year software from the home page.
 - Desktop sites will need to download and install the prior year software from the TaxSlayer website. Sites will use their current EFIN and setup the software as usual. No registration codes are needed with TaxSlayer®.
- Applicable Publications 17 and 4012 and volunteer quality alerts/volunteer tax alerts (available on irs.gov)
- Forms 13614-C from prior years are helpful. Sites may keep hard copies or rely on electronic copies.
- Taxpayer's Wage and Income Transcripts from their IRS records are extremely useful.

Note: For transcripts, taxpayers can go to [irs.gov/individuals/Get-Transcript](https://www.irs.gov/individuals/Get-Transcript), register, and secure transcripts online if they have email and can comply with enhanced verification. Taxpayers can also request transcripts to be mailed to the address on file and takes 5 to 10 calendar days for delivery. In addition, taxpayers can request a transcript via Form 4506-T, or by calling 1-800-908-9946.

- Prior year publications and instructions to forms and schedules are available on www.irs.gov.
- Use the online tool Interactive Tax Assistance (ITA) for answers to many current and prior year tax law questions. ITA is available on www.irs.gov.

Prior Year Returns (continued)

Whether to e-file or mail prior year returns:

Only the two most current prior years can be e-filed. Older prior year returns must be mailed to the appropriate IRS address from the list at Tab P, “Where Do You File” page. Also, refer to Tab K for additional information regarding balance due returns and payment options.

Expired Tax Topics and Other Issues Applicable to Prior Years:

Refer to the Publication 17 for the applicable tax year and review the “What’s New” section.

What if a site cannot prepare a requested prior year return?

If possible, refer the taxpayer to other VITA/TCE sites that offer prior year return service. Otherwise, advise the taxpayer to seek assistance from a paid tax preparer. (**Note:** Don’t refer taxpayers to their local IRS Tax Assistance Center because they no longer prepare tax returns for individuals.)

Begin IRS e-File Process

When the tax return is ready to be electronically filed, you will be taken through the IRS e-File process. The client's tax return will only be electronically filed after each step in the E-file process is complete based on the type of return you are processing.

The screenshot shows the 'E-File' interface. At the top right, there are 'Back', 'Save', and 'Log out' buttons. The main heading is 'Return Type'. Below this, a message states: 'Your return is now ready to be e-Filed to the IRS. Please make sure that all information you enter below is correct.' A caution box follows: 'CAUTION: Your client's return will not be sent to the IRS unless you complete ALL steps. None of the information is saved until all information is entered and the "Continue" button below is clicked.' Below the caution, it says: 'To continue the e-File process, please first select a return type and the form will ask for all required information.' There is a 'Refund summary' button on the right. Under 'Send State Only', there is a radio button. The 'Federal Return Type' is set to 'Paper Return with Direct C'. The 'ERO Information' section shows 'Efin#: 369258' and 'EroName#: Support'. A 'Next' button is at the bottom left. At the bottom of the screen, there are several expandable sections: 'Tax Preparation and E-File Information', 'State Return(s)', 'Taxpayer Bank Account Information', 'Third Party Designee Info', and 'Questions'.

Federal Return Type – Select an electronic return type from the drop down menu.

For returns containing a federal refund:

You will be prompted to enter the name of the bank, the type of account (checking or savings), the bank routing transmit number and the bank account number. You will also be prompted to enter the amount of the payment, the requested payment date and the client's day-time phone number. Note: If the requested payment date is after April 15th, or the due date of the return, you must enter the current date.
- **Paper Return** – If the client wishes to mail their tax return, select this option. The return, payment and payment voucher should be mailed to the IRS processing center assigned to the client's state of residence. Optional Contingency Plans for Maintaining VITA/ TCE Return Preparation Operations (During Unexpected Circumstances)

In the event that the following situations occur:

- Software system outages
- The Site's internet or equipment isn't operating
- A Quality Reviewer isn't available (see *Quality Review Only Using the Virtual Model, below*)

Partners may, at their discretion, choose among the following pre-approved options to continue preparing tax returns in lieu of closing the site for the day:

- *TaxSlayer® ProWeb Alternative Preparation Solution** using TaxSlayer® Desktop
- Offer Facilitated Self Assisted** (FSA) services, if available
- Temporary Virtual VITA/TCE Process—*explained below*

*This option should be established during the Pre-Planning Phase of site operations.

