Under penalties of perjury, I declare that I have examined a copy of my electronic individual income tax return and accompanying schedules and statements for the tax year ending December 31, 2015, and to the best of my knowledge and belief, it is true, correct, and complete. I further declare that the amounts in Part I above are the amounts from my electronic income tax return. I consent to allow my intermediate service provider, transmitter, or electronic return originator (ERO) to send my return to the IRS and to receive from the IRS (a) an acknowledgement of receipt or reason for rejection of the transmission, (b) the reason for any delay in processing the return or refund, and (c) the date of any refund. If applicable, I authorize the U.S. Treasury and its designated Financial Agent to initiate an ACH electronic funds withdrawal (direct debit) entry to the financial institution account indicated in the tax preparation software for payment of my federal taxes owed on this return and/or a payment of estimated tax, and the financial institution to debit the entry to this account. This authorization is to remain in full force and effect until I notify the U.S. Treasury Financial Agent to terminate the authorization. To revoke (cancel) a payment, I must contact the U.S. Treasury Financial Agent at 1-888-353-4537. Payment cancellation requests must be received no later than 2 business days prior to the payment (settlement) date. I also authorize the financial institutions involved in the processing of the electronic payment of taxes to receive confidential information necessary to answer inquiries and resolve issues related to the payment. General Instructions

Future Developments

For the latest information about developments related to Form 4137 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/form4137.

What's New

For 2015, the maximum wages and tips subject to social security tax increased to \$118,500. The social security tax rate an employee must pay on tips remains at 6.2% (0.062).

Reminder

A 0.9% Additional Medicare Tax applies to Medicare wages, Railroad Retirement Tax Act compensation, and self-employment income over a threshold amount based on your filing status. Use Form 8959, Additional Medicare Tax, to figure this tax. For more information on Additional Medicare Tax, go to www.IRS.gov and enter "Additional Medicare Tax" in the search box.

Purpose of form. Use Form 4137 only to figure the social security and Medicare tax owed on tips you did not report to your employer, including any allocated tips shown on your Form(s) W-2 that you must report as income. You must also report the income on Form 1040, line 7; Form 1040NR, line 8; or

Form 1040NR-EZ, line 3. By filing this form, your social security and Medicare tips will be credited to your social security record (used to figure your benefits).

If you believe you are an employee and you received Form 1099-MISC, Miscellaneous Income, instead of Form W-2, Wage and

Tax Statement, because your employer did not consider you an employee, do not use this form to report the social security and Medicare tax on that income. Instead. use Form 8919, Uncollected Social Security and Medicare Tax on Wages.