**This option should be established during the Pre-Planning Phase of site operations. Refer to Publication 1084 (Site Coordinator's Handbook) for more detailed information.

Temporary Virtual VITA/TCE Process

Secure Taxpayer Consent:

- The taxpayer must present proof of identity, which includes a photo identification for him/her and if applicable, their spouse.
- If the taxpayer agrees to use the virtual process for preparing their tax return, the volunteer will prepare Page 1 of the Form 14446, *Virtual VITA/TCE Site Model Taxpayer Consent*, and the taxpayer is required to complete Page 2. Taxpayer must answer "Yes" or "No" to the question regarding "Request to Quality Review Your Tax Return."
- The appropriate virtual method(s) and step-by-step procedures will be explained to the taxpayer and timeframes will be established for the taxpayer to return to the site and complete the process.

A secure process for authenticating both the taxpayer and the volunteer must be provided to the taxpayer, in the event that additional information is required to complete the tax return. Please refer to Publication 4299, *Privacy and Confidentiality-A Public Trust* for more information.

Optional Contingency Plans for Maintaining Site Operations (continued)

Intake/Interview:

The intake and interview process must be performed before the taxpayer leaves the site.

- IRS tax law certified volunteers must conduct the initial interview following all the steps outlined in Pub 5101, Intake/Interview and *Quality Review Training*.
- The volunteer will need to make notes on the Form 13614-C indicating the appropriate filing status and dependency exemptions.
 - Eligibility determinations for deductions and credits will be made and documented on the Form 13614-C.
 - All oral testimony must be thoroughly documented on the Form 13614-C for use during the return preparation at a later time.
- The verified SSN's and/or ITIN's will need to be written on the Form 13614-C for all persons that will be included on the tax return.
- A phone number where the taxpayer can be reached will be secured for use by the IRS certified tax return preparer. Refer to Publication 4299, *Privacy and Confidentiality-A Public Trust* for more information on establishing protocols to authenticate the identity of both the volunteer and the taxpayer.
- The taxpayer will leave their tax documents and the completed Form 13614-C for their tax return to be prepared once the software can be accessed and/or when a non-face-to-face quality review will be conducted.
- The taxpayer will be given a date/time to return to the site to participate in the quality review and/or sign the Form 8879, and secure a copy of their return. If a timeframe can't be provided while the taxpayer is still onsite, the Site Coordinator will provide this information to the taxpayer as soon as a timeframe is available.

Quality Review Only Using the Virtual Model:

If the site is able to prepare the return using normal face-to-face procedures but the return isn't able to be Quality Reviewed during the taxpayer's visit:

- Follow all of the procedures above in the "Secure Taxpayer Consent".
- Complete the tax return as normal.
- Explain that the taxpayer will be contacted by the Quality Reviewer.

Refer to Publication 4299, *Privacy and Confidentiality-A Public Trust* for more information.

For more detailed information on how to use a Virtual VITA/TCE process throughout the filing season refer to the Virtual VITA/TCE process located in Publications 1084, Site Coordinators Handbook and 4396-A, Partner Resource Guide.

Information for Assisting People with Disabilities

It is important to read and understand Publication 5192 *Ten Key Points for Communicating with People with Disabilities* (refer to the link below) because there are many misconceptions (often benevolent but misguided) about interacting with people with disabilities. Therefore, if one wants to show concern and respect for a person with a disability, it is worth considering the guidelines in Publication 5192.

<http://www.irs.gov/pub/irs-pdf/p5192.pdf> - Ten Key Points for Communicating with People with Disabilities

The following videos describe the taxpayer experience at free tax preparation sites and explain basic information about the return preparation process. Identity Theft Job Aid for Volunteers

Being sensitive towards victims of identity theft is critical to assisting taxpayers through a confusing and frustrating situation. Remember victims of identity theft are:

- Victimized by identity thieves-mostly through no fault of their own, and
- Trying to comply with tax laws– file tax return and pay their fair share of taxes

Every December, the IRS Identity Protection Specialized Unit (IPSU) mails Notice CP01A to taxpayers previously identified as identity theft victims. The notice includes a 6-digit Identity Protection Personal Identification Number (IP PIN) to be entered on the tax return. Taxpayers are mailed Notice CP01A every year as long as the identity theft indicator remains on their account (usually 3 years) Use the most recent IP PIN regardless of the tax year.

When assisting taxpayers who are victims or may be victims of identity theft at VITA/TCE site:

If...	Then...
Identity Protection PIN (IP) PIN was issued to primary and/or, secondary and/or dependent taxpayer(s)	Ensure the IP PIN is input correctly on the tax return.
Taxpayer received an IP PIN but didn't bring it with them	<ol style="list-style-type: none"> 1. Complete a tax return for the taxpayer. 2. Provide taxpayer with a complete copy of the tax return. (Provide two copies if the taxpayer will mail the tax return.) 3. Refer to Replacing Lost or Missing IP PIN below. 4. If taxpayer wants to e-file, arrange for the taxpayer to provide the IP PIN by returning to the site or via telephone.
Taxpayer received an IP PIN but misplaced or lost it	<ol style="list-style-type: none"> 1. Complete a tax return for the taxpayer. 2. Provide taxpayer with a complete copy of the tax return. (Provide two copies if the taxpayer will mail the tax return.) 3. Refer to Replacing Lost or Missing IP PIN below. 4. If the taxpayer receives original or a replacement IP PIN and wants to e-file, arrange for the taxpayer to provide the IP PIN by returning to the site or via telephone.

Provide taxpayer with two complete copies of the tax return. 3. If the taxpayer receives the original or a replacement IP PIN and taxpayer wants to e-file, advise the taxpayer to provide the IP PIN by returning to the site or via telephone. 4. If IPSU doesn't provide the IP PIN, advise taxpayer to follow IPSU instructions in mailing the tax return. There may be processing delays as IRS verifies the taxpayer's identity.
IRS rejected the taxpayer's tax return because the taxpayer's primary/secondary/dependent SSN was previously used.	<ol style="list-style-type: none"> 1. Advise the taxpayer to contact the IPSU for assistance. If required, the IPSU will advise the taxpayer to complete Form 14039 and to mail it with their tax return to the IRS. 2. Provide the taxpayers two copies of their tax return.

Replacing a Lost or Missing IP PIN

If a taxpayer didn't receive his/her new IP PIN or the taxpayer misplaced it, the taxpayer has two options:

1. A taxpayer can register and create a user profile to get his/her current IP PIN at <https://www.irs.gov/individuals/get-an-identity-protection-pin>. The registration process will require the taxpayer to provide specific personal information and answer a series of questions to validate his/her identity.
2. Contact IPSU at 1-800-908-4490, to receive a replacement IP PIN if the taxpayer is unable or unwilling to create an account on IRS.gov. **CAUTION:** Using a replacement IP PIN will cause a delay in processing the tax return and the issuance of any refund the taxpayer may be entitled to.

Frequent Taxpayer Inquiries

Taxpayers normally ask questions during the interview process about the topics covered in this section. Visit [www.irs.gov-keyword: 1040 Central](http://www.irs.gov-keyword:1040) or see Publication 17 for additional topics and information.

Installment Payment

Publication 594, The IRS Collection Process, explains taxpayers' rights and responsibilities regarding payment of federal taxes.

Copies of Prior-Years' Returns

Transcripts of prior-year returns may be obtained by going to <https://www.irs.gov/individuals/Get-Transcript> or by filing Form 4506-T, Request for Transcript of Tax Return. The website can be used to get prior-year information needed for this year's return.

If an actual copy is needed, taxpayer should complete Form 4506, Request for Copy of Tax Return, and mail it with the required fee to the IRS campus where the return was filed.

Amended Returns (See Other Returns Tab)

Form 1040X, Amended U.S. Individual Income Tax Return should be used by taxpayers to amend their return. Many mistakes are corrected in processing by the IRS and a letter of explanation is mailed at the time an error is identified or when a refund is issued. In these cases, taxpayers aren't required to file an Amended Return as the corrections have already been made.

Preparation of amended returns has expanded in the VITA/TCE programs. Sites can choose to file amended returns even if they didn't prepare the original return.

Taxpayer Address Changes

Taxpayers should use Form 8822, Change of Address, to notify the IRS of any change of address. If taxpayers move after filing the return and before a refund is received, they should notify their old post office and the IRS of their new address.

Recordkeeping

Taxpayers should keep their tax documents until the statute of limitations runs out for the return. Usually, this is three years from the date the return was due or filed, or two years from the date the tax was paid, whichever is later. Refer taxpayers to Publication 17, Filing Information or at www.irs.gov – keyword: Recordkeeping.

FREE Tax Preparation Locations

Consult your Site Coordinator for information about the location of other VITA/TCE sites in your area. Taxpayers may call 1-800-829-1040 or visit AARP's website at www.aarp.org/taxaide or call 1-888-227-7669 for this information.

Problems Navigating the IRS

Taxpayers may contact the Taxpayer Advocate if their attempts to deal with an IRS problem are unsuccessful.

Taxpayers can visit www.irs.gov/advocate or see Publication 1546, for details on what the Taxpayer Advocate Service provides. Also suggest Publication 910, Guide to Free Tax Services.

Refund Information

Taxpayers should be directed to www.irs.gov to obtain information about their refund. Specific information is available by clicking on "Where's My Refund?"

Innocent Spouse Relief

Taxpayers who file a joint tax return are jointly and individually responsible for the tax and any interest or penalty due on

the joint return even if they later divorce. In some cases, a spouse (or former spouse) will be relieved of the tax, interest, and penalties on a joint tax return. Spousal relief is granted in certain situations when a taxpayer can prove he/she isn't liable for amounts due in joint filing situations.

Taxpayers should see Publication 971, Innocent Spouse Relief which explains the types of relief, who may qualify for them, and how to get them. Married persons who didn't file joint returns, but who live in community property states, may also qualify for relief. (Out of scope for VITA/TCE prepared returns.)

Injured Spouse Relief

An injured spouse claim is different from an innocent spouse relief request. An injured spouse can request the division of tax overpayment attributed to each spouse. The injured spouse must file Form 8379, Injured Spouse Allocation, to request his or her portion of a joint refund.

Married Filing Separately

Unless required to file separately, married taxpayers may want their tax figured on a joint return and on separate returns, to make sure they are receiving the most advantageous filing status. Filing separately may be advantageous for some taxpayers in certain situations. Generally, however, married taxpayers pay more combined tax on separate returns than they would on a joint return. See Publication 17, Filing Status, for Special Rules (which outlines the disadvantages).

Social Security Numbers and Account Information

Social Security no longer issues Social Security Number verification printouts in their field offices. Taxpayers may get this information using the **my Social Security Account** feature on www.ssa.gov. Local Social Security offices would continue to provide benefit verification letters.

Hardship Refund Request

A taxpayer's tax refund will be offset (intercepted) to pay outstanding Federal tax debts, child support, Federal non-tax debts, state income tax debts, and unemployment compensation debts. When a tax refund is offset, the taxpayer will receive a letter explaining how the refund was applied to his or her outstanding debt.

If a taxpayer would face a hardship from a tax refund offset and has only outstanding Federal tax debts, he or she can request an Offset Bypass Refund (OBR) from the IRS. Refer the taxpayer to the Taxpayer Advocate Service to see if they meet TAS case acceptance criteria. The OBR typically should be requested before the return is filed because the OBR must be approved before the refund is offset.

Requests for hardship relief from other debts must be made to the agency to which the debt is owed. The Treasury Offset Program (TOP) can confirm whether a tax refund will offset for these other debts and provide details about the debt and a contact phone number for the agency to which the debt is owed. The TOP Call Center can be reached weekdays at 800-304-3107, TTD 866-297-0517, between 8:30 a.m. and 6 p.m. Eastern Time.

Networking TaxSlayer Pro Desktop

Many sites are now successfully using simple Local Area Networks (LANs) for improved productivity and security. Using LANs at sites is strongly encouraged. For TaxSlayer Pro software, a sub-network with its own router creates a secure system, separate from your site host's computers and simplifies printer setup.

Using a LAN for Desktop software also has numerous advantages especially for the e-file site manager, as listed below:

- Better security - only one computer actually holds the data;
- Only one computer requires TaxSlayer Pro Desktop updates;
- Only one computer needs to be backed up;
- All networked computers have access to all returns when the network is running;
- Quality Review can be conducted from any one of the networked workstations;
- Printer sharing is easy as printer switches are not required.

Note: When using network printers, always set them up with a "static IP address" to ensure the printer will not be "lost" by the network when a router is allowed to randomly reassign IP addresses each time the network is setup.

Use of Wireless Technology

IRS recommends partners/volunteers use wired connections when transmitting taxpayer information via the internet. If partners/volunteers, after assessing their individual risks, still decide to use wireless devices to transmit taxpayer information to TaxSlayer, LLC, at a minimum, partners/volunteers should use:

1. Wi-Fi Protected Access – (WPA2) certified equipment and software. WPA2 uses government strength encryption in the Advanced Encryption Standard (AES); and
2. AES with a minimum of 256-bit encryption; and
3. WPA2 Robust Security Network (RSN) framework should be used with authentication to establish a secure wireless connection between WLAN (Wi-Fi Local Area Networks) devices; and
4. The default network name or SSID (Service Set Identifier) should not be used. The SSID character string should not reflect names associated with VITA, TCE, IRS, or tax preparation. (i.e. do not use TCE Library site, Tax Prep Network, etc.)

Partners/volunteers are encouraged to use TaxSlayer Pro when using wireless devices since all taxpayer data is stored on a secure server located in the TaxSlayer, LLC data center.

Contingency Plan

TaxSlayer makes a contingency procedure available in the rare event that the web site becomes unavailable. If that happens, you can use TaxSlayer Pro's desktop application to prepare and e-file returns.

Download the desktop application in advance so that your site does not have any downtime. Do not install TaxSlayer Pro on a network as a contingency plan. Instead, install on a stand-alone computer with an internet connection.

To download the desktop application, use the following steps:

1. Log in to TaxSlayer Pro Online.
2. Click Contingency Software

TaxSlayer Pro Online begins downloading the setup file:

3. When TaxSlayerPro.com completes the download, click the file.

Windows displays the InstallShield Wizard for TaxSlayer Pro:

4. Complete installation and setup as described in the Installing TaxSlayer Pro Desktop section.

TIP: For a complete listing of contingency options, refer to IRS Publication 4396-A, Partner Resource Guide.

Contingency Plan (continued)

In order for the TaxSlayer Pro Desktop contingency plan to work successfully, it is important to keep the designated computers updated with the latest desktop software versions. TaxSlayer Pro Desktop automatically updates the first time you open it each day. We recommend that you do this daily or weekly.

If a software system outage necessitates the use of a temporary contingency plan, you can use the installed and updated version of TaxSlayer Pro Desktop to complete any returns you need to prepare during the outage. Sites will be able to work the return completely from the desktop application, including e-filing and getting acknowledgments. The return will remain in the desktop application for the duration of the filing season.

TIP: Returns prepared using the desktop software during a contingency plan will be transmitted from the desktop software. You will also use the desktop software to retrieve any acknowledgement associated with the returns transmitted from the desktop software.

When TaxSlayer Pro Online is available again, use it to prepare new returns and complete any returns you started previously in TaxSlayer Pro Online.

Rejected Returns

The most common rejects involve errors in either the taxpayer(s) or their dependents' Social Security Number (SSN) and the Employer Identification Number (EIN) that appears on the Forms W2 and Forms 1099. The IRS performs a name match on these numbers that can cause a return to be rejected. Typographical and other errors can often be easily resolved. The Taxpayer may need to be contacted to determine the correct EIN or SSN numbers. Neither the IRS nor TaxSlayer Pro® can resolve these rejects

(Top) Reject Codes

Top Reject Codes	Suggested Solutions
506 Qualifying child's SSN listed for the purpose of claiming Earned Income Credit (EIC) has been used on another tax return.	Verify SSN of the dependent. If correct, the return will need to be mailed. Explain that this could be inadvertent error on a mailed return OR it is possible someone else may have knowingly claimed this dependent.
504 Dependent's Social Security Number (SSN) must match data from the IRS Master File.	Verify NAME & SSN or ITIN. Check Spelling & Data Entry. Verify info with client - have client contact SSA to verify information. Ask to see the Social Security Card(s).
503 Last name for the secondary taxpayer on the return does not match the IRS Master File and/or Social Security Administration (SSA) records.	Verify the name, SSN or ITIN. Ask to see the Social Security card of the spouse. Check for spelling and transposition errors. If the data entered is incorrect, make the corrections and retransmit the return.
501 Qualifying SSN on Schedule EIC and the corresponding Qualified Name Control must match data from the IRS Master File.	Can be a companion to Reject Code 504. However if the Qualifying Child listed for EIC is a dependent on page one of tax return and only Reject Code 501 verify source data for year of birth or verify with client the year of birth. IRS only verifies year – not month or day – of birth.
541 Taxpayer must be older than qualifying child on Schedule EIC.	Verify birthdays of taxpayer and child.
500 Primary SSN and Primary Name Control of the Tax Form must match data from the IRS Master File.	Verify NAME & SSN or ITIN. Double Check Source Document. Review NAME Control.
535 Qualifying SSN on Schedule EIC and the corresponding Year of Birth must match data received from the Social Security Administration.	Verify birthday of child. Verify NAME & SSN.
502 Employer Identification Number of Form W-2,W-2G, or 1099-R must match data from the IRS Master File.	Based on the ACK Report determine if W-2, W-2G or 1099R. If more than one, determine from ACK Report which number. Double check the source document. If still incorrect contact payer or have client contact payer. If still unable to resolve will have to mail the return.
600 Taxpayer must file Form 8862 to claim EIC after disallowance.	Complete Form 8862.
507 Dependent's SSN of the Form 1040/A was previously used for the same purpose.	Verify SSN of the dependent. If correct, the return will need to be mailed. Explain that this could be inadvertent error on a mailed return or it is possible someone else may have knowingly claimed this dependent.

Taxpayer Civil Rights

The Department of the Treasury-Internal Revenue Service will not tolerate discrimination based on race, color, national origin (including limited English proficiency), disability, reprisal, sex (in education programs or activities) or age in programs or activities receiving federal financial assistance from the Internal Revenue Service.

Persons with disabilities and/or limited English proficiency should be able to participate in or benefit from programs and services that IRS supports. Taxpayers with a disability may request a reasonable accommodation and taxpayers with limited English proficiency may request language assistance to access service. For additional information refer to <https://www.irs.gov/uac/Your-Civil-Rights-Are-Protected> for reasonable accommodation.

If a taxpayer believes that he or she has been discriminated against, a written complaint should be sent to:

Operations Director, Civil Rights Division
Internal Revenue Service Room 2413
1111 Constitution Avenue, NW
Washington DC 20224

Email edi.civil.rights.division@irs.gov

Do not send tax returns, payments or other non-civil rights information to this address.

Low Income Tax Clinics

Low Income Taxpayer Clinics (LITCs) represent low income individuals in disputes with the Internal Revenue Service, including audits, appeals, collection matters, and federal tax litigation. LITCs can also help taxpayers respond to IRS notices and correct account problems. Some LITCs provide education for low income taxpayers and taxpayers who speak English as a second language (ESL) about their taxpayer rights and responsibilities.

LITC services are free or low cost for eligible taxpayers. LITCs are independent from the IRS but receive some of their funding from the IRS through the LITC grant program. Each clinic determines whether prospective clients meet income guidelines and other criteria before agreeing to represent them.

Find a clinic near you on the [LITC Map](#) or IRS [Publication 4134, Low Income Taxpayer Clinic List](#). This publication is also available at www.irs.gov/orderforms or at your local IRS office.

Taxpayer Advocate Service

The Taxpayer Advocate Service (TAS) is an independent organization within the IRS, led by the National Taxpayer Advocate. Its job is to ensure every taxpayer is treated fairly and that taxpayers know and understand their rights. TAS offers free help to taxpayers in dealing with the often confusing process of resolving tax problems they haven't been able to resolve on their own. TAS has at least one taxpayer advocate office located in every state, the District of Columbia, and Puerto Rico. The local advocate's number is in the local directory and at taxpayeradvocate.irs.gov.

The Taxpayer Advocate Service's website, taxpayeradvocate.irs.gov, is a resource for all taxpayers. The website covers a variety of tax-related concepts and problems, breaking each down to describe what the taxpayer should know, what they should do, and where they can get more help if needed. Taxpayers can also learn about their taxpayer rights. The site is mobile-responsive, so it's easy to use on any device.

If a taxpayer comes into a VITA/TCE site with a tax problem for which they have been unsuccessful in resolving with the IRS, TAS may be able to help.

For more information, the taxpayer can call toll-free 1-877-777-4778 (1-800-829-4059 for TTY/TDD) or locate the closest advocate at taxpayeradvocate.irs.gov.
